For the Love of Bags Julia Werner, Dennis Braatz, 2015 Women love handbags because they are a perfect vehicle--not just for keys, credit cards, and lipstick, but also their dreams and desires. Luxury labels made the humble purse into a billion-dollar business in the 20th century, but the purse is more than just a status symbol. Because it is constantly being reinvented, it wields a greater influence on everyday fashion than any hemline or silhouette. 'For the Love of Bags' is a homage to the power of the pocketbook: from icons like the Kelly Bag, the first must-have item ever, to popular Paris fashion house labels and the latest Instagram stars, this book details the history of the it bag and decodes the messages handbags communicate. AUTHOR: Sandra Semburg studied film and acting in New York and has worked as a photographer for numerous magazines and labels, including Harper's Bazaar Germany, Welt am Sonntag and lala Berlin. She began traveling to the most important fashion shows as a street style photographer in 2010 and shares the latest trends on her blog, aloveisblind.com. SELLING POINTS: * A must for every purse lover and men looking for the perfect gift * An overview of the most famous classic bags as well as the latest and hottest Instagram stars * With street style photographs by Sandra Semburg 200 colour and b/w

From Bags to Riches Suzanne Austin, 2021-05 At the age of fifteen, Suzanne found herself on the streets with no where to go. Although she had some loving, caring adults in her life during the formative years-her aunt, uncle and grandmother- everyone who looked out for her and her brother had died by the time she turned twelve. After suffering abuse from her mom's boyfriends on various occasions, the courts took her from her home. After running away from county shelters, Suzanne was determined to take care of herself. One night, she saw an ad in the evening paper looking for dancers. They were paying a few hundred dollars a week. That was great money at the time, and she thought, well, I can dance. Her dream was to be on TV and have her name in lights on the Vegas strip, so she figured this was her shot. Suzanne would spend the next thirty years dancing at strip clubs. During this time she developed some great friendships with other girls as they discussed their daddy issues. In her late twenties Sue enrolled in a comedy competition through a radio station in her hometown of Pittsburgh PA. She had no idea at the time how this would change the course of her life. Through combining her stripper act and love for comedy, she created the character of Bag Lady Sue. The Bag Lady has been entertaining audiences- especially at biker rallies and veteran's charities- all across the United States for the past thirty years. Sue takes you through her deepest struggles to her greatest victories, and all the men in between. You will laugh, cry? and blush.

Why Girls Love Bags Georgina Harris, 2010-10 From diamante clutches to the classic Chanel, the dependable tote to the frivolous fringe, bags are a lifelong passion. Adore them with this fun, stylish little book. You've got the dress, you've got the shoes - but no outfit is complete until you've got the bag. From Hermes to Prada, leather to suede, bags matter. On average, women use three handbags regularly, changing to match their outfit and mood. By day, she might have an oversized slouch bag, with easygoing, modern style, but by night, she's carrying her tiny black velvet evening bag, looking classically chic. In this gorgeous gift book, you'll find all the different kinds of handbag, from clutches to totes and shoulder bags. Delve into these pages for a bag-fantasy world of everything you could ever imagine in bag heaven, and smile at the fun facts and witty quotes, all illustrated with Sam Wilson's quirky, colourful artworks. This is the perfect present for the bag addict in your life.

How to Tell a Woman by Her Handbag Kathryn Eisman, 2008 What does your bag say about you? Does your 'it' bag reveal you to be a style-obsessed fashionista who will do anything or anyone to get ahead? Are you the floral straw-bag girl with squeaky clean hair and a heart full of dirty secrets? Perhaps you're the mink purse-carrying minx who has turned divorce into

a profession, or the briefcase-wielding high-flyer whose favourite form of exercise is climbing the corporate ladder? With forensic precision and cutting wit, Kathryn Eisman helps us to identify our own handbag personas and those of our family, friends and foes. From the 'I don't mind being daggy as long as I'm comfortable' bum-bag lover to the Hermes-clutching-heiress, we are all bag ladies - now it's time to discover exactly which one.

Juergen Teller: Handbags Juergen Teller,2019 In 1999 I did a book called Go-Sees where girls came knocking on my door over a one-year period to show their portfolio and themselves. Recently, walking through Paris, I found myself thinking what work I would exhibit in my upcoming museum show in Naples. Handbags, I'm just gonna do a handbag book and a show. It felt like another Go-Sees book to me. Friends of my girlfriend were asking me what kind of a photographer I am, what I photograph. I replied: 'Actually, come to think of it, mostly handbags.' I always like their astonished and disappointed faces! I realized through the 30 years of my career, I photographed a hell of a lot of handbags within my fashion work. And as the Americans once said to me, 'Where's the money shot?' I looked at them puzzled. 'Show me the money shot!' they repeated. Here they are: the money shots in this collection of images for my new book. Juergen Teller

M & M and the Big Bag ,

Diary of a Mad Bag Lady Meria Cairns,2020-10-14 If Kurt Vonnegut, Barbara Ehrenreich and George Carlin had a threesome to make a baby, this book would not be it, though it does come close. (Could be that baby's spooky, weird cousin?) Here is a personal account from a starving artist who goes from living paycheck-to-paycheck (struggling to make it) to becoming homeless. This book is philosophical, insightful, humorous, personal and political. Yes, the personal is political! What does an English major do when she graduates from a top college with honors, spends some years paying her dues (pretty expensive dues!) then finds herself destitute, owning nothing but the shadow of student loan debt that hangs ominously over her homeless head? Well, she writes about it, of course. What? A book about poverty and homelessness written by someone who's actually experienced both? In trying to end poverty, shouldn't we look at solutions proposed by famous celebrities and millionaires? After all, doesn't the cream naturally rise to the top in the United States? Aren't the rich inherently superior? Creamy? Milky? Ever so white? Lactose, casein and whey-endowed? Liar! Liar! American pants on fire! Somebody hose me down! Ouch! What do you think about homeless people? Are they all addicts? Mentally ill? Lazy people who don't want to work? Inept capitalists who don't know how to save while they're spending? Here is my indecent proposal:

Everything you know about homelessness is wrong. We happily support the addictions of wealth-endowed celebrities (go to their films, concerts, etc.) while we fret over giving a dollar to a homeless person. Why? We hear of criminal acts committed by the wealthy all the time-Jeffrey Epstein, Harvey Weinstein, Bill Cosby, Phil Spector, R. Kelly, etc., but we continue to criminalize the poor. Why? So... How is the American Dream Dystopia (A.D.D.) working out for you? Are you rich yet? Working hard enough yet? Acquired enough debt? Are you wealth-endowed? Sorry, folks. Nothing to see here. Nothing to see. Nothing more to write, so nothing to see. To read more of my thoughts, buy this book. Better yet, feed a starving artist. Buy this book and share it with all of your friends!
