

Bottoms Womenclimate212

Marita Golden, Susan Shreve

Naked Ayana Byrd, Akiba Solomon, 2005-08-02 Provocative essays on body image by black women. Candid, witty, and insightful, *Naked* is a compelling collection of essays that captures what today's black women think about their bodies-from head to toe. Tackling such issues as hair texture, skin color, weight, and sexuality, it follows women on their paths to acceptance-and enjoyment -of their unique features...to a place where it doesn't matter how big the breasts or how long the legs, only what is in the heart. Includes contributions from women of all ages and walks of life, including such notables as: - Iyanla Vanzant - Jill Scott - Kelis - Tracee Ellis Ross - Jill Nelson - Hilda Hutcherson - asha bandele - Melyssa Ford Edited by Ayana Byrd and Akiba Solomon Foreword by Sonia Sanchez

Believe Me Jessica Valenti, Jaclyn Friedman, 2020-01-28 What would happen if we believed women? A groundbreaking anthology offers a potent rallying cry and theory of change Harvey Weinstein. Brett Kavanaugh. Jeffrey Epstein. Donald Trump. The most infamous abusers in modern American history are being outed as women speak up to publicly expose behavior that was previously only whispered about -- and it's both making an impact, and sparking a backlash. From the leading, agenda-setting feminist editors of *Yes Means Yes*, *Believe Me* brings readers into the evolving landscape of the movement against sexual violence, and outlines how trusting women is the critical foundation for future progress. In *Believe Me*, contributors ask and answer the crucial question: What would happen if we didn't just believe women, but acted as though they matter? If we take women's experiences of online harassment seriously, it will transform the internet. If we listen to and center survivors, we could revolutionize our systems of justice. If we believe Black women when they talk about pain, we will save countless lives. With contributions from many of the most important voices in feminism today, *Believe Me* is an essential roadmap for the #MeToo era and beyond.

White Girl in Yoga Pants Melissa Scott, 2017-08-24 Melissa Scott has done a lot of yoga. Along the way, she's learned lessons about acceptance, overcoming, and inner strength. In *White Girl in Yoga Pants*, she meditates on those lessons and applies them to both the everyday and extraordinary experiences that make up the tapestry of life. With humor, vulnerability, and grace, she shares inspiring stories about using yoga to heal from an eating disorder and sexual assault. She discusses her frustrations and hopes for these divisive political times. She talks about the unique struggles women and yogis face in the social media age. And above all, she offers gratitude for the divine strength that keeps us all moving forward. Rooted in

lessons from both on the mat and out in the world, this collection of essays is a love letter to the human spirit from one white girl in yoga pants.

Jiggle Wendy Burns-Ardolino, 2007-12-24 Jiggle spans the fields of women's studies, cultural studies, and media studies as it examines the significance of women's embodied experience with the most intimate strictures of femininity: foundation garments. Feminist theory of the body, the cultural production and consumption of fashion and beauty cultures, femininity and female subjectivity are woven together to tell the story of how women are shaped physically, culturally, socially and politically by shaping garments.

Breasts Carolyn Latteier, 1998 Breasts: The Women's Perspective on an American Obsession describes and explores our national breast fetish, which is defined as a culturally constructed obsession that is deeply interwoven with beauty standards, breastfeeding practices, and sexuality. By tracing the complex history of this erotic fascination and discovering how it affects men's and women's sexuality and their relationships, this book will help women accept their breasts as they are and provide male readers with insight into how women think and feel about their bodies. This awareness will enable them to better understand and empathize with women's experiences as objects of a cultural fetish. Focusing on adult joys and anxieties about breasts, sex, and breastfeeding, this text uses research and expert opinions from several different fields, including psychology, anthropology, sociology, mythology, and sexology. You will find several other issues in Breasts: The Women's Perspective on an American Obsession that involve men's and women's struggles with this obsession, such as: breast implants human psychology and breasts beauty standards and breast sexuality how breasts are portrayed in mythology and art how ancient religions saw the breast as a sign of motherhood and giver of life breast men debates on how and why the breast evolved adolescent girls and breasts breast activists, such as La Leche League, who are proponents of breastfeeding in public Through personal interviews with men and women, Breasts: The Women's Perspective on an American Obsession also addresses women's pride and shame about their breasts and their confusion about the attention their breasts receive. Ultimately, this exploration of breast obsession sheds light on our society's general fear of and ambivalence toward women's bodies. Breasts: The Women's Perspective on an American Obsession shows you that breasts have a venerable history and urges you to see beyond the contemporary standards of visual perfection to give you an overall sense of the female body's power and worth.

