Working with booklovers, homeowners, and designers, Juniper Books has provided the world with a fresh new approach to the printed book. Thatcher grew up in New York City where his parents owned and operated The Quilted Giraffe, one of the most innovative restaurants in America. Thatcher graduated from Dartmouth College with a degree in history and art history and lives in Boulder, Colorado. Elizabeth Lane is the founder of Quarterlane, a quarterly subscription book service which merged with Juniper Books in 2018. The Jacket Sue-Ellen Pashley,2019-07 A beautiful jacket becomes woven into the lives of one ordinary family ... The jacket was no ordinary jacket. It was soft, like dandelion fluff. It was comforting, like a hug from your favourite teddy. And it had four dazzling buttons down the front ... Amelia wears her favourite jacket everywhere. She wears it to nursery. And to Aunty Kath's house. And to the shops. Even to bed! But, one day, she can't fit into it any more. So Mum suggests she give it to her little sister, Lily. And so, that way, the jacket lives on ...

White Jacket Herman Melville,2021-03-07 It was not a very white jacket, but white enough, in all conscience, as the sequel will show. The way I came by it was this. When our frigate lay in Callao, on the coast of Peru-her last harbour in the Pacific-I found myself without a grego, or sailor's surtout; and as, toward the end of a three years' cruise, no pea-jackets could be had from the purser's steward: and being bound for Cape Horn, some sort of a substitute was indispensable; I employed myself, for several days, in manufacturing an outlandish garment of my own devising, to shelter me from the boisterous weather we were so soon to encounter. It was nothing more than a white duck frock, or rather shirt: which, laying on deck, I folded double at the bosom, and by then making a continuation of the slit there, opened it lengthwise-much as you would cut a leaf in the last new novel. The gash being made, a metamorphosis took place, transcending any related by Ovid. For, presto! the shirt was a coat!-a strange-looking coat, to be sure; of a Quakerish amplitude about the skirts; with an infirm, tumble-down collar; and a clumsy fullness about the wristbands; and white, yea, white as a shroud. And my shroud it afterward came very near proving, as he who reads further will find.

The Jacket Jack London, 2017-09-24 Darrell Standing, a university professor serving life imprisonment in San Quentin for murder, defies the will of prison officials who try to break his spirit with the jacket, a canvas jacket which can be tightly laced so as to tortuously compress the whole body. To survive, Standing discovers how to enter a trance state in which he walks among the stars and experiences past lives.

No Ordinary Jacket Sue-Ellen Pashley, 2020-08-11 What happens when you outgrow a cherished piece of clothing? An affectionate tale about letting go and watching the things you love take on a new life. The jacket was no ordinary jacket. It was soft, like dandelion fluff. It was comforting, like a hug from your favorite teddy bear. And it had four dazzling buttons down the front. Amelia wears her favorite jacket everywhere. She wears it to preschool. And to Aunty Kath's house. And to the store. Even to bed! But one day, she can't fit into it anymore. Perhaps she should give it to her little sister, Lilly? Then she can wear it everywhere . . . until it doesn't fit her either, and the jacket can live on in other surprising ways. A reassuring text combines with enchanting collage illustrations to tell a story that is as warm and cozy as a well-loved coat.

The Jacket Jack London, 2014-08-21 Darrell Standing, a university professor serving life imprisonment in San Quentin for murder, defies the will of prison officials who try to break his spirit with the jacket, a canvas jacket which can be tightly laced so as to tortuously compress the whole body.

A-2 and G-1 Flight Jackets : Hell-Bent for Leather Nelson Derek Nelson Dave Parsons, Nostalgic black-and-white and period color photos depict the legendary Army Air Corps and Air Force jacket as worn by airmen in World War II and the Korean War. Anecdotes and a history of the jacket's service are accompanied by marvelous images of the hand-painted art that more often than not adorned the backs of these garments. *This is a paperback re-issue of Hell Bent for Leather.*

The Black Leather Jacket Mick Farren, 2008 Fashion.

White Jacket Herman Melville, 2017-03-25 So, with many odds and ends of patches-old socks, old trowser-legs, and the like-I bedarned and bequilted the inside of my jacket, till it became, all over, stiff and padded, as King James's cotton-stuffed and dagger-proof doublet; and no buckram or steel hauberk stood up more stoutly. So far, very good; but pray, tell me, White-Jacket, how do you propose keeping out the rain and the wet in this quilted greggo of yours? You don't call this wad of old patches a Mackintosh, do you?--you don't pretend to say that worsted is water-proof? No, my dear friend; and that was the deuce of it. Waterproof it was not, no more than a sponge. Indeed, with such recklessness had I bequilted my jacket, that in a rain-storm I became a universal absorber; swabbing bone-dry the very bulwarks I leaned against.

Classic Book Jackets Thomas Stansfield Hansen, 2005 Salter's life and work bridged two continents and cultures and spanned the political turmoil of the mid-twentieth century. He survived both world wars, the rise of National Socialism in Germany, and permanent exile in a new land, but nothing halted his tireless and brilliant design work. Classic Book Jackets tells Salter's story and describes the innovative thinking he brought to his clients and students (including his designation of

seven jacket types that are still valid today). It includes more than two hundred reproductions of his finest works as well as a complete catalog of his jackets, designs, and lettering jobs for the book trade.--BOOK JACKET.

Winter Jacket Eliza Lentzski, 2016-05-12 Book Four and the denouement of the Winter Jacket Series. Hollywood had been a disaster. Elle Graft-Associate Professor of English and once-budding television screenwriter-could admit that much. Now back in Minnesota and back to her old life, Elle's determined to get her relationship with Hunter back on track. It all started with a broken classroom heater and a blue winter coat. How will it end?

Front Cover Alan Powers, 2004-09-01 You can't judge a book by its cover...but some covers simply speak for themselves. The most influential book jacket designs from throughout the 20th century are on display, and the fascinating images track their evolution from throwaway utilitarian dust jackets into a powerful modern art form. Three hundred hardcover and paperback book jackets appear in full color, including many from rare first editions seldom seen outside a serious collector's library. Accompanying analysis commemorates the contributions of top European and American artists like Victor Gollancz, Paul Rand, and Barnett Freedman; explains how cover art styles helped launch such publishing brands as Penguin and Bloomsbury; and explores the impact of today's digitally designed covers.

Black Suede Jacket Julio Bonilla, 2013-06-06 MY FIRST TIME GOING OUT WITH FRIENDS. MY FIRST TIME WEARING A LUCKY JACKET. I NEED IT BACK! Monday morning. I wake up from my nap and look at time in the car- 2:30 a.m. - Black Suede Jacket. Then I snapped out of it and realized I had been waiting on 2 friends as if I was their chauffeur. It was at this point where I decided to drive home. I had lent Angela my favorite jacket and she had forgotten her pack of cigarettes in my car. Quid Pro Quo. I wondered when I would get my jacket back... This was on the first night I wore a lucky jacket that my mother had given me. I pulled out of the parking lot in North Beach and headed home.

The Jacket I Wear in the Snow Shirley Neitzel, 1994-10-19 Rhyme follows rhyme as layer after layer of winter clothing (bunchy and hot, wrinkled a lot, stiff in the knee, and too big for me!) is first put on and then taken off to the relief of the child bundled inside. Clever rebuses and jaunty illustrations make The Jacket I Wear in the Snow especially fun for prereaders and new readers.
