

# Bottoms Womencolor53

**Tara T. Green**

**Naked** Ayana D. Byrd, Akiba Solomon, 2005 A collection of witty and insightful essays by African-American women of all ages and walks of life--including Iyanla Vanzant, Jill Nelson, Jill Scott, and Melyssa Ford--addresses a variety of issues related to body image, including hair texture, skin color, weight, sexuality, and acceptance. Original.

See Me Naked Tara T. Green, 2022-02-11 Lena Horne, Moms Mabley, Yolande DuBois, and Memphis Minnie were Black women who, despite their public profiles, discovered ways to enjoy pleasure in their public and private lives. See Me Naked looks at these women as representative of Black women who were watched, criticized, and judged by their families, peers, and, in some cases, the government. Despite the pressures of respectability, they lived extraordinary lives.

**Underneath It All** Amber J. Keyser, 2018-03-01 For most of human history, the garments women wore under their clothes were hidden. The earliest underwear provided warmth and protection. But eventually, women's undergarments became complex structures designed to shape their bodies to fit the fashion ideals of the time. In the modern era, undergarments are out in the open, from the designer corsets Madonna wore on stage to Beyoncé's pregnancy announcement on Instagram. This feminist exploration of women's underwear reveals the intimate role lingerie plays in defining women's bodies, sexuality, gender identity, and body image. It is a story of control and restraint but also female empowerment and self-expression. You will never look at underwear the same way again.

**The Women: Black Stockings 362** Opal Ingram,

**Bare** Elisabeth Eaves, 2002 It began when she was a teenager with an awareness of her body and the reaction other people had to it. It continued with the realization that women's bodies often gave them a strange power over men. As an adult, it became a fascination with professional sex workers, leading to a plunge into their world. And when Elisabeth Eaves left the world of peep shows and private dancers for the more socially acceptable career of international journalism, she found she could not put that fascination behind her. Her experiences had left her with too many questions and too few answers. So she returned to the world she had left behind. Now, in this candid and insightful book, she recounts her firsthand experience of stripping and gives us a new understanding of women's sexuality and contemporary sexual mores. Bare follows the author and her fellow dancers through Seattle strip clubs and bachelor parties, exploring in riveting detail Eaves's own motivations and behavior, as well as those of her coworkers, as they make their way through the sometimes

exhilarating, often disturbing world of stripping. Grounded in an understanding of the intricate dynamics of exchanging sexual services for money, Eaves's narrative examines the ways in which the work affects the women: how they negotiate the slippery boundaries between their jobs and their "real" lives; how their personal relationships are altered; how they reconcile themselves—or don't—to the stereotypes that surround their profession; whether the work is exploitative or empowering or both. In its unstinting honesty, Bared demands that we take a closer look at the way sexuality is viewed in our culture; what, if anything, constitutes "normal" desire; the ethics of swapping money—or anything else—for sex; and how women and men navigate the perilous contradictions and double standards that make up today's socio-sexual conventions. The stories Eaves tells—outrageous, funny, sad, and deeply affecting—provide an engrossing and unforgettable look at a group of women who have a lot to reveal, not only about one of America's largest and most taboo industries, but about the restrictions, joys, and hypocrisies of the world in which we all live.

Shadow on a Tightrope Lisa Schoenfielder, Barb Wieser, 1983 This now-classic collection of articles, personal stories, and poems by fat women about their lives and the fat-hating society in which we live. *Shadow on a Tightrope* also includes material previously distributed by Fat Liberation Publications.--BOOK JACKET.

*Hot & Heavy* Virgie Tovar, 2012-10-30 In this fun, fresh, fat-positive anthology, fat activist and sex educator Virgie Tovar brings together voices from an often-marginalized community to talk about and celebrate their lives. *Hot & Heavy* rejects the idea that being thin is best, instead embracing the many fabulous aspects of being fat—building fat-positive spaces, putting together fat-friendly wardrobes, turning society's rules into personal politics, and creating supportive, inclusive communities. Writers, activists, performers, and poets—including April Flores, Alysia Angel, Charlotte Cooper, Jessica Judd, Emily Anderson, Genne Murphy, and Tigress Osborn—cover everything from fat go-go dancing to queer dating to urban gardening in their essays, exploring their experiences with the word "fat," pinpointing particular moments that have impacted the way they think and feel about their bodies, and telling the story of how they each became fat revolutionaries. Ground-breaking and long overdue, *Hot & Heavy* is a fierce, sassy, thoughtful, authentic, and joyous collection of stories about unapologetically—and unconditionally—loving the body you're in.

