Undeclared: Jim Thorpe and the Carlisle Indian School Football Team Steve Sheinkin, 2017-01-17 A great American sport and Native American history come together in this true story for middle grade readers about how Jim Thorpe and Pop Warner created the legendary Carlisle Indians football team, from New York Times bestselling author and Newbery Award recipient Steve Sheinkin. "Sheinkin has made a career of finding extraordinary stories in American history." —The New York Times Book Review A Boston Globe-Horn Book Nonfiction Honor Book A New York Times Notable Children's Book A Washington Post Best Book Undeclared: Jim Thorpe and the Carlisle Indian School Football Team is an astonishing underdog sports story—and more. It's an unflinching look at the U.S. government's violent persecution of Native Americans and the school that was designed to erase Indian cultures. Expertly told by three-time National Book Award finalist Steve Sheinkin, it's the story of a group of young men who came together at that school, the overwhelming obstacles they faced both on and off the field, and their absolute refusal to accept defeat. Jim Thorpe: Super athlete, Olympic gold medalist, Native American Pop Warner: Indomitable coach, football mastermind, Ivy League grad Before these men became legends, they met in 1907 at the Carlisle Indian Industrial School in Pennsylvania, where they forged one of the winningest teams in American football history. Called the team that invented football, they took on the best opponents of their day, defeating much more privileged schools such as Harvard and the Army in a series of breathtakingly close calls, genius plays, and bone-crushing hard work. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum. "Along with Thorpe's fascinating personal story, Sheinkin offers a thought-provoking narrative about the evolution of football and the development of boarding schools such as the Carlisle Indian School." —The Washington Post Also by Steve Sheinkin: Bomb: The Race to Build—and Steal—the World's Most Dangerous Weapon The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War The Port Chicago 50: Disaster, Mutiny, and the Fight for Civil Rights Which Way to the Wild West?: Everything Your Schoolbooks Didn't Tell You About Westward Expansion King George: What Was His Problem?: Everything Your Schoolbooks Didn't Tell You About the American Revolution Two Miserable Presidents: Everything Your Schoolbooks Didn't Tell You About the Civil War Born to Fly: The First Women's Air Race Across America

Undefeated: Jim Thorpe and the Carlisle Indian School Football Team Steve Sheinkin, 2017-01-17 When superstar athlete Jim Thorpe and football legend Pop Warner met in 1904 at the Carlisle Indian Industrial School in Pennsylvania, they forged one of the winningest teams in American football history. Called the team that invented football, they took on the best opponents of their day, defeating much more privileged schools such as Harvard and the Army in a series of breathtakingly close calls, genius plays, and bone-crushing hard work. But this is not just an underdog story. It's an unflinching look at the persecution of Native Americans and its intersection with the beginning of one of the most beloved--and exploitative--pastimes in America, expertly told by nonfiction powerhouse Steve Sheinkin.

Gearheads Brad Stone, 2007-11-01 In the early nineties, a visionary special-effects guru named Marc Thorpe conjured a field of dreams different from any the world had seen before: It would be framed by unbreakable plastic instead of cornstalks; populated not by ghostly ballplayers but by remote-controlled robots, armed to the steely teeth, fighting in a booby-trapped ring. If you built it, they'd come all right.... In *Gearheads*, Newsweek technology correspondent Brad Stone examines the history of robotic sports, from their cultish early years at universities and sci-fi conventions to today's televised extravaganzas -- and the turmoil that threatened the whole enterprise almost from the beginning. By turns a lively historical narrative, a legal thriller, and an exploration of a cultural and technological phenomenon, *Gearheads* is a funny and fascinating look at the sport of the future today.

Thunderstrike! Michael McCollum,2020-10-01 The new comet found near Jupiter was an incredible treasure trove of water-ice and rock. Immediately, the water-starved Luna Republic and Sierra Corporation, a leader in asteroid mining, were squabbling over rights to the new resource. But all thoughts of profit and fame were abandoned when a scientific expedition discovered that the comet's trajectory placed it on a collision course with Earth! As scientists struggled to find a way to alter the comet's course, world leaders tried desperately to restrain mass panic, and two lovers quarreled over the direction the comet was to take, all Earth waited to see if humanity had any future at all...

