Axel Petrus Johnson

My Likeness Taken Joan L. Severa, 2005 During the nineteenth century - a time of great technical and cultural change - fashion was a cultivating force in the development of American society, influenced by one's social status, geographic location, and economic standing. *My Likeness Taken* is a collection of daguerreotype portraits of men, women, and children taken between 1840 and 1860. Selected from the top collections in the United States, each image is analyzed to clarify datable clothing and fashion components. With subjects from among the best-dressed members of society, these portraits - reproduced in full color - reflect the latest fashion developments, trends, and influences. For students of photographic and costume history, this is extraordinary material. Many of these images have never before been published, and Severa's keen analysis adds immeasurably to our understanding of the importance of dress in American society. Photo archivists and collectors, costume curators, social historians, material culturalists, and theater designers will find *My Likeness Taken* an invaluable resource.

Classic Elite Knits Classic Elite Yarns, 2008 For over 25 years, knitters have relied on premium-quality yarns and patterns from Classic Elite, one of the country's most respected leaders in the knitting industry. Now, Classic Elite Knits gathers a wide variety of their very best designs in one superbly packaged collection. One hundred different, easy-to-follow patterns are included for such essentials as sweaters, hats, and gloves for women, children, and men, as well as accessories such as bags, purses, and scarves. Completely contemporary but crafted to remain stylish for years to come, the patterns are presented in myriad sizes and spotlight the work of such beloved designers as Melissa Leapman, Annie Modesitt, Michele Rose Orne, and Kathy Zimmerman. And the book will appeal to all skill levels: beginners and intermediates will be challenged to expand their repertoires while experts will find plenty of patterns to keep their fingers happy.

The Pattern Companion Cassia B. Farkas, Teresa Boyer, 2004 Attractive sweaters for everyone in the family, and cozy afghans, too: these patterns are for knitters who know their craft and now seek beautiful projects, inspirations, and challenges. Relative newcomers will find some items suited to their skills; the more experienced will enjoy working with

projects that have elaborate designs and stitch combinations. Knit a stylish Crop Top with pretty eyelets, a Sparkling Mohair Shell using the stockinette stitch, a Roomy Cabled Aran Cardigan for either men or women, a Ruffled Cardigan for baby, a Kid's Catch-Stitch Pullover, a Color-Blocked Jacket with Detachable Hood, a Wee Willie Winkie blanket, and a Herringbone Lace Afghan. Numerous helpful charts throughout cover both colorwork and textured stitchery.

Women's Activism and "Second Wave" Feminism Barbara Molony,Jennifer Nelson,2017-02-09 This book is open access and available on www.bloomsburycollections.com. It is funded by Knowledge Unlatched. Women's Activism and Second Wave Feminism situates late 20th-century feminisms within a global framework of women's activism. Its chapters, written by leading international scholars, demonstrate how issues of heterogeneity, transnationalism, and intersectionality have transformed understandings of historical feminism. It is no longer possible to imagine that feminism has ever fostered an unproblematic sisterhood among women blind to race, ethnicity, class, sexuality, nationality and citizenship status. The chapters in this collection modify the wave metaphor in some cases and in others re-periodize it. By studying individual movements, they collectively address several themes that advance our understandings of the history of feminism, such as the rejection of hegemonic feminism by marginalized feminist groups, transnational linkages among women's organizations, transnational flows of ideas and transnational migration. By analyzing practical activism, the chapters in this volume produce new ways of theorizing feminism and new historical perspectives about the activist locations from which feminist politics emerged. Including histories of feminisms in the United States, Canada, South Africa, India, France, Russia, Japan, Korea, Poland and Chile, Women's Activism and Second Wave Feminism provides a truly global re-appraisal of women's movements in the late 20th century.

20th-Century Dress in the United States Jane Farrell-Beck,Jean Parsons,2020-01-02 The 20th Century was a fast-paced race into modernization-but how did it affect what we wear? From revolutionary politics to the new machine age, from war and depression to growth and prosperity, 20th-Century Dress in the United States shows how fashion goes hand-in-hand with history. The authors examine American dress from 1898 to 2004 and find innovation at every turn. Diversity and complexity are key: far from the fashion stereotypes embodied by popular ideas of the Twenties or the Sixties-periods noted

for their youthful upheaval and influence-we see how every era has its conformists and rebels, from the Arrow Collar Man and the Gibson Girl to flappers, bell-bottom-clad hippies, and Jackie Kennedy. Each chapter explores the social, cultural, economic, artistic, and technological themes that shape fashion in both festive and everyday clothing. Changes in retailing and manufacturing are also examined, from the sweatshops of yesterday to the Internet shopping of today. From high fashion to low, glitz to grunge, this vivid and comprehensive book explains what we wear on our backs-and why.

The Cut of His Coat Brent Shannon,2006-08-22 The English middle class in the late nineteenth century enjoyed an increase in the availability and variety of material goods. With that, the visual markers of class membership and manly behavior underwent a radical change. In *The Cut of His Coat: Men, Dress, and Consumer Culture in Britain, 1860-1914*, Brent Shannon examines familiar novels by authors such as George Eliot, Anthony Trollope, Thomas Hughes, and H. G. Wells, as well as previously unexamined etiquette manuals, period advertisements, and fashion monthlies, to trace how new ideologies emerged as mass-produced clothes, sartorial markers, and consumer culture began to change. While Victorian literature traditionally portrayed women as having sole control of class representations through dress and manners, Shannon argues that middle-class men participated vigorously in fashion. Public displays of their newly acquired mannerisms, hairstyles, clothing, and consumer goods redefined masculinity and class status for the Victorian era and beyond. *The Cut of His Coat* probes the Victorian disavowal of men's interest in fashion and shopping to recover men's significant role in the representation of class through self-presentation and consumer practices.

Sex and Unisex Jo B. Paoletti,2015-02-27 Notorious as much for its fashion as for its music, the 1960s and 1970s produced provocative fashion trends that reflected the rising wave of gender politics and the sexual revolution. In an era when gender stereotypes were questioned and dismantled, and when the feminist and gay rights movements were gaining momentum and a voice, the fashion industry responded in kind. Designers from Paris to Hollywood imagined a future of equality and androgyny. The unisex movement affected all ages, with adult fashions trickling down to school-aged children and clothing for infants. Between 1965 and 1975, girls and women began wearing pants to school; boys enjoyed a brief peacock revolution, sporting bold colors and patterns; and legal battles were fought over hair style and length. However, with the advent of Diane Von Furstenberg's wrap dress and the launch of Victoria's Secret, by the mid-1980s, unisex styles were nearly completely abandoned. Jo B. Paoletti traces the trajectory of unisex fashion against the backdrop of the popular

issues of the day—from contraception access to girls' participation in sports. Combing mass-market catalogs, newspaper and magazine articles, cartoons, and trade publications for signs of the fashion debates, Paoletti provides a multigenerational study of the white space between (or beyond) masculine and feminine.

If you ally need such a referred **Jackets Womencolor59** ebook that will come up with the money for you worth, get the no question best seller from us currently from several preferred authors.
