*Jeans* Nancy Robinson Masters, 2007-08-01 Readers will find out more about the history of Jeans worldwide, and how Jeans are made, from the cotton picked from the fields to the processing plant and onto jean and clothing stores worldwide, making Jeans truly a Global Product.

Boys Pull Your Pants Up!!! Jewelene Banks, 2008-06 Banks asserts that the trend of wearing saggy pants started during American slavery. She maintains that appearances add to credibility, and that the saggin' fad should be abandoned.

Levi Strauss Gets a Bright Idea Tony Johnston, 2011 Retells, in tall-tale fashion, how Levi Strauss went to California during the Gold Rush, saw the need for a sturdier kind of trouser, and invented jeans.

**The Quest for Trousers** James West, 2013-07 After three days without his lovely pants or trousers our dimwitted hero sets out on a quest; a quest for trousers. Imagining the devastation his silky smooth beauties could bring upon this world he gets in touch with his four best friends to track them down. Through hunger pains and somewhat delusional ideas of how the world really works he presses on. He presses on through this horrible world with only one thing on his mind, the safety of his trousers. Through this adventure he comes up with conclusions ranging from new gaming systems to a possible terrorist threat. Regardless of how much he tries to make sense of things it seems that everything just becomes a little more confusing. Wrote intending to confuse the reader and the writer I bring you *The Quest for Trousers*. Included along with this short story are a few poems I wrote therapeutically; and another very short story about a lonely man trying to find meaning in this world.

Eradicating the Saggy Pants Syndrome in America Lawrence V. Bolar, 2013-08-13 Eradicating the Saggy Pants Syndrome in America Now is forged to empower the minds of each reader to make an intelligent decision regarding this style of dress. I sincerely believe once each reader has had the opportunity to review the literature this behavior will be discouraged and soon discontinued. The overall demure is to bring closure to this fashion frenzy that has lasted over two decades in America.

The research will unfold that the behavior was encouraged by both female and male students. It is my opinion that male peers encouraged one another through modeling this ridiculous behavior. It is further supported that females consistently provide verbal praise and encouragement to young men to the degree that they felt empowered to continue this fashion imprudence.
