An American Brat Bapsi Sidhwa, 2012-11-01 A sheltered Pakistani girl is sent to America by her parents, with unexpected results: “Entertaining, often hilarious . . . Not just another immigrant’s tale.” —Publishers Weekly Feroza Ginwalla, a pampered, protected sixteen-year-old Pakistani girl, is sent to America by her parents, who are alarmed by the fundamentalism overtaking Pakistan—and influencing their daughter. Hoping that a few months with her uncle, an MIT grad

student, will soften the girl's rigid thinking, they get more than they bargained for: Feroza, enthralled by American culture and her new freedom, insists on staying. A bargain is struck, allowing Feroza to attend college with the understanding that she will return home and marry well. As a student in a small western town, Feroza finds her perceptions of America, her homeland, and herself beginning to alter. When she falls in love with a Jewish American, her family is aghast. Feroza realizes just how far she has come—and wonders how much further she can go—in a delightful, remarkably funny coming-of-age novel that offers an acute portrayal of America as seen through the eyes of a perceptive young immigrant. "Humorous and affecting." —Library Journal "Exceptional." —Los Angeles Times "Her characters [are] painted so vividly you can almost hear them bickering." —The New York Times

Pushups and Crunches Aaron & Amanda Rosen, 2021-03-21 Pushups and Crunches is a fun, rhythmic story about exercise.

Boats to Burn Natasha Stacey, 2007-06-01 Under a Memorandum of Understanding between Indonesia and Australia, traditional Indonesian fishermen are permitted access to fish in a designated area inside the 200 nautical mile Australian Fishing Zone (AFZ). However, crew and vessels are regularly apprehended for illegal fishing activity outside the permitted areas and, after prosecution in Australian courts, their boats and equipment are destroyed and the fishermen repatriated to Indonesia. This is an ethnographic study of one group of Indonesian maritime people who operate in the AFZ. It concerns Bajo people who originate from villages in the Tukang Besi Islands, Southeast Sulawesi. It explores the social, cultural, economic and historic conditions which underpin Bajo sailing and fishing voyages in the AFZ. It also examines issues concerning Australian maritime expansion and Australian government policies, treatment and understanding of Bajo fishing. The study considers the concept of traditional fishing regulating access to the MOU area based on use of unchanging technology, and consequences arising from adherence to such a view of traditional; the effect of Australian maritime

expansion on Bajo fishing activity; the effectiveness of policy in providing for fishing rights and stopping illegal activity, and why Bajo continue to fish in the AFZ despite a range of ongoing restrictions on their activity.

How to Fight Anti-Semitism Bari Weiss, 2019-09-10 WINNER OF THE NATIONAL JEWISH BOOK AWARD • The prescient founder of The Free Press delivers an urgent wake-up call to all Americans exposing the alarming rise of anti-Semitism in this country—and explains what we can do to defeat it. “A praiseworthy and concise brief against modern-day anti-Semitism.”—The New York Times On October 27, 2018, eleven Jews were gunned down as they prayed at their synagogue in Pittsburgh. It was the deadliest attack on Jews in American history. For most Americans, the massacre at Tree of Life, the synagogue where Bari Weiss became a bat mitzvah, came as a shock. But anti-Semitism is the oldest hatred, commonplace across the Middle East and on the rise for years in Europe. So that terrible morning in Pittsburgh, as well as the continued surge of hate crimes against Jews in cities and towns across the country, raise a question Americans cannot avoid: Could it happen here? This book is Weiss’s answer. Like many, Weiss long believed this country could escape the rising tide of anti-Semitism. With its promise of free speech and religion, its insistence that all people are created equal, its tolerance for difference, and its emphasis on shared ideals rather than bloodlines, America has been, even with all its flaws, a new Jerusalem for the Jewish people. But now the luckiest Jews in history are beginning to face a three-headed dragon known all too well to Jews of other times and places: the physical fear of violent assault, the moral fear of ideological vilification, and the political fear of resurgent fascism and populism. No longer the exclusive province of the far right, the far left, and assorted religious bigots, anti-Semitism now finds a home in identity politics as well as the reaction against identity politics, in the renewal of America First isolationism and the rise of one-world socialism, and in the spread of Islamist ideas into unlikely places. A hatred that was, until recently, reliably taboo is migrating toward the mainstream, amplified by social media and a culture of conspiracy that threatens us all. Weiss is one of our most provocative writers, and her cri de coeur makes a powerful case for renewing Jewish and American values in this uncertain moment. Not just for the sake of America’s Jews, but for the sake of America.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
