Searching for Augusta Martin King,2017-09-01 A brutal siege. A forgotten heroine. A war-torn romance. And a historian determined to uncover the truth. Untold millions who saw and read Band of Brothers can finally know the whole story of what happened to American soldiers and civilians in Bastogne during that arduous Winter of 1944/45. In the television version of Band of Brothers, a passing reference is made to an African nurse assisting in an aid station in Bastogne. When military historian Martin King watched the episode, he had to know who that woman was; thus began a multi-year odyssey that revealed the horror of a town under siege as well as an improbable love story between a white Army medic, Jack Prior, and his black nurse, Augusta Chiwy, as they saved countless lives while under constant bombardment. Based on the recent discovery of Prior's diary as well as an exhaustive and occasionally futile search for Augusta herself, King was at last able to bring belated recognition of Augusta's incredible story by both the U.S. Army and Belgian government shortly before she died. This is not only a little-known story of the Battle of the Bulge, but also the author's own relentless mission to locate Augusta and bestow upon her the honors she so richly deserved.

New England Knits Cecily Macdonald,Melissa LaBarre,2013-02-01 New England's seasons call for plenty of warm knitwear, and New England Knits provides an irresistible collection of beautiful designs. Inspired by autumn and winter in New England (where the savvy knitter is never far from a sweater between September and March), the book is divided into three themes: Walk in the Woods, Around the Town, and Along the coast. Within each section readers will find a variety of

flattering, wearable sweaters and accessories (including hats, mittens, scarves, bags, and shawls). Projects by guest designers from Classic Elite, Berroco, and the Fiber Company provide round out the collection.

Meet Mister Eisenhower A. Merriman Smith,1955

The Second Life of Tiger Woods Michael Bamberger,2020-03-31 “Fascinating...[Bamberger] knows the world of professional golf, and the pressures it exacts, like few others.” —The Wall Street Journal It’s one of the greatest comebacks of all time. And for Tiger Woods—his game, his body, and his life in shambles—getting back to the winner’s circle was only half the story. Here’s the rest of it. Tiger Woods’s long descent into a personal and professional hell reached bottom in the early hours of Memorial Day in 2017. Woods’s DUI arrest that night came on the heels of a desperate spinal surgery, just weeks after he told close friends he might never play tournament golf again. His mug shot and alarming arrest video were painful to look at and, for Woods, a deep humiliation. The former paragon of discipline now found himself hopelessly lost and out of control, exposed for all the world to see. That episode could have marked the beginning of Tiger’s end. It proved to be the opposite. Instead of sinking beneath the public disgrace of drug abuse and the private despair of a battered and ailing body, Woods embarked on the long road to redeeming himself. In *The Second Life of Tiger Woods*, Michael Bamberger, who has covered Woods since the golfer was an amateur, draws upon his deep network of sources inside locker rooms, caddie yards, clubhouses, fitness trailers, and back offices to tell the true and inspiring story of the legend’s return. Packed with new information and graced by insight, Bamberger’s story reveals how this iconic athlete clawed his way back to the top. Here you’ll meet the people who have shaped and saved Tiger’s life. It’s a disparate group: a Florida police officer, an old friend from Tiger’s boyhood, his girlfriend, his manager, his caddie. You’ll go inside the ropes and see Tiger’s interactions with fellow pros, with broadcasters and rules officials and Tour executives, with legends young (Rory McIlroy) and old (Jack Nicklaus) and in between (Fred Couples). On the Sunday before Masters Sunday, you’ll join Tiger as he takes a long, slow, contemplative walk across Augusta National, and you’ll be with him again seven days later in the splendid isolation of the tee at thirteen, in the rain, his right foot slipping while he swings his driver at 120 miles per hour. This is an intimate portrait of a man who has spent his life in front of the camera but has done his best to make sure he was never really known. Here is Tiger, barefoot, in handcuffs, showing a police officer a witty and self-deprecating side of himself that the public never sees. Here is Tiger on the verge of tears with his children at the British Open. Here is Tiger trying to express his gratitude to his mother at a ceremony at the Rose Garden. In these pages, Tiger is funny, cold, generous, self-absorbed, inspiring—and real. *The Second Life of Tiger Woods* is not only the saga of an exceptional man but also a celebration of second chances. Bamberger’s bracingly honest book is about what Tiger Woods did, and about what any of us can do, when we face our demons head-on.

100 Knits Interweave Editors,2018-10-02 Interweave's biggest pattern collection ever! 100 Knits makes a gorgeous gift

for any knitter. Page after page of knitting patterns are at your fingertips with 100 Knits, giving you a nearly endless supply of projects you'll be excited to cast on. Never be without a knitting pattern again with 100 Knits!

The Diary of Alpha Kappa Psi, 1994

The Odd Couple Richard Bradford, 2012-10-30 Kingsley Amis was a mimic, jester, father, husband, atheist, pseudo-socialist and clubland Tory boozier with a limitless taste for adultery; Philip Larkin a glum misanthrope who lived in self-imposed solitude. And yet, after meeting at St John's, Oxford in 1941, this unlikely pair struck up a friendship to endure for more than forty years, despite a period of acrimony in the 1960s. From their early days of undergraduate ambitions and enthusiasms through to the bitterness of middle age, Richard Bradford charts the progress of a remarkable friendship, and shows how crucial it was to the making of these two literary giants. Without Larkin's inspiration and input, Amis would never have written his award-winning debut, *Lucky Jim*; if not for Amis's overnight success, Larkin would never have abandoned his hopes of becoming a novelist and turned instead to verse. Larkin's ensuing resentment would simmer beneath the surface of their relationship for years to come. Drawing on an enormous archive of letters, manuscripts and interviews, *The Odd Couple* not only offers a rare glimpse into the private correspondence of two controversial and eccentric men, it also illuminates some of the finest novels and poems of the twentieth century.