The Newcomers Helen Thorpe,2017-11-14 Traces the lives of twenty-two immigrant teens throughout the course of a year at Denver's South High School who attended a specially created English Language Acquisition class and who were helped to adapt through strategic introductions to American culture.

Path Lit by Lightning David Maraniss,2023-06-06 A biography of America's greatest all-around athlete that "goes beyond the myth and into the guts of Thorpe's life, using extensive research, historical nuance, and bittersweet honesty" (Los Angeles Times), by the bestselling author of the classic biography *When Pride Still Mattered*. Jim Thorpe rose to world fame as a mythic talent who excelled at every sport. Most famously, he won gold medals in the decathlon and pentathlon at the 1912 Stockholm Olympics. A member of the Sac and Fox Nation, he was an All-American football player at the Carlisle Indian School, the star of the first class of the Pro Football Hall of Fame, and played major league baseball for John McGraw's New York Giants. Even in a golden age of sports celebrities, he was one of a kind. But despite his awesome talent, Thorpe's life was a struggle against the odds. At Carlisle, he faced the racist assimilationist philosophy "Kill the Indian, Save the Man." His gold medals were unfairly rescinded because he had played minor league baseball, and his supposed allies turned away from him when their own reputations were at risk. His later life was troubled by alcohol, broken marriages, and financial distress. He roamed from state to state and took bit parts in Hollywood, but even the film of his own life failed to improve his fortunes. But for all his travails, Thorpe survived, determined to shape his own destiny, his perseverance becoming another mark of his mythic stature. *Path Lit by Lightning* "[reveals] Thorpe as a man in full, whose life was characterized by both soaring triumph and grievous loss" (The Wall Street Journal).

The Newcomers Helen Thorpe,2017-11-14 From the award-winning author of *Soldier Girls* and *Just Like Us*, an "extraordinary" (The Denver Post) account of refugee teenagers at a Denver public high school and their compassionate teacher and "a reminder that in an era of nativism, some Americans are still breaking down walls and nurturing the seeds of the great American experiment" (The New York Times Book Review). *The Newcomers* follows the lives of twenty-two immigrant teenagers throughout the course of the 2015-2016 school year as they land at South High School in Denver,

Colorado. These newcomers, from fourteen to nineteen years old, come from nations convulsed by drought or famine or war. Many come directly from refugee camps, after experiencing dire forms of cataclysm. Some arrive alone, having left or lost every other member of their original family. At the center of their story is Mr. Williams, their dedicated and endlessly resourceful teacher of English Language Acquisition. If Mr. Williams does his job right, the newcomers will leave his class at the end of the school year with basic English skills and new confidence, their foundation for becoming Americans and finding a place in their new home. Ultimately, “The Newcomers reads more like an anthropologist’s notebook than a work of reportage: Helen Thorpe not only observes, she chips in her two cents and participates. Like her, we’re moved and agitated by this story of refugee teenagers...Donald Trump’s gross slander of refugees and immigrants is countered on every page by the evidence of these students’ lives and characters” (Los Angeles Review of Books). With the US at a political crossroads around questions of immigration, multiculturalism, and America’s role on the global stage, Thorpe presents a fresh and nuanced perspective. The Newcomers is “not only an intimate look at lives immigrant teens live, but it is a primer on the art and science of new language acquisition and a portrait of ongoing and emerging global horrors and the human fallout that arrives on our shores” (USA TODAY).

The New York Times Encyclopedia of Sports: Track and Field Gene Brown, 1979 Traces the history of various indoor and outdoor sports as presented in articles appearing in the New York Times.

