Kenobi: Star Wars Legends John Jackson Miller, 2013-08-27 NEW YORK TIMES BESTSELLER • The Republic has fallen. Sith Lords rule the galaxy. Jedi Master Obi-Wan Kenobi has lost everything . . . everything but hope. Tatooine—a harsh desert world where farmers toil in the heat of two suns while trying to protect themselves and their loved ones from the marauding Tusken Raiders. A backwater planet on the edge of civilized space. And an unlikely place to find a Jedi Master in hiding, or an orphaned infant boy on whose tiny shoulders rests the future of a galaxy. Known to locals only as “Ben,” the bearded and robed offworlder is an enigmatic stranger who keeps to himself, shares nothing of his past, and goes to great pains to remain an outsider. But as tensions escalate between the farmers and a tribe of Sand People led by a ruthless war chief, Ben finds himself drawn into the fight, endangering the very mission that brought him to Tatooine. Ben—Jedi Master Obi-Wan Kenobi, hero of the Clone Wars, traitor to the Empire, and protector of the galaxy’s last hope—can no more turn his back on evil than he can reject his Jedi training. And when blood is unjustly spilled, innocent lives threatened, and a ruthless opponent unmasked, Ben has no choice but to call on the wisdom of the Jedi—and the formidable power of the Force—in his never-ending fight for justice.

But he struggles with his new mission when he realizes that protecting Luke Skywalker--the last hope of the galaxy--means setting aside his compassion and his Jedi warrior training, for the future of the galaxy lies not with Obi-Wan Kenobi, but with a mystical desert recluse known only by the name of Crazy Old Ben.

Love & Other Cursed Things Krista Ritchie,Becca Ritchie,2022-01-11 From New York Times Bestselling Authors Krista & Becca Ritchie comes a sizzling new contemporary F/F romance set in a coastal town, swimming with secrets, lies, and deep familial bonds. Never fall in love in a cursed town. Tourists flock to Mistpoint Harbor to snap photos of the famous lighthouse, browse the Museum of Curses & Curiosities, and claim their "I survived the Most Cursed Town in America!" pin.

But for me, growing up in Mistpoint Harbor wasn't a vacation. Not when locals have a deep-seated loathing for my family. They hate my dad. They hate my older brothers. And they hate me--Zoey Durand, the girl who shrunk in high school at the taunts and jeers. Like a sad, wilted flower. If it wasn't for October Brambilla, life would've been a real living hell. But the moment I could leave my family's disgraced legacy and this cursed town behind, I did. And I vowed to never return. Until the phone call. My brother is in trouble, and I'd risk just about anything for my family. Even a curse. Even running into October Brambilla, the daughter of the wealthiest, most revered family in all of Mistpoint Harbor. She is town royalty. I'm town scum. She's a goddess and ice queen. I just want in-and-out. But she's my total weakness. And she's already been cursed. She wants me gone before I meet the same misfortune. The more she pushes, the more my heart is willing to go up against a stupid old town legend. But my head is telling me to run. No one returns to Mistpoint Harbor once they leave, and the longer I stay, the more I realize why.

Albion's Seed David Hackett Fischer,1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are Albion's Seed, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

I'm No Angel Kylie Bisutti,2013-05-14 In December 2011, 21-year-old Victoria's Secret Runway Angel Kylie Bisutti stunned the fashion industry when she chose faith over fame and fortune and made the switch from supermodel to role model. In I'm No Angel, Kylie shares her story—from her early years as she struggled to make it big in the cutthroat world of modeling, to her “big break” winning the Victoria's Secret Runway Angel competition, to the disillusionment and spiritual warfare that followed. After finally realizing that she could no longer reconcile her career with her Christian beliefs, she surrendered her life to God and dedicated her life to preaching a message of modesty and inner beauty. Along the way, Kylie talks about her personal struggles with inadequacy, low self-esteem, and her near-constant quest for approval in a world where you can never be thin enough, pretty enough, or sexy enough. She helps readers understand that true beauty lies within and that real fulfillment comes from knowing, loving, and serving Christ.
