For the Love of Bags Julia Werner, Dennis Braatz, 2015 Women love handbags because they are a perfect vehicle--not just for keys, credit cards, and lipstick, but also their dreams and desires. Luxury labels made the humble purse into a billion-dollar business in the 20th century, but the purse is more than just a status symbol. Because it is constantly being reinvented, it wields a greater influence on everyday fashion than any hemline or silhouette. 'For the Love of Bags' is a homage to the power of the pocketbook: from icons like the Kelly Bag, the first must-have item ever, to popular Paris fashion house labels and the latest Instagram stars, this book details the history of the it bag and decodes the messages handbags communicate. AUTHOR: Sandra Semburg studied film and acting in New York and has worked as a photographer for numerous magazines and labels, including Harper's Bazaar Germany, Welt am Sonntag and lala Berlin. She began traveling to the most important fashion shows as a street style photographer in 2010 and shares the latest trends on her blog, aloveisblind.com. SELLING POINTS: * A must for every purse lover and men looking for the perfect gift * An overview of the most famous classic bags as well as the latest and hottest Instagram stars * With street style photographs by Sandra Semburg 200 colour and b/w

Carried away Farid Chenoune, Musée de la mode et du textile (Paris), 2004

Carried Away Auckland Museum, 2019-06-03 The bag, and the handbag in particular, has achieved high fashion status, but what's the cultural and historical significance behind the bag? Why do we use them and not just have pockets? Why don't men routinely use them? Does every culture have a tradition of using bags? The Auckland Museum exhibition Carried Away: Bags Unpacked is a collection of 150 bags from their Applied Arts and Design Collection, a nationally significant research archive of key makers and designers from New Zealand and abroad, and this book serves as both a photographic record and an exploration of the symbolism and power behind bags. Grace Lai, curator of the collection, unpacks issues carried by the bag: of colonialism, the economy, consumption, gender politics, and whakapapa. Issues that remain relevant to not only museums and their collections but also to society today.

Bringing Home the Birkin Michael Tonello, 2008-07-08 An insider's hilarious, whirlwind account of his years spent globe-trotting in search of the holy grail of handbags: the Birkin For more than twenty years, the Hermès Birkin bag has been the iconic symbol of fashion, luxury, and wealth. Though the bag is often seen dangling from the arms of celebrities, there is

a fabled waiting list of more than two years to buy one from Hermès, and the average fashionista has a better chance of climbing Mount Everest in Prada pumps than of possessing one of these coveted carryalls. Unless, of course, she happens to know Michael Tonello . . . Michael's newfound career started with an impulsive move to Barcelona, a vanished job assignment, no work visa, and an Hermès scarf sold on eBay to generate some quick cash. But soon the resourceful Michael discovered the truth about the waiting list and figured out the secret to getting Hermès to part with one of these precious bags. Millions of dollars worth of Birkins later, Michael had become one of eBay's most successful entrepreneurs—and a Robin Hood to thousands of desperate rich women. With down-to-earth wit, Michael chronicles the unusual ventures that took him to nearly every continent, from eBay to Paris auction house and into the lives of celebrities and poseurs. Flirting with danger, Michael recounts the heady rush of hand delivering his first big score to famed songwriter Carole Bayer Sager in Paris; how he had to hire thugs to rescue a bag that one of his shoppers held for ransom; and the story of the Oscar-worthy performances that allowed him to snag reserved bags from other, less dogged Birkin seekers. Whether he's relating his wining and dining, buying and selling, dodging and weaving, laughing and crying, or schmoozing and stammering, Michael is a master raconteur who weaves together tales of hunting Birkins in the world's most posh locales, memories of meals that would make any gastronome salivate, anecdotes of obsessed collectors with insatiable desires, and sweetly intimate stories about his family, friends, and finding true love. The result is a memoir that is distinctive, fun, page-turning, and as addictive as its namesake.

My Only Bag Michael Balaguera, 2021-09 As the world turns, things change. Our life cycle is full of memories. Those memories tell my adventures from childhood through adulthood. Some full of joy, some are full of despair, panic and pain. This book shares my story as my story needs to be told and read by many. MY ONLY BAG is a bag I brought from Belen, Boyaca, Colombia with only a few personal items but full of my childhood memories. It also contained all my dreams, which now can be opened by many to enjoy the growth of one man to a large family and all the goodness and goodies of my life...MY ONLY BAG.

From Bags to Riches Suzanne Austin,2021-05 At the age of fifteen, Suzanne found herself on the streets with no where to go. Although she had some loving, caring adults in her life during the formative years-her aunt, uncle and grandmother-everyone who looked out for her and her brother had died by the time she turned twelve. After suffering abuse from her mom's boyfriends on various occasions, the courts took her from her home. After running away from county shelters, Suzanne was determined to take care of herself. One night, she saw an ad in the evening paper looking for dancers. They were paying a few hundred dollars a week. That was great money at the time, and she thought, well, I can dance. Her dream was to be on TV and have her name in lights on the Vegas strip, so she figured this was her shot. Suzanne would spend the next thirty years dancing at strip clubs. During this time she developed some great friendships with other girls as they discussed their daddy issues. In her late twenties Sue enrolled in a comedy competition through a radio station in her hometown of Pittsburgh PA. She had no idea at the time how this would change the course of her life. Through combining her stripper act and love for comedy, she created the character of Bag Lady Sue. The Bag Lady has been entertaining audiences-especially at biker rallies and veteran's charities-all across the United States for the past thirty years. Sue takes you through her deepest struggles to her greatest victories, and all the men in between. You will laugh, cry? and blush.
