**Stalking the Scratch Man** Chester Henry, 2020-03-24  
Hired to figure out whether his client's husband, Ray, has been sleepwalking or just faking it, Truman pulls his best friend, Celeste, into the mystery. The duo digs deep—rifling medical files, running late-night stakeouts, stalking witnesses in bars—to find there's more to it than Ray's secretive trips to Chinatown and his habit of macking on women. Truman tries to stay objective with his new crush, Larry, not sure how much he knows about the boss's lowlife activities, while Celeste contends with her own man troubles in the stalwart but suspicious Alejo. Celeste uses her stealthy instincts to interview the players without showing her hand as Truman, relying on his 1930s-era detective handbook, delves into the dark side of the import business. Join the bar-hopping, booze-swilling duo as their digging pushes things right to the edge, where Truman and Celeste have to figure out whether to do what's easy or do what's right.

Chemistry Matters H. Adrian Sexton, 2007-08  
In search of the proverbial good time, *Chemistry Matters* is a contemporary novel about two charismatic brothers who couldn't share more of a bond if they were actually brothers. Anton MAJAC Charles is a straight-shooting, Naval submarine officer whose only Achilles heel is wearing his heart on his sleeve. A hopeless romantic, Anton tries to free himself of the lonely life of a bachelor by diving head-first into courting the undeniably sexy Celeste. Jared Jaz Stevenson is a smooth-talking baritone, who was content leaving trails of broken hearts behind on his way to the NBA; that was, until he met a hot, spicy little thing from the Mississippi bayou who made him stand up and take notice. These lifelong best friends remained thick as thieves although distanced for several years. When reunited in San Diego, they find themselves intermingling with the sexes and entwined in a web of turbulent relationships. Heart-pumping sensuality and tantalizing dialogue provide an intricate elixir of machismo and naiveté to this emotional rollercoaster of a novel that really makes readers wonder how good real chemistry could be. Although love is a road worth traveling, MAJAC and Jaz must endure trials, tribulations, and love beautiful women while struggling to find out if ... *Chemistry Matters*.

**June First** Jennifer Hartmann,2023-11-21 From the author of Still Beating comes another standalone forbidden romance turning something broken into something beautiful. Want to know what happens to a man who barely claws his way out of a

tragedy, only to fall right into the arms of the one girl in the world he isn't allowed to love? Another tragedy, that's what. When Brant was six years old, his father made a choice that altered the course of his entire life. Because of what he did, the only girl Brant ever loved became the only girl he couldn't have. Though in a lot of ways, he did have her... He had her first steps, her first words, her first smile. He had her milestones, her heartbreaks, her dreams. He had her heart so woven in with his, he didn't know where she ended, and he began. Only, as the years pressed on, lines became blurred—and the blurrier the line, the easier it is to cross. They say tragedy comes in threes. For Brant, that was true. The first one changed him, the second one broke him, and the third one healed him. But at the center of all that tragedy, there is a love story. And at the center of that love story, there is June.

**A Lady's Guide to Selling Out** Sally Franson, 2018-04-10 With “elements of *The Bold Type*, *Mad Men*, and *The Devil Wears Prada*” (Entertainment Weekly), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she's a sellout, but Casey tells herself that she's just paying the bills—and she can't help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her former idols, she's shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life's work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year's biggest book festival rolls around in Las Vegas, it will take every ounce of Casey's moxie to undo the damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, *A Lady's Guide to Selling Out* is the story of a young woman untangling the contradictions of our era and trying to escape the rat race—by any means necessary. Praise for *A Lady's Guide to Selling Out* “Bitingly funny . . . [Sally] Franson's snappy debut nimbly skewers the high-flying world of advertising and romance in the age of social media. . . . Franson's irresistibly flawed heroine holds her own as she strives to find honesty, meaning, and even love in a demanding world, resulting in an addictive, escapist novel.”—Publishers Weekly “A high-spirited heroine loses herself in a vortex of modern striving in this debut novel. . . . Come for the hilarious narration, stay for the whirlwind plot, luxuriate in the satirical gleam.”—Kirkus Reviews “A wry, observant take on career success and ambition.”—New York Post “A book lover is torn between a cushy gig and . . . well, her soul, basically.”—Cosmopolitan