Glamour, 1962

Null Point P R Adams, 2021-06-11 A mysterious weapon. Synthetic humans. Corporate espionage. Stefan Mendoza is running out of time, running out of money, and running out of luck. Wherever he turns, people try to kill him. Only his shrinking circle of friends can be trusted—or can they? To save his reputation, means risking all he values. Does he have the determination to see this through, or will his humanity turn him away? Pick up *Null Point* to experience the action-packed conclusion to the thrilling cyberpunk trilogy, *The Human Deception*.

Apparel Arts, 1949-07

The Leatherneck, 1993

Blessed to Bless Tim Sean Youmans, 2020-04-17 A guide aimed at teens to bring greater understanding of the historical context behind biblical stories Many Christians are vaguely familiar with numerous Bible stories but do not know their context in the literary or historical arc of the Bible. *Blessed to Bless* gives meaningful organization to the multitude of Bible stories covered in over 1500 years of religious history. Primarily for teenagers, this book can be a resource for any individual

or study group wanting a basic, yet comprehensive introduction to the Bible. The themes, interpretations, genres, and philosophical framework of Holy Scripture are offered to the reader, organized into four historical “arcs.” Each chapter offers scripture, accompanying commentary, and questions for reflection or discussion. Bible vocabulary concepts are highlighted throughout the book, making it a perfect tool for youth group study, a biblical literature curriculum, or a personal challenge (for instance, to read the Bible in a year). A Leader Guide is available for free download on the Church Publishing website for classroom usage.

The Circle, 1994

The World Encyclopedia of Serial Killers, Volume Four T-Z Susan Hall, 2021-01-05 The 4th volume of this comprehensive work features hundreds of serial killers from Sacramento to Soviet Russia—plus numerous unsolved cases. The World Encyclopedia of Serial Killers is the most complete reference guide on the subject, featuring more than 1,600 entries about the lives and crimes of serial killers from around the world. Defined by the FBI as a person who murders three or more people with a hiatus of weeks or months between murders, the serial killer has presented unique and terrifying challenges to have walked among us since the dawn of time—a fact this extensive record makes chillingly clear. The series concludes with Volume Four, T-Z. Entries include the Terminator Anatoly Yuriyovych Onoprienko; Trailside Killer David Joseph Carpenter; Vampire of Sacramento Richard Trenton Chase; and the Voroshilovgrad Maniac Zaven Almazyran; plus the unsolved cases of the Adelaide Child Murders; the Axeman of New Orleans; the Chillicothe Killer; the Dead Women of Juarez; the Korea Frog Boy Murders; and the Volga Maniac.

Alas, Babylon Pat Frank, 2013-06-04 “An extraordinary real picture of human beings numbed by catastrophe but still driven by the unconquerable determination of living creatures to keep on being alive.” —The New Yorker “Alas, Babylon.” Those fateful words heralded the end. When the unthinkable nightmare of nuclear holocaust ravaged the United States, it was instant death for tens of millions of people; for survivors, it was a nightmare of hunger, sickness, and brutality. Overnight, a thousand years of civilization were stripped away. But for one small Florida town, miraculously spared against all the odds, the struggle was only just beginning, as the isolated survivors—men and women of all ages and races—found the courage to come together and confront the harrowing darkness. This classic apocalyptic novel by Pat Frank, first published in 1959 at the height of the Cold War, includes an introduction by award-winning science fiction writer and scientist David Brin.

Kenny Bernstein Kenny Bernstein, 2004 The triumphs, epic battles with other drag racing stars, and rise of Top Fuel Eliminator racer Kenny Bernstein of the NHRA are detailed in a book packed with full-color photos.

Marines, 1983

How to Play the World's Most Exclusive Golf Clubs John Sabino, 2016-05-03 The most exclusive golf clubs in the world are special places that elicit feelings of awe and wonder from most golfers. How great would it be to play some of the

storied venues of the game such as Winged Foot, Riviera or Muirfield? Or, the ultimate for any golfer, Augusta National, home of the Masters? How to Play the World's Most Exclusive Golf Clubs highlights the many ways that golfers can enter the world's elite clubs, located in some of the most beautiful locations in the world. How do you go about gaining access to some of some of golf's hallowed grounds? Who do you have to know? How do you find a member? What is the etiquette to follow? This book gives insights into what has worked for the author and other motivated golfers. An avid golfer and student of golf history, John brings an unparalleled enthusiasm, a unique perspective, and an insider's insights to the task. Throughout each chapter there are personal stories about the author's experience and unique stories about some of the lengths to which golfers have gone to gain access to golf's premier venues. The proliferation of golf course ratings by magazines, combined with the expanded information about golf courses and golf architecture that the Internet age has brought to the fore, has created a new and expanding group of golf aficionados who dream of playing at exclusive golf courses and are eager to learn the secrets of doing so. This book's coverage of more than 125 global clubs will be perfect for any player. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
