Land of the Dawn-lit Mountains Antonia Bolingbroke-Kent,2017-06-15 ****SHORTLISTED FOR ADVENTURE TRAVEL BOOK OF THE YEAR, 2018 EDWARD STANFORD AWARD**** A thrilling and dangerous adventure through Arunachal Pradesh, one of the world's least explored places. 'A fabulously thrilling journey through a beguiling land' Joanna Lumley 'With tremendous verve and determination Antonia plunges through an extraordinary world. Thank heavens she survived to tell this vivid and thoughtful tale' Ted Simon, author of *Jupiter's Travels* 'A tale of delight and exuberance - and one I'd thoroughly recommend. Bolingbroke-Kent proves a great travelling companion - compassionate, spirited and with a sharp eye for human oddity' Benedict Allen, author of *Edge of Blue Heaven* and *Into the Abyss* 'A transformative journey that gripped me from the very first page' Alastair Humphreys, author of *The Boy Who Biked the World* and *Microadventures* 'Remote, mountainous and forbidding, here shamans still fly through the night, hidden valleys conceal portals to other worlds, yetis leave footprints in the snow, spirits and demons abound, and the gods are appeased by the blood of sacrificed beasts' A

mountainous state clinging to the far north-eastern corner of India, Arunachal Pradesh - meaning 'land of the dawn-lit mountains' - has remained uniquely isolated. Steeped in myth and mystery, not since pith-helmeted explorers went in search of the fabled 'Falls of the Brahmaputra' has an outsider dared to traverse it. Antonia Bolingbroke-Kent sets out to chronicle this forgotten corner of Asia. Travelling some 2,000 miles she encounters shamans, lamas, hunters, opium farmers, fantastic tribal festivals and little-known stories from the Second World War. In the process, she discovers a world and a way of living that are on the cusp of changing forever. 'A beautifully written, exciting and revealing book that harks back to a golden age of travel writing' Lois Pryce, author of *Revolutionary Ride*

My Antonia Willa Cather, 2024-01-02 A haunting tribute to the heroic pioneers who shaped the American Midwest This powerful novel by Willa Cather is considered to be one of her finest works and placed Cather in the forefront of women novelists. It tells the stories of several immigrant families who start new lives in America in rural Nebraska. This powerful tribute to the quiet heroism of those whose struggles and triumphs shaped the American Midwest highlights the role of women pioneers, in particular. Written in the style of a memoir penned by Antonia's tutor and friend, the book depicts one of the most memorable heroines in American literature, the spirited eldest daughter of a Czech immigrant family, whose calm, quite strength and robust spirit helped her survive the hardships and loneliness of life on the Nebraska prairie. The two form an enduring bond and through his chronicle, we watch Antonia shape the land while dealing with poverty, treachery, and tragedy. "No romantic novel ever written in America...is one half so beautiful as My Ántonia." -H. L. Mencken Willa Cather (1873-1947) was an American writer best known for her novels of the Plains and for *One of Ours*, a novel set in World War I, for which she was awarded the Pulitzer Prize in 1923. She was elected a fellow of the American Academy of Arts and Sciences in 1943 and received the gold medal for fiction from the National Institute of Arts and Letters in 1944, an award given once a decade for an author's total accomplishments. By the time of her death she had written twelve novels, five books

of short stories, and a collection of poetry.

***** HER LIFE SEEMS COMPLETE, BUT THERE'S ONE THING SHE HAS TO FIND... Funerals are strange things. Kitty hadn't really wanted to go to this one - a old school friend she hadn't seen for years - and she hadn't bargained for the way it made her think of the past. In particular, it made her think of the baby she had given birth to when she was eighteen and been forced to give away for adoption. She'd called her Madeleine, and she remembered her every day, wondered what she was like, if she was happy. Now, reminded of how cruelly short life can be, she has to see her - just to make sure she'd done the right thing. Life has turned out pretty well for Kitty: a secure marriage, two teenage children and a house within sound and sight of the Cornish surf... But the hole left by that first baby isn't getting any smaller, and she decides to make the first, tentative steps towards filling it - although she, and all her family, are quite unprepared for what this means...

Surveillance, Race, Culture Susan Flynn, Antonia Mackay, 2018-07-31 This collection of essays engages with a wide range of disciplines including art, performance, film and literature, to examine the myriad effects of contemporary surveillance on our cultural psyche. The volume expertly articulates the manner in which cultural productions have been complicit in

watching, seeing and purporting to 'know' race. In our increasingly mediated world, our sense of community is becoming progressively virtual, and surveillant technologies impact upon subjectivity, resulting in multiple forms of artistic and cultural expression. As such, art, film, and literature provide a lens for the reflection of sociocultural concerns. In *Surveillance, Race, Culture* Flynn and Mackay skilfully draw together a diverse range of contributions to investigate the fundamental question of exactly how surveillant technologies have informed our notions of race, identity and belonging.

Blood on the Water David Burton, 2015-02-01 Picking up immediately after the conclusion of Burton's exciting novel

Blood Justice, Blood on the Water opens as Justine, vampire Simone Gireaux and their mortal friend Teresa Diaz bring long-delayed vengeance to the man who murdered Justine's own mother more than twenty years earlier. Now they have one more mystery to solve: the whereabouts of Teresa's abducted daughter, Antonia. Their Nemesis in Blood Justice, Stephan Sinakov, had told them that Antonia was sold—but to whom, and for what purpose, they can only speculate. Confident that Antonia isn't dead, the three women seek help from old contacts of Simone's in Massachusetts. They are plunged into a world of magic and sorcery, where powerful witches struggle for control of an underground network. This battle involves plenty of fighting with mundane weapons and high-tech gadgetry as well as spells and psychic power. Helping Teresa, Justine and Simone in their quest proves to have a very high cost for their friends. But in the course of their adventures, Teresa learns that she herself is heir to a gift of magic power she had never before suspected. As the three follow clues that take them down the Eastern seaboard, Teresa struggles to learn how to control and use her abilities in a trial by fire. Ultimately, Antonia is traced to a yacht owned by a mysterious and unimaginably wealthy vampire. Meanwhile, both allies and old foes from Blood Justice are pursuing the three women from California. But the truth about Antonia's abduction may shatter Teresa's determination to reclaim her daughter.
