Julio Cortázar

Letters from Mom Julio Cortázar, 2022-01-25 Luis and Laura, an Argentine couple looking for a new beginning, settle in France, connected to their former home only through occasional letters from Luis's mother in Buenos Aires. But when a name from the past appears in an otherwise unremarkable letter, it comes with a dark shadow. What emerges is a psychological study of grief swirling with guilt, equal parts love-triangle and ghost story. Letters from Mom is one of Julio Cortázar's most beloved short stories, part of the same collection (Las armas secretas) that gave us Blow-up and At Your Service. It is translated here into English for the first time.

The Tree of Hands Ruth Rendell, 1986-02-12 A daughter's grief . . . A mother's madness . . . And a daring act of love that defied every law . . . “The best mystery writer anywhere in the English-speaking world.”—The Boston Globe Mopsa, driven by a past scarred by madness and violence. Benet, stricken by the most grievous loss any woman can bear. Carol, trapped in a life of crushing drabness no lover can change. Three mothers joined by a single thread of terror, whirled into a spiral of kidnapping, murder, and a final, reckless affirmation of love. Praise for *The Tree of Hands* “A consummate artist who commands style, plot and character . . . A storyteller of a high order.”—Washington Post “An excellent piece of suspense writing.”—San Diego Union “Densely plotted, deeply emotional . . . The design of this book is brilliant. . . . It moves forward in a series of inexorable events that leave the reader panting from suspense and shaken from the sheer emotion of it all.”—Cleveland Plain Dealer “Here is Ruth Rendell at the top of her form—topping it, in fact, with a suspense chiller enchanted by a contemporary topicality that strikes to the heart.”—Judith Christ