Troublemakers in Trousers Sarah Albee, 2022-10-25 Meet twenty-one women throughout history who broke fashion and norms to do something groundbreaking in this unique middle-grade collection that celebrates trailblazers and troublemakers. Girls and women have historically been denied access to work, been blocked from the arts, refused the opportunity to lead and fight, and much more, simply because of their gender. From Hatshepsut to Joan of Arc to Frida Kahlo, Troublemakers in Trousers highlights twenty-one women who, for different reasons, wore men's clothing, pretended to be men, and broke the

rules in order to do something they wanted—or needed—to do. The perfect modern-day introduction to women throughout history who broke boundaries and pushed the limits set by society.

Trappings Tiffany Ludwig, Renee Piechocki, 2007 The authors embark on an interview journey across the U.S. They talked with more than 500 women and girls, ages four through ninety-two who ranged from office workers to drag-kings, stay at home moms to attorneys.

Skin Deep Marita Golden, Susan Shreve, 1996-07-01 Candid, poignant, provocative, and informative, the essays and stories in *Skin Deep* explore a wide spectrum of racial issues between black and white women, from self-identity and competition to childrearing and friendship. Eudora Welty contributes a bittersweet story of a one-hundred-year-old black woman whose spirit is as determined and strong as anything in nature. Bestselling author Naomi Wolf recalls her first exposure to racism growing up, examining the subtle forms it can take even among well-meaning people; bell hooks writes about the intersection between black women and feminist politics; and Joyce Carol Oates includes a one-act play in which racial stereotypes are reversed. Among the other writers featured in the collection are Toni Morrison, Alice Walker, Susan Straight, Mary Morris, and Beverly Lowry. A groundbreaking anthology that reveals surprising insights and hidden truths to a subject too often clouded by misperceptions and easy assumptions, *Skin Deep* is a major contribution to understanding our culture.

Nasty Women Samhita Mukhopadhyay, Kate Harding, 2017-10-03 Twenty-Three Leading Feminist Writers on Protest and Solidarity When 53 percent of white women voted for Donald Trump and 94 percent of black women voted for Hillary Clinton, how can women unite in Trump's America? *Nasty Women* includes inspiring essays from a diverse group of talented women writers who seek to provide a broad look at how we got here and what we need to do to move forward. Featuring essays by REBECCA SOLNIT on Trump and his "misogyny army," CHERYL STRAYED on grappling with the aftermath of Hillary Clinton's loss, SARAH HEPOLA on resisting the urge to drink after the election, NICOLE CHUNG on family and friends who support Trump, KATHA POLLITT on the state of reproductive rights and what we do next, JILL FILIPOVIC on Trump's policies and the life of a young woman in West Africa, SAMANTHA IRBY on racism and living as a queer black woman in rural America, RANDA JARRAR on traveling across the country as a queer Muslim American, SARAH HOLLENBECK on Trump's cruelty toward the disabled, MEREDITH TALUSAN on feminism and the transgender community, and SARAH JAFFE on the labor movement and active and effective resistance, among others.

Unscrewed Jaclyn Friedman, 2017-11-14 An urgent account of sexual politics, feminism, and the rules of power in America—and a potent vision for the way forward As a veteran feminist and agenda-setting sex educator, Jaclyn Friedman is on the frontlines of the war for equity between the sexes. In *Unscrewed*, Friedman brings her sharp expertise and incisive observations on the state of sexual politics to the fore, sparking a culture-wide rethink about sex, power and what we accept.

With reportage and verve, *Unscrewed* builds a searing investigation into the state of sexual power in America, and outlines how to make real progress toward equality. Friedman reveals that the anxiety and fear women in our country feel around issues of their sexuality are not, in fact, their fault, but instead are side effects of what she calls our era of fauxpowerment, wherein women have the illusion of sexual power, with no actual power to support it. Exploring the fault lines where media, religion, politics, and education impinge on our intimate lives, *Unscrewed* breaks down the causes and signs of fauxpowerment, then gives readers tools to take it on themselves.

Longing to Tell Tricia Rose, 2004-04 In this book, Tricia Rose breaks the silence by presenting, for the first time, the in-depth sexual testimonies of black women. Spanning a broad range of ages, levels of education, and socioeconomic backgrounds, nineteen women, in their own words, talk with startling honesty about sex, love, family, relationships, body image, and intimacy. Their moving stories provide revealing insights into the many ways black women navigate the complex terrain of sexuality. Compelling, surprising, and powerful, *Longing to Tell* is sure to jump-start a dialogue and will be required reading for anyone interested in issues of race, gender, and sexuality.--BOOK JACKET.

