Tom Munro Tom Munro,2010 One of today's foremost fashion and celebrity photographers, Tom Munro has been making defining images since the mid-1990s. Munro achieves his results by encouraging his subjects to reinterpret their personalities for his lens, reveling in seductive roleplay or darkly-lit melodrama. The subjects gathered here include some of the biggest names in pop culture today--Ashton Kutcher, Brooke Shields, Charlotte Gainsbourg, Christina Ricci, Courtney Love, Daniel Craig, Dustin Hoffman, Ewan McGregor, Isabella Rossellini, Jake Gyllenhaal, Jennifer Aniston, Johnny Depp, Jude Law, Julianne Moore, Justin Timberlake, Lauren Hutton, Leonardo DiCaprio, Linda Evangelista, Madonna, Marion Cotillard, Matt Dillon, Matthew McConaughey, Naomi Campbell, Patrick Dempsey, Rob Lowe, Scarlett Johansson, Stephanie Seymour and Tom Cruise, to name only a few. This volume--Munro's first monograph--affirms his status as a portraitist of the first rank.English by birth, Tom Munro moved to New York in 1990, embarking on his own career as a photographer in 1997, and achieving overnight success with his early editorial shoots for British Vogue and Harper's Bazaar. Over the last ten years, Munro has contributed to some of the world's most prestigious magazine publications including Vogue, Italian Vogue, L'Uomo Vogue, Russian Vogue, China Vogue and Details. Munro's dedication to his craft has attracted some of the fashion and beauty industries' most prestigious names, including Armani, Banana Republic, Burberry, Calvin Klein, Converse, Gap, Givenchy, Hugo Boss, Lacoste, L'Oreal, Moschino, as well as music icons such as Beyoncé, Justin Timberlake and Madonna. Most recently Munro directed Madonna's music video Give it to Me, the success of which led to him directing a second video, Die Another Day, and shooting the book for her Sticky and Sweet world tour.

Chains Laurie Halse Anderson,2010-01-05 If an entire nation could seek its freedom, why not a girl? As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She

is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom. From acclaimed author Laurie Halse Anderson comes this compelling, impeccably researched novel that shows the lengths we can go to cast off our chains, both physical and spiritual.

Catherine Breillat Douglas Keesey, 2016-05-16 This is the first English-language book on controversial female director Catherine Breillat, whose films include *Romance*, *A ma soeur! (Fat Girl)*, *Anatomy of Hell* and *The Last Mistress*. This volume explores the director's complex relation to religion and to feminism, and it examines the differences between Breillat's films and patriarchal pornography, engaging in detailed analysis of her intimate scenes between men and women. Keesey also discusses the literature, films, paintings and photos that have influenced Breillat's work, and extends this to show how Breillat's films have influenced other filmmakers and artists in turn. A lively and accessible introduction, this book will appeal to students and researchers, as well as all those with an interest in gender studies, French film and contemporary cinema.

House of Bondage, 2019-03 First published in the United States in 1967 and in Britain in 1968, *House of Bondage* presented images from South Africa that shocked the world. The young African photographer had left his country at 26 to find an audience for his stunning exposure of the system of racial dominance known as apartheid. In 185 photographs, Cole's book showed from the vantage point of the oppressed how the system closely regulated and controlled the lives of the black majority. He saw every aspect of this oppression with a searching eye and a passionate heart. *House of Bondage* is a milestone in the history of documentary photography, even though it was immediately banned in South Africa. In a *Chicago Tribune* review of 1967 Robert Cromie described it as one of the frankest books ever done on South Africa--with photographs by a native of that country who would be most unwise to attempt to return for some years. Cole died in exile in 1990 as the regime was collapsing, never knowing when his portrait of his homeland would finally find its way home. Not until the Apartheid Museum in Johannesburg mounted enlarged pages of the book on its walls in 2001 were his people able to view

these pictures, which are as powerful and provocative today as they were 50 years ago.

No Good Deed Dean Wesley Smith, Kristine Kathryn Rusch, 2001 A father whose daughter is dying kidnaps Michael in a desperate bid to help her.

The Alamo Reader Todd Hansen, 2003 If everyone was killed inside the Alamo, how do we know what happened? This surprisingly simple question was the genesis for Todd Hansen's compendium of source material on the subject, *The Alamo Reader*. Utilising obscure and rare sources along with key documents never before published, Hansen carefully balances the accounts against one another, culminating in the definitive resource for Alamo history.

Perspectives on the Philosophy of William P. Alston Heather D. Battaly, Michael Patrick Lynch, 2005 One of the most influential analytic philosophers of the late twentieth century, William P. Alston is a leading light in epistemology, philosophy of religion, and the philosophy of language. In this volume, twelve leading philosophers critically discuss the central topics of his work in these areas, including perception, epistemic circularity, justification, the problem of religious diversity, and truth. Together with Alston's vigorous responses, these articles make significant new contributions to the literature and will be of interest to a wide range of philosophers and students. In addition, the volume contains a comprehensive introduction and overview of Alston's work and a complete bibliography of his publications

Proven Men Joel Hesch, 2013-08 This is a weekly guide for two men meeting in accountability as Network Partners while using The 12-Week Study to a PROVEN Path to Sexual Integrity. Linking up with other Proven Men is one of six essential elements to the Proven Path leading to lasting victory over struggles with sexual integrity. Networking is often the one missing ingredient and the reason so many men's lives are like a rollercoaster with respect to purity. Let's face it; we all need accountability. But we also need support and encouragement. When you wrap these together, we call it a network partner. In fact, God designed you to be connected to others in such a manner that lasting freedom normally won't work unless you walk the road to victory together with a network partner. Not everyone has access to a Proven Men support group, so we've also created this guide for two men to meet weekly as network partners. The process is quite simple. Each man works through the companion 12-week Study, and for 13 weeks they meet weekly together to discuss what they learned and how to apply it in their lives. This guide takes men step by step through each hourly meeting each week. The guide even includes discussion questions and establishes a structure for the meetings so everyone will be able to confidently engage in biblical networking. This guide is different from our other Leader's Guide, named *The Leaders Guide to Hosting Support Groups Using the 12-Week Workbook to a PROVEN Path to Sexual Integrity*, because that guide equips a man to form and lead small support groups. This guide is for two men meeting together; but neither man needs to be a leader. It works perfectly well for two men who each are struggling with sexual integrity and are willing to include the essential networking element of a Proven Life.

It's time to join the brotherhood of Proven Men and link up with a network partner while working through The 12-Week Study to a PROVEN Path to Sexual Integrity.

For the first time, master aquarist Eric Borneman offers an authoritative, comprehensive, and fully illustrated guide to appropriate aquarium species, including a diversity of soft corals, as well as popular and rare large-polyp and small-polyp stony corals. World-class photographs and text reviewed by leading coral biologists and coral keepers guides the reader through the selection and husbandry of hundreds of species.