The Wake-Up Robert Ferrigno, 2007-12-18 When Frank Thorpe, a deeply moral former undercover operative, sees a hard-charging art dealer knock down a Latino child in LAX airport, he decides to teach him a lesson. But Thorpe's plans get a little out of hand, and Thorpe becomes immersed in a criminal underworld peopled by a drug dealing surfer with a socially-climbing wife, two mentally challenged goons with a penchant for violence, and a vicious Romanian named Vlad. The Wake-Up is an absolutely irresistible, outrageously comic thriller that starts off with a bang and never lets up until the end.

All American Bill Crawford, 2008-04-21 All American is riveting and grand-that rare pairing of exquisite writing and unassailable research. Crawford delivers you to an age when iconic titans like Jim Thorpe and Pop Warner marched across the planet, and he is the perfect guide to their enormous triumphs and tragedies. This is epic American history at its page-turning finest. -Bill Minutaglio, author of *City on Fire* and *First Son: George W. Bush and the Bush Family Dynasty* He was the greatest football running back of his era, leading his Carlisle Indian Industrial School team to victory over all the great college powerhouses. King Gustav of Sweden called him the greatest athlete in the world after he won gold medals for the decathlon and pentathlon at the 1912 Olympic Games. Yet Jim Thorpe was also at the center of the greatest sports scandal of the twentieth century-a scandal that took away his Olympic medals and banned him forever from intercollegiate sports. Now, in this revealing new biography, Bill Crawford captures Jim Thorpe's remarkable rise and fall. From his youth on Oklahoma's Sac and Fox Indian reservation to his astounding feats on the gridiron, from his Olympic triumphs to his complex relationship

with coach Pop Warner, who mentored, exploited, and ultimately betrayed him, *All American* brings you up close and personal with the greatest athlete of the twentieth century.

Soldier Girls Helen Thorpe, 2014-08-05 "A raw, intimate look at the impact of combat and the healing power of friendship" (People): the lives of three women deployed to Afghanistan and Iraq, and the effect of their military service on their personal lives and families—named a best book of the year by Publishers Weekly. "In the tradition of Adrian Nicole LeBlanc, Richard Rhodes, and other masters of literary journalism, *Soldier Girls* is utterly absorbing, gorgeously written, and unforgettable" (The Boston Globe). Helen Thorpe follows the lives of three women over twelve years on their paths to the military, overseas to combat, and back home...and then overseas again for two of them. These women, who are quite different in every way, become friends, and we watch their interaction and also what happens when they are separated. We see their families, their lovers, their spouses, their children. We see them work extremely hard, deal with the attentions of men on base and in war zones, and struggle to stay connected to their families back home. We see some of them drink too much, have affairs, and react to the deaths of fellow soldiers. And we see what happens to one of them when the truck she is driving hits an explosive in the road, blowing it up. She survives, but her life may never be the same again. Deeply reported, beautifully written, and powerfully moving, *Soldier Girls* is "a breakthrough work...What Thorpe accomplishes in *Soldier Girls* is something far greater than describing the experience of women in the military. The book is a solid chunk of American history...Thorpe triumphs" (The New York Times Book Review).

Through Flood & Fire Anne Patton, 2015-08-01 Dorothy's father has always dreamed of having his own farm. So, with the help of Dorothy, her family, and a community that comes together despite their different backgrounds, the Boltons set out with their wagons, horses, dogs, and belongings, to create a life for themselves on the vast prairie landscape. After travelling thousands of miles, Dorothy and her family have arrived in Canada, and are adjusting to their new lives on the prairies. Things are different than they were in England - even the small things like food and water have to be worked for - but Dorothy is excited for the adventure they've started. However, the Barr Colonists who arrived with Dorothy and her family are getting restless. Lack of food and other resources have caused many families to fall ill and go hungry, and the prairie and its weather are unforgiving. Fire and floods consume homes and supplies, and many promises made to the Colonists before leaving England have proven false. Will this colony of settlers have what it takes to put down lasting roots in this strange new world?
