*Red Bottoms* Bryant Quiovers, 2020-10-30 The dapper entrepreneur Charles Deet and his Nubian Queen Rolanda Deet set out build the lecherous empire rewarding the loyal subjects with the iconic red bottom heels.

Bottom Black Beauty Sharita Britten, 2020-10-27 Myeisha, or Mya, is a young African American girl raised in "The Bottom," a rough West Philadelphia neighborhood, during the height of the crack epidemic. She is beautiful and gifted, but sadly misguided. After being abandoned by her birth mother, she is raised by her hard-working father and an unforgiving stepmother. When Mya enters her teen years, the absence of her mother's love combined with enduring her toxic family situation, forces her to leave home. Searching for stability, Mya eventually gives herself to the streets to survive, and soon finds herself in the midst of two violent struggles; one between two rival gangs, the other in her own mind. Will Mya lose her life to the streets, or will she pull through, recognize her own beauty, and liberate her soul? Sharita Britten's gripping coming-of-age story, "Bottom Black Beauty," shares one young woman's struggle to survive life in The Bottom.

*The Punany Experience* Jessica Holter, 2010-07-06 The War Between Tops and Bottoms, Not Your Average Down Low Story Take an unhappy husband with a spoiled and suspicious wife, an androgynous businesswoman with a knack for inflicting pain, an executive assistant with no shame, then add a passive-aggressive lesbian pillow princess to the scene and you have just started The War Between Tops and Bottoms. The Punany Experience: The War Between Tops and Bottoms is not the average down low story. Jessica Holter's first erotic novel eloquently blurs the lines of sexual identity, leaving readers boundless as they slide down this slippery tale of fluid sexuality that does not fit into a closet. Stormy Talbert, a sexy housewife with a culinary gift, and Korea Smith, are satisfied to live the American Dream as woman and wife until they decide to seduce Hartford Crow, a successful, married music executive who has everything he wants, until he gets it. And these ladies know just what to give to the man who has it all.

salons, clubs, and politics, Whale paints a vivid picture of society in revolutionary France.

**Bottom Bitch** Racquel Williams,2013-09-10 Sierra Rogers experiences a tumultuous life growing up in one of Richmond's most treacherous housing projects. Blessed with a body to die for and the gift for gab, it doesn't take long for her to snatch up one of the area's hottest drug lords; Alijah Jackson. Soon she secures a place in his life as his Bottom Bitch. She realizes that fairy tales are a mere myth when she comes face to face with Shayna Jackson, the other woman in her man's life. Shayna is intelligent, sexy and wicked which is total opposite from the persona that she gives off to everyone around her. Her good girl persona goes down the drain the moment she comes face to face with her husband's mistress. Shayna discovers a mound of secrets and vows to let both her husband and his mistress suffer a fate reserved only for those that betray. As Alijah attempts to maintain both a wife and mistress he's also dealing with making more money than he will ever be able to spend. While Shayna, Sierra and Alijah go to combat with each other Alijah discovers that young goons are trying to kill him and the feds trying to lock him up for life. He must now figure a way to stay alive and free. With no one to turn to, nowhere to hide, Alijah must rely on his gut instinct of survival and his knowledge of the game while still trying to maintain love in his life. The question is, from whom-- His wife or his bottom bitch? Travel a journey filled with lust, greed and larceny as a triangle of sins goes haywire with no one to blame but each other.

Bulletin of the United States Bureau of Labor Statistics ,1964

*Bottoms Up: Writing About Sex* Diana Cage,2004-09-27 *Bottoms Up: Writing About Sex* is a collection of writing about desire. The stories are not straight up sexual narrations, but pieces, poems and stories that examine the concept and manifestation of desire itself. Rather than describing the physical acts of sex, the book examines the impetus, experiences, thoughts and feelings that drive desire. Contributors include Eileen Myles, Michelle Tea, Red Jordan Arobateau, Lori Selke, Victoria Brownworth, Robert Gluck and Patrick Califia. The stories in the collection are varied: an examination of iconoclastic sexuality(musing on what it would be like to both fuck James Dean and fuck like James Dean), the zenith of desire residing in the sweat-darkened leather pants of Lenny Kaye after a Patti Smith Group show, genderqueer cruising, the connection between sex and loss. The book is not explicitly gay, but it is explicitly queer. The stories often break down normal conceptions of gender, eliminating categories such as homo- and heterosexual.

*Awakened Bottoms* Hope Red,2018

*Bottoms Up* Jessie Bradford,2020-03-07 Almost a year to the date of Father John's arrest and the death of his son Tyler, Chase and Ashley thought they would be living a somewhat normal life to raise their beautiful baby girl Jordan. However, someone from John's past is ready to take over the family business and kicks it off with a bang. Join Chase as he connects with Bruiser and Carrie Lee to find his kidnapped daughter in time before she is lost in the underground world of baby farms and human trafficking.

**Grace Meets Grit** Daina Middleton, 2016-10-14 There is no mistaking that inequality in the workplace is still prevalent in the form of salary inequity and unequal representation in leadership and board positions. Too often conversations about inequality can lead to men and women believing they are alike. Women and men are not the same, biologically or psychologically, and these differences lead to significant dissimilarities in how each approaches leadership situations. *Grace Meets Grit* navigates the previously unexplored subject of gender differences in the workplace specifically applied to critical leadership behaviors. Leadership behaviors are what make us all successful in the workplace. They are how we are evaluated against our peers and what we use to solve problems when working in teams. We also know that the most effective organizations work diligently to optimize these leadership behaviors. Through stories of extraordinary, courageous women, *Grace Meets Grit* shows how to compensate for your innate style by dialing up leadership qualities you may not naturally possess. Middleton empowers women, in particular, to embrace their innate qualities and anticipate and apply behaviors expected of their male counterparts to help level the playing field. The end result is fewer misunderstandings in the workplace and higher performance from both individual leaders and teams.

*Leftover Women* Leta Hong Fincher, 2016-07-31 'Scattered with inspiring life-stories of courageous women.' The Guardian In the early years of the People's Republic, the Communist Party sought to transform gender relations. Yet those gains have been steadily eroded in China's post-socialist era. Contrary to the image presented by China's media, women in China have experienced a dramatic rollback of rights and gains relative to men. In *Leftover Women*, Leta Hong Fincher exposes shocking levels of structural discrimination against women, and the broader damage this has caused to China's economy, politics, and development.

*Bottoms-up Sisters* Ted Hudson, James Warren, 1971

**Interrogating Harmful Cultural Practices** Chia Longman, Tamsin Bradley, 2016-03-09 This volume explores a variety of 'harmful cultural practices': a term increasingly employed by organizations working within a human rights framework to refer to certain discriminatory practices against women in the global South. Drawing on recent work by feminists across the social sciences, as well as activists from around the world, this volume discusses and presents research on practices such as veiling, forced marriage, honour related and dowry violence, female genital 'mutilation', lip plates and sex segregation in public space. With attention to the analytic utility of the notion of harmful cultural practices, this volume explores questions surrounding the contribution of feminist thought to international and NGO policies on such practices, whether western beauty practices should be analysed in similar terms, or should the notion as such from an anthropological perspective be rejected, how harmful cultural practices relate to processes of culturalization, religionization and secularization, and how they can be challenged, come to transform and disappear. Presenting concrete, empirical case studies from Africa, South East Asia, Europe and the UK *Interrogating Harmful Cultural Practices* will be of interest to scholars of sociology,

anthropology, development and law with interests in gender, the body, violence and women's agency.
