**Looking Good . . . Every Day** Nancy Nix-Rice,2014-09-01 Any woman can look and feel lovely, regardless of her age, bank balance, or pant size, and Looking Good . . . Every Day defines a simple yet sophisticated standard for women to determine exactly which clothes and accessories will showcase their unique beauty. The “points of connection” method explains that the more characteristics that exist in common between a woman and her outfit, the more lovely she will look. It shifts emphasis from hiding her perceived figure challenges and focuses on spotlighting her personal assets. By choosing wardrobe additions in this way, everything in her closet will work together. She has more outfits from fewer garments, allowing her to buy higher-quality garments without increasing her budget. Photography of real women—ranging from 22 to 80 years old and from size 4 to 24—illustrates the universal impact “points of connection” make in their appearance.
