The many stories contained in this hardcover are fast-paced and sport terrific, compelling artwork as only Steve Ditko can draw it! The genres show the artist's great range. My First Pair of Shorts Michael Felsen,2019-12-15 My First Pair of Shorts is just that! Being that this is my first two short stories I am publishing, I want to start off with these two stories that have nice twists and turns along the way. The first story is about two teenage boys who manage to get into a situation right after their last class of their Junior year in High School. The second story is a detective story and let's just say that it a fun story that centers around one man and things that happen around holidays. Both stories are easy to read and members of my family that have read them have come away with the same remarks. The main one is that they couldn't put them down and wanted to continue to read to see what happens next. So, how about checking out my First Pair of Shorts. Of course, down the line there will be additional shorts but it has to start with the first pair. Enjoy!

Williamsburg Shorts Lucio Zago,2017-06-23 For 23 years, Lucio Zago has lived on the busy intersection of Grand and Lorimer Street in Williamsburg, at a nexus between Caribbean, Italian, and Hasidic Jewish communities. Shorts in a Wad: One Hundred 100-Word Stories Steve Krodman,2007-05-01 Some stories require a Giant Economy-Size Canvas upon which to paint their portrait of the world, as readers of Tolstoy, Pynchon, Dickens, and Hugo will attest. But there is something to be said for the short story... and, by extension, the Ridiculously Short Story. There's not a lot of time or space for character development, intricately layered plots, or adjective-packed scenery. With a fixed-length format, every word has got to count. Quick and punchy rule the day. In his first collection of stories, Steve Krodman covers a lot of ground - familiar characters and places, cringe-inducing puns, tender nostalgia, and the outright silly - all in baby steps of exactly one hundred words apiece. Devour them all at once or savor them one at a time? You decide.

Incisive Shorts George C. Wilson,2004-06 What intrigues me about this author's effort is the way he utilizes concise, yet, descriptive words to paint a thought, scene and even intrigue. He utilizes the true definition of anticipation.