Underneath It All Amber J. Keyser, 2018-03-01 For most of human history, the garments women wore under their clothes were hidden. The earliest underwear provided warmth and protection. But eventually, women's undergarments became complex structures designed to shape their bodies to fit the fashion ideals of the time. In the modern era, undergarments are out in the open, from the designer corsets Madonna wore on stage to Beyoncé's pregnancy announcement on Instagram. This feminist exploration of women's underwear reveals the intimate role lingerie plays in defining women's bodies, sexuality, gender identity, and body image. It is a story of control and restraint but also female empowerment and self-expression. You will never look at underwear the same way again.

Women Amy Vita Kesselman, Lily D. McNair, Nancy Schniedewind, 1995

Hot & Heavy Virgie Tovar, 2012-10-30 In this fun, fresh, fat-positive anthology, fat activist and sex educator Virgie Tovar brings together voices from an often-marginalized community to talk about and celebrate their lives. *Hot & Heavy* rejects the idea that being thin is best, instead embracing the many fabulous aspects of being fat—building fat-positive spaces, putting together fat-friendly wardrobes, turning society's rules into personal politics, and creating supportive, inclusive communities. Writers, activists, performers, and poets—including April Flores, Alysia Angel, Charlotte Cooper, Jessica Judd, Emily Anderson, Genne Murphy, and Tigress Osborn—cover everything from fat go-go dancing to queer dating to urban gardening in their essays, exploring their experiences with the word “fat,” pinpointing particular moments that have impacted the way they think and feel about their bodies, and telling the story of how they each became fat revolutionaries. Ground-breaking and long overdue, *Hot & Heavy* is a fierce, sassy, thoughtful, authentic, and joyous collection of stories about unapologetically—and unconditionally—loving the body you're in.

See Me Naked Tara T. Green,2022-02-11 Lena Horne, Moms Mabley, Yolande DuBois, and Memphis Minnie were Black women who, despite their public profiles, discovered ways to enjoy pleasure in their public and private lives. See Me Naked looks at these women as representative of Black women who were watched, criticized, and judged by their families, peers, and, in some cases, the government. Despite the pressures of respectability, they lived extraordinary lives.

Further to Fly Sheila Radford-Hill,2000

The Seven Necessary Sins for Women and Girls Mona Eltahawy,2019-09-17 A bold and uncompromising feminist manifesto that shows women and girls how to defy, disrupt, and destroy the patriarchy by embracing the qualities they've been trained to avoid. Seizing upon the energy of the #MeToo movement, feminist activist Mona Eltahawy advocates a muscular, out-loud approach to teaching women and girls to harness their power through what she calls the "seven necessary sins" that women and girls are not supposed to commit: to be angry, ambitious, profane, violent, attention-seeking, lustful, and powerful. All the necessary "sins" that women and girls require to erupt. Eltahawy knows that the patriarchy is alive and well, and she is fed the hell up: Sexually assaulted during hajj at the age of fifteen. Groped on the dance floor of a night club in Montreal at fifty. Countless other injustices in the years between. Illuminating her call to action are stories of activists and ordinary women around the world—from South Africa to China, Nigeria to India, Bosnia to Egypt—who are tapping into their inner fury and crossing the lines of race, class, faith, and gender that make it so hard for marginalized women to be heard. Rather than teaching women and girls to survive the poisonous system they have found themselves in, Eltahawy arms them to dismantle it. Brilliant, bold, and energetic, *The Seven Necessary Sins for Women and Girls* is a manifesto for all feminists in the fight against patriarchy.

The She Spot (EasyRead Comfort Edition) ,

Red is the New Black Cathy Lynn Taylor,2016-09-20 *Red Is the New Black* challenges the assumption that the Democratic Party is a girl's best friend. *Red Is the New Black* takes an in depth look at the major policy issues affecting all of us to unveil the core values that best empower today's women. It turns out that if we focus on values instead of arguing over ideas, there's a whole lot of common ground upon which women of all viewpoints can agree. Entrepreneur, media commentator, and former White House National Security Council Director Cathy Lynn Taylor shares how these core tenants have shaped her own decisions—and success—and should be shaping the policies that affect the daily lives of women. By combining her own personal anecdotes with hard-hitting research, Taylor powerfully illustrates a set of values that unite us and the policies that best support them.

Ms. and the Material Girls Catherine Gourley,2008-01-01 Examines the symbols that defined perceptions of women during the 1970s through the 1990s and how they brought about major changes for women.

Bottoms Womenclimate212: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Bottoms Womenclimate212 : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
