**What's in the Panties?** Cheryl Lynn Smith,2017-07-27 Have you ever wondered why women select certain types of panties from day to day? Could there be a reason one style seems to stand out more than another? Is it the color? The material? Or could it be their mood? The outfit they're going to wear? Or, better yet, do certain styles of panties enhance feelings of excitement, happiness, success, or power? What's in the Panties? offers the answers to all of these questions through the fun, entertaining, and true-to-life relationship of Whitney and Trevor, a young couple learning the secrets to a successful marriage. Not only is Trevor understanding the importance of that question, What's in the panties? but he is learning how to guide Whitney through everyday life in a way that is beneficial to both her and their marriage. Through a uniquely crafted storyline, a bit of Panties 101 history, and action items for both men and women, What's in the Panties? is a book filled with tongue-and-cheek nuances which provoke intriguing thoughts and conversations designed to capture the reader's attention while subtly educating on the subject of gender communication.

*Underneath It All* Amber J. Keyser,2018-03-01 For most of human history, the garments women wore under their clothes were hidden. The earliest underwear provided warmth and protection. But eventually, women's undergarments became complex structures designed to shape their bodies to fit the fashion ideals of the time. In the modern era, undergarments are out in the open, from the designer corsets Madonna wore on stage to Beyoncé's pregnancy announcement on Instagram. This feminist exploration of women's underwear reveals the intimate role lingerie plays in defining women's bodies, sexuality, gender identity, and body image. It is a story of control and restraint but also female empowerment and self-expression. You

will never look at underwear the same way again.

**Tiny Ladies in Shiny Pants** Jill Soloway, 2005-09-14 From the creator and director of *Transparent* and Emmy nominated writer for *Six Feet Under* comes a hilarious and unforgettable memoir. When Jill Soloway was just thirteen, she and her best friend donned the tightest satin pants they could find, poufed up their hair and squeezed into Candies heels, then headed to downtown Chicago in search of their one-and-only true loves forever: the members of whichever rock band was touring through town. Never mind that both girls still had braces, coke-bottle-thick glasses and had only just bought their first bras...they were fabulous, they felt beautiful, they were tiny ladies in shiny pants. Now that Jill is all grown up and a successful writer and producer, she can look back on her tiny self and share her shiny tales with fondness, absurdity, and obsessive-compulsive attention to even the most embarrassing details. From the highly personal (conflating her own loss of virginity and the Kobe Bryant accusations), to the political (what she has in common with Monica and Chandra), to the outrageously Los Angelean (why women wear huge diamonds and what they must do to get them), *Tiny Ladies in Shiny Pants* is a genre-defying combination of personal essay and memoir, or a hilarious, unruly and unapologetic evaluation of society, religion, sex, love, and—best of all—Jill.

Sima Goldner runs her own bra shop, where her customers can find not only a perfect fit but also a sympathetic ear. The store, in an Orthodox Jewish neighborhood, is like a secret underground sisterhood where women of every shape and creed can share milestones, laughter, loves, and losses against a backdrop of discount lingerie. Day in and day out, Sima teaches other women to appreciate their bodies—yet feels betrayed by her own. Shamed by her infertility and a secret from her youth, she has given up on happiness and surrendered to a bitter marriage that has lasted over forty years. But then Timna, a young Israeli with enviable cleavage, becomes the shop seamstress. As the two work together, Sima finds herself awakened to long-lost yearnings for adventure and romance—and must decide if what she has is worth keeping. “A subtle, provocative, and utterly compelling examination of the friendship between two women.” —Michelle Richmond, *New York Times*-bestselling author of *The Marriage Pact*