*An Intimate Affair* Jill Fields, 2007-07-02 Publisher description

**Romance with Voluptuousness** Kamille Gentles-Peart, 2016-10-01 Offering a unique vantage point from which to view black women's body image and Caribbean migration, *Romance with Voluptuousness* illuminates how first- and second-generation immigrant black Caribbean women engage with a thick body aesthetic while living in the United States. Using personal accounts, *Romance with Voluptuousness* examines the ways in which black women with heritage in the English-speaking Caribbean participate in, perpetuate, and struggle with the voluptuous beauty standard of the black Caribbean while living in the hegemony of thinness cultivated in the United States. It highlights how black Caribbean women negotiate

issues of body image deriving from both Caribbean and American pressures to maintain a particular body shape and contend with discourses and practices surrounding the body that aim to marginalize and exclude them from economic, social, and political spaces. By focusing on diasporic Caribbean women's romance with voluptuousness, Kamille Gentles-Peart explores the transnational flow of beauty ideals and examines how ideas about beauty in the Caribbean diaspora help to shape the experiences of Caribbean black women in the United States.

*Dirty Looks* Pamela Church Gibson, Roma Gibson, 1993 No Marketing Blurb

**Best Black Women's Erotica 2** Samiya Bashir, 2003-03-01 Best Black Women's Erotica 2 showcases the hottest, most arousing, and surprising erotic literature by African American women writers. Representing a wide range of styles and voices, these 20 stories offer a steamy assortment of fiction from popular authors, including C. C. Carter, T'Ashia Asante, Dorothy Randal Gray, Carol Smith Passariello, Kiini Ibura Salaam, Shawn F. Rhea, Opal Palmer Adisa, R. Erica Doyle, Tara Betts, and Tracy Price-Thompson among others.

**Locker Room Diaries** Leslie Goldman, 2006-05-22 A riveting peek behind the locker room door of a beauty obsessed culture that reveals what women really think about their bodies

The Safe Sea of Women Bonnie Zimmerman, 1990 The first analysis of the extraordinary growth of lesbian fiction since the gay liberation movement began in 1969. Zimmerman (women's studies San Diego State U.) blends social history and literary criticism as she analyzes works by June Arnold, Judy Grahn, Barbara Harris, Lee Lynch, Kate Millett, Elana Dykewomon, Jane Rule, Joanna Russ, Sara Schulman, Monique Wittig, and other contemporary authors. Annotation copyrighted by Book News, Inc., Portland, OR

*Uncovered* Jordan Matter, 2008 In her foreword, author Susan Seligson states what all men and women already know: Breasts are an inexplicably big deal. Whether hidden under layers of clothing, half-revealed in the service of fashion (and flirtation) or laid brazenly bare, breasts matter. They demand response, provoke moral questions and force confrontation with the very notion of taboo. Over a period of six years, Jordan Matter photographed over 100 women bare-breasted in New York City. They varied in terms of age, education and profession. Every one was a volunteer. Every subject faced reactions to her decision to defy convention, and many confronted feelings of shame and inadequacy. But after the shoots, the women were unexpectedly euphoric--and Matter wondered just what he had uncovered. Many of the women agreed to interviews or wrote their own texts for this collection, revealing their journeys toward self-acceptance. The result is a remarkable chorus of shared experience, secret fears, optimism and wisdom. *Uncovered* celebrates the controversial female body. But it also honors the individual women who were willing to confront their culture and themselves. These are their images and their stories, in their own words. -- Publisher's description

**The Last Taboo** Karín Lesnik-Oberstein, 2006 'The Last Taboo' argues that body hair plays a central role in constructing

masculinity and femininity and sexual and cultural identities. It asks how and why any particular issue can become defined as 'self-evidently' too silly or too mad to write about.

**White Women Got Flat Butts** I. M. Blacque,1993-10-01

**Beautifully Handsome Women** Teresa Morcho-SiaoPao,2017-05-03 We pride ourselves in providing the world with positive high resolution images of the everyday queer Woman through fashion.

The Color of Kink Ariane Cruz,2016-06-21 Winner of the MLA's 2016 Alan Bray Prize for Best Book in GLBTQ Studies How BDSM can be used as a metaphor for black female sexuality. The Color of Kink explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality.

*Girls' Studies* Elline Lipkin,2009-10-06 Professors and students alike are taking interest in Girls' Studies—the socialization of girls versus boys—and beginning to analyze the impact of media, pop culture, messaging, and more on America's girls. Girls' Studies tackles socialization and gender expectations, body image, and media impact, and gives insight into girl empowerment and how to equip our girls for a brighter future.

*DEL-Body Outlaws* Ophira Edut,2000-09-29 Contains over twenty-five essays written by women about the relationship of their bodies to their self-images.
