*Color, Sex, and Poetry* Gloria T. Hull,Akasha Gloria Hull,1987-06-22 Focusing on the lives and writings of Alice Dunbar-Nelson, Angelina Weld Grimke, and Georgia Douglas Johnson, the author examines the overall place of women in the Harlem Renaissance, and the intersection of gender and race in their poetry. Hull chose these women not only because of their unique individualities, but because they represent black women/writers struggling against unfavorable odds to create their personal and artistic selves. She demonstrates the linkages among the three writers and how each one in turn interacted with other leading black women fiction writers such as Nella Larsen and Jessie Fanset. She also examines the significance of these three women poets as literary ancestors to Gwendolyn Brooks, Mari Evans, Nikki Giovanni, Audre Lourde, and Sonia Sanchez. ISBN 0-253-34974-5: \$29.95; ISBN 0-253-20430-5 (pbk.): \$10.95.

*Molas* Diana Marks,2016-10-01 Molas, the distinctive blouses made and worn by Kuna women in Panama, are collected by thousands of enthusiasts as well as by anthropological museums all over the world. They are recognized everywhere as an identifier of the Kuna people and also of Panama. This book, based on original research, explores the origin of the mola in the early twentieth century, how it became part of the everyday dress of Kuna women, and its role in creating Kuna identity. Images drawn from more than twenty museums as well as private collections show the development of designs and techniques and highlight changes in the garment as an item of indigenous fashion. Applying an interdisciplinary approach—fusing historical, ethnographic, and material culture studies—author Diana Marks contributes to ongoing debates on cultural authenticity, the invention of traditions, and issues of gender and politics.

**Casting a Movement** Claire Syler,Daniel Banks,2019-07-17 Casting a Movement brings together US-based actors, directors, educators, playwrights, and scholars to explore the cultural politics of casting. Drawing on the notion of a welcome table—a space where artists of all backgrounds can come together as equals to create theatre—the book's contributors discuss casting practices as they relate to varying communities and contexts, including Middle Eastern American theatre, disability culture, multilingual performance, Native American theatre, color- and culturally-conscious casting, and casting as

a means to dismantle stereotypes. Syler and Banks suggest that casting is a way to invite more people to the table so that the full breadth of US identities can be reflected onstage, and that casting is inherently a political act; because an actor's embodied presence both communicates a dramatic narrative and evokes cultural assumptions associated with appearance, skin color, gender, sexuality, and ability, casting choices are never neutral. By bringing together a variety of artistic perspectives to discuss common goals and particular concerns related to casting, this volume features the insights and experiences of a broad range of practitioners and experts across the field. As a resource-driven text suitable for both practitioners and academics, *Casting a Movement* seeks to frame and mobilize a social movement focused on casting, access, and representation.

*William Faulkner and the Materials of Writing* Jonathan Berliner, 2023-01-31 This book examines materials of writing in William Faulkner's novels and stories from parchment to typewriters, letters to telegrams.

**The Bitch is Back** Sarah Appleton Aguiar, 2001 When she wrote *The Robber Bride*, Margaret Atwood created a really villainous villain who happened to be a woman, partly in reaction to the fact that in Western literature the most meaty, wicked, and therefore interesting parts always seemed to go to male characters. Aguiar (English, Murray State U.) cites the beacon shone by Atwood in introducing her study, which discusses the dawning in contemporary literature of the season of the bitch: a re-evaluation and reclaiming of female toughness, thorniness, and just plain badness in which women characters are also portrayed as more complete, possessed of motivations, and strongly individual.
