Clothing Demand from Emerging Markets International Trade Centre, 2008-12-31 With decreasing demand in the traditional markets in the United States, Europe, Japan and Canada for apparels, the new-book “Clothing Demand From Emerging Markets – An Opportunity For LDC Suppliers” launched by International Trade Centre comes at an opportune time. It gives in-depth markets insight for suppliers, apparel manufacturers in the countries like India, China, Malaysia, Brazil and South Africa to do business among themselves; and at the same time least developed countries to have trade ties with these countries.

Pop Culture in Latin America and the Caribbean Elizabeth Gackstetter Nichols, Timothy R. Robbins Ph.D., 2015-07-28 This insightful book introduces the most important trends, people, events, and products of popular culture in Latin America and the Caribbean. In recent times, Latin American influences have permeated American culture through music, movies, television, and literature. This sweeping volume serves as a ready-reference guide to pop culture in Central America, South America, and the Caribbean, focusing on Mexico, Brazil, Venezuela, Argentina, Haiti, Cuba, the Dominican Republic, Jamaica, and Costa Rica, among other areas. The work encourages hands-on engagement with the popular culture in these places, making such suggestions as Brazilian films to rent or where to find Venezuelan music on the Internet. To start, the book covers various perspectives and issues of these regions, including the influence of the United States, how the idea of machismo reflects on the portrayal of women in these societies, and the representation of Latino-Caribo cultures in film and other mediums. Entries cover key trends, people, events, and products from the beginning of the 20th century to the present day. Each section gives detailed information and profound insights into some of the more academic—and often controversial—debates on the subject, while the inclusion of the Internet, social media, and video games make the book timely and relevant.

Superbrands Angela Pumphrey, 2005 Superbrands aims to highlight brands, from a wide range of sectors, that have become the strongest and most iconic in their field. The publication explores, with text and visual, how these brands have succeeded in reaching the top and the journey that they have taken to get there. This is the seventh edition of Superbrands and is part of a pioneering programme that was founded with the aim of paying tribute to the UK's strongest brands. Through identifying these brands and providing their case histories, the Superbrands organisation and its eminent panel of judges hopes that people will gain a greater understanding and appreciation of the important and highly topical discipline of branding and a greater admiration for the brands themselves.

Katy Perry Revista Personalidades, Guia Personalidades, Música, Entretenimento, On Line Editora, 2016-03-18 Quer saber como e porque Katy Perry se tornou uma das maiores artistas da atualidade? Nas próximas páginas, você vai conferir fotos exclusivas, baphos inacrês e outras informações e curiosidades que confirmam este sucesso. Fomos a fundo na história da diva e descobrimos que não é só o talento que faz dela uma superstar. Katy é simpática com os fãs, com a imprensa e fotógrafos; é uma ótima amiga tanto para as BF's de infância quanto para famosas como Rihanna, e ainda é uma pessoa total do bem, que não arruma desculpa na hora de ajudar a quem precisa. Como quase namorei Robert Pattinson Carol Sabar, 2015-06-18 Aos 19 anos, Duda é literalmente viciada na saga Crepúsculo. Já perdeu a conta de quantas vezes leu os livros da série e assistiu aos filmes. Através de um perfil secreto na internet, ela se comunica com outras fãs de Crepúsculo que, assim como ela, estão totalmente convencidas de que não há garoto no mundo que valha um dente canino do vampiro Edward Cullen. Sua obsessão ganha fôlego com uma temporada de estudos em Nova York, onde ela faz planos mirabolantes para conhecer pessoalmente Robert Pattinson, o ator que interpreta o vampiro nos cinemas. Mas, após um incidente com seus únicos (e insubstituíveis!) livros da saga, Duda entra em verdadeiro

surto de desespero. Percebe, então, que uma mudança radical em seu comportamento crepuscólico é mais do que urgente. Só que ela não espera conhecer Miguel Defilippo, seu vizinho na ilha de Manhattan, que é a cara do ator Robert Pattinson!! Apaixonante, lindo, rico, misterioso e ambíguo, Miguel acaba se tornando um desejo mais inacessível para Duda do que o próprio astro de Hollywood. Uma história cheia de humor, aventuras e reviravoltas, para você chorar de rir!

Brazilian design today Adélia Borges, 2009 This exhibition shows us how different sectors of design production ally art, a Brazilian character and technology to create objects utilized in our daily lives that take our culture to the four corners of the world. The exhibition intent is to present a transversal view of this moment, aiming at highlighting some revealing examples that attest to the creative ability of Brazil from different fields of design. All projects included are after the year 2000 and by designers living in Brazil (including foreigners who adopted Brazil as home), and works by Brazilian born designers scattered around the world. Designers are included from different regions in Brazil as well as from different generations. The participants include veteran designers such as Sergio Rodrigues (furniture) and Alexandre Wonner (graphic design) to young professionals in their 20s. The diversification is also present in the choices of different design fields: furniture, objects, equipment, vehicles, accessories, books, packaging, lamps, graphic design, etc. All objects are useful and were created in order to fulfill a certain purpose and to be used by specific consumers. However, some of them look like artworks, and others dialogue with engineering
