The Taking of Jake Livingston Ryan Douglass,2021-10-12 A New York Times bestseller Get Out meets Holly Jackson in this YA social thriller where survival is not guaranteed. Sixteen-year-old Jake Livingston sees dead people everywhere. But he can't decide what's worse: being a medium forced to watch the dead play out their last moments on a loop or being at the mercy of racist teachers as one of the few Black students at St Clair Prep. Both are a living nightmare he wishes he could wake up from. But things at St Clair start looking up with the arrival of another Black student – the handsome Allister – and for the first time, romance is on the horizon for Jake. Unfortunately, life as a medium is getting worse. Though most ghosts are harmless, Sawyer Doon wants much more from Jake. In life, Sawyer was a troubled teen who shot and killed six kids at a local high school before taking his own life. Now he's a powerful, vengeful ghost and he has plans for Jake. High school has become a different kind of survival game – one Jake is not sure he can win.

A. D. Livingston's Mastering the Cast-Iron Skillet A. D. Livingston,2019-09-01 Frying and sautéing steaks, fish, and other foods in a skillet may seem like a simple procedure, but with a careful eye to the different techniques, one can easily make a dish go from ordinary to extraordinary. In Mastering the Skillet, A. D. Livingston demonstrates that if you enjoy good eating and take pleasure in your cooking, a skillet may be the only pan you need. Cast-iron pans are a favorite for Livingston and he shares all of his favorite cast-iron cooking recipes in this book. Livingston also goes into complete detail for seasoning

and care for one of the world's most perfect skillets. With chapters on: * Skilletmanship * Beef and pork * Burgers * Poultry and fowl * Venison and game * Fish and shellfish * Skillet vegetables * Skillet breads * Breakfasts * Skillet gravy * Cast-Iron Skillet Specialties Featuring more than 150 delicious recipes—with complete, easy-to-follow cooking instructions for such treats as Sumac Trout, Cross Creek Crackling Bread, Versatile Venison Burgers, Steaks Cognac, and Sopchoppy Pancakes—A.D. Livingston's *Mastering the Skillet* is ideal for both novice and advanced chefs.

The Livingstons of Livingston Manor Edwin Brockholst Livingston, 2023-08-01 The Livingstons of Livingston Manor provides a rich history of one of the most important families in the early history of New York State as well as the fledgling nation. Livingston Manor—granted to Robert Livingston the Elder (1654–1728) via royal charter from King George I of Britain in 1716—embraced 160,000 acres, including nearly all of what is today Columbia County as well as much of Sullivan and Delaware Counties. The primary family estate in Germantown, NY, where the leaders of the clan lived for more than two hundred years starting in 1728, Clermont on the Hudson River, is now a New York State Historic Site. Succeeding generations included Chancellor Robert R. Livingston (1746–1813) who served on the famed Committee of Five charged with drafting the Declaration of Independence. Other members of the clan also played major roles in New York State as well as nationally. Philip Livingston (1716–1778, known in the family as Philip the Signer) was a delegate to the Continental Congress from New York and signed the Declaration of Independence; William Livingston (1723–1798) was a Delegate to the Constitutional Convention and a signatory to the US Constitution. Descendants of the Livingstons include the Bush clan, Eleanor Roosevelt (through her mother), and former New Jersey Governor Thomas H. Kean. First privately published in 1910, this long-unavailable history illuminates several generations of the Livingston clan and their impact on the fledgling and growing United States.

Debating the Issues in Colonial Newspapers David A. Copeland, 2000-08-30 For every major event or issue of the colonial period, newspapers printed the opinions of the day, in many cases attempting to influence public opinion. Issues such as medical discoveries, education, and censorship are covered in this collection along with important events such as the French and Indian War, the trial of John Peter Zenger, and the Boston Massacre. Each chapter introduces the event or issue and includes news articles, letters, essays, even poetry representing both sides of the argument as they affected Americans. Each document is preceded by an explanatory introduction. This is the only collection of primary source documents from colonial newspapers on the events of the era and will be a valuable tool for research and classroom discussion.

Forming American Politics Alan Tully,2019-12-01 Originally published in 1994. In this pathbreaking book Alan Tully offers an unprecedented comparative study of colonial political life and a rethinking of the foundations of American political culture. Tully chooses for his comparison the two colonies that arguably had the most profound impact on American political history—New York and Pennsylvania, the rich and varied colonies at the geographical and ideological center of British colonial America. Fundamental to the book is Tully's argument that out of Anglo-American influences and the cumulative character of each colonial experience, New York and Pennsylvania developed their own distinctive but complementary characteristics. In making this case Tully enters—from a new perspective—the prominent argument between the classical republican and liberal views of early American public thought. He contends that the radical Whig element of classical republicanism was far less influential than historians have believed and that the political experience of New York and Pennsylvania led to their role as innovators of liberal political concepts and discourse. In a conclusion that pursues his insights into the revolutionary and early republican years, Tully underlines a paradox in American political development: not only were the pathbreaking liberal politicians of New York and Pennsylvania the least inclined towards revolutionary fervor, but their political language and concepts—integral to an emerging liberal democratic order—were rooted in oligarchical political practice. A momentous contribution to the burgeoning literature on the middle Atlantic region, and to the vexed question of whether it constitutes a coherent cultural configuration. Tully argues persuasively that it does, and his arguments will have to be reckoned with like few that have gone before, even as he develops an array of differences between the two colonies more subtle and penetrating than any of his predecessors has ever put forth.—Michael Zuckerman, University of Pennsylvania.

A.D. Livingston's Big Book of Meat A. D. Livingston,2018-05-01 From the legendary food columnist for Gray's Sporting Journal, three of his good-humored, savvy, and down-to-earth cookbooks in one package From the late A.D. Livingston, longtime columnist for Gray's Sporting Journal and renowned cookbook author who poured a lifetime of Southern culinary knowledge into his beloved cookbooks—three of his bestselling cookbooks in one amazing package! A.D. Livingston's Big Book of Sausage, Jerky, and Smoked and Salted Meats gives every country cook—and sportsmen in particular—a down-to-earth guide to delicious ways to prepare pork, venison, beef, chicken, fish, and more by an author called "an American master."
