**Tank** Zoe Dawson, 2017-12-12

**Dark Life** Kat Falls, 2012-02-01 Dive deep into the vivid underwater world of Dark Life! The oceans rose, swallowing the lowlands. Earthquakes shattered the continents, toppling entire regions into the rising water. Now, humans live packed into stack cities. The only ones with any space of their own are those who live on the ocean floor: the Dark Life. Ty has spent his whole life living deep undersea. When outlaws attack his homestead, he finds himself in a fight to save the only home he has ever known. Joined by Gemma, a girl from Topside, Ty ventures into the frontier's rough underworld and discovers some dark secrets to Dark Life. Secrets that threaten to destroy everything.

*How to Speak Dolphin* Ginny Rorby, 2015-05-26 Schneider Family Book Award-winning author Ginny Rorby has created an irresistible dolphin story about a girl's struggle to help her autistic brother and herself. Lily loves her half-brother, Adam, but she has always struggled with him, too. He's definitely on the autism spectrum -- though her step-father, Don, can barely bring himself to admit it -- and caring for him has forced Lily to become as much mother as sister. All Lily wants is for her step-father to acknowledge that Adam has a real issue, that they need to find some kind of program that can help him. Then maybe she can have a life of her own. Adam's always loved dolphins, so when Don, an oncologist, hears about a young dolphin with cancer, he offers to help. He brings Lily and Adam along, and Adam and the dolphin -- Nori -- bond instantly. But though Lily sees how much Adam loves Nori, she also sees that the dolphin shouldn't spend the rest of her life in captivity, away from her family. Can Adam find real help somewhere else? And can Lily help Nori regain her freedom without betraying her family?

*Solving Zoe* Barbara Dee, 2009-04-21 Zoe Bennett feels lost at her fancy private school. She's not the star drama queen like her sister, or a brainiac math genius like her brother. Luckily her best friend, Dara, is just as content as Zoe is to stay in the shadows -- or is she? When Dara gets a part in the school musical, Zoe feels abandoned. What's worse, Zoe's practically being stalked by the weird new kid, Lucas. Then Lucas accidentally drops his notebook and Zoe finds it's written in symbols and numbers -- it's complete gibberish. Yet she sees her name in there, plain as day. Now Lucas is telling her she's a natural code-reading genius -- or some kind of mental freak. As Zoe's daydreaming lands her in trouble at school, anonymous notes start to appear in students' lockers, and Zoe is the number one suspect. Solving word puzzles may come easily to her, but

now there's more at stake -- will Zoe be able to solve her way out of this? With plenty of wit and insight, Barbara Dee has created this fresh, funny story of a girl who discovers that fitting in sometimes means standing out.

Quantum Coin E. C. Myers,2012-10-23 The sequel to the exciting adventure spun across parallel worlds! Ephraim thought his universe-hopping days were over. He's done wishing for magic solutions to his problems; his quantum coin has been powerless for almost a year, and he's settled into a normal life with his girlfriend, Jena. But then an old friend crashes their senior prom: Zoe, Jena's identical twin from a parallel world. Zoe's timing couldn't be worse. It turns out that Ephraim's problems have just begun, and they're much more complicated than his love life. The multiverse is at stake - and it might just be Ephraim's fault. Ephraim, Jena, and Zoe embark on a mission across multiple worlds to learn what's going wrong and how to stop it. They will have to draw on every resource available and trust in alternate versions of themselves and their friends before it's too late for all of them. If Ephraim and his companions can put their many differences aside and learn to work together, they might have a chance to save the multiverse. But ultimately, the solution may depend on how much they're willing to sacrifice for the sake of humanity . . . and each other. From the Hardcover edition.

**Fighting the Shadows** Nicholas Windley,2023-11-12 My book follows the life of a young man (eighteen to nineteen) as he works for a secret agency in the protection of humankind against the forces of supernatural creatures and the prevention of mankind learning about the real supernatural world. (Every supernatural creature comes from a city kilometres underground—vampires, giants, Cyclops, demons, and so forth.) This agent is code named Black because he has the power to transform to a full-sized black-scaled dragon with red eyes and purple flames. But the first time he transformed, he was trying to protect a little girl from lava lizards, huge one-ton lizards that spit lava. His powers went out of control, and he burned up the little girl. Now, he does not let a lot of people close. One night, he comes across a work site where four

teenagers are being attacked by a shadow wraith (a creature of darkness that feeds on the life force of any living thing). After the attack, Agent Black takes them back to this base to get them checked, where they meet Doc, an elven doctor, and the commander, an immortal woman that has lived for more than a thousand years, and she is the head of the SNPA, the Supernatural Protection/Prevention Agency (depends on which world you come from). Soon after all this, they learn that four teenagers have the same power as Black and have the power to change into dragon (three guys, one girl—ice, earth, and fire guys, and golden magical dragon girl) and are asked to learn from Black to control their powers and protect the secret of this world.

**ttyl - 10th Anniversary update and reissue** Lauren Myracle, 2014-02-18 It's time for a new generation of readers to discover the phenomenally bestselling and beloved series, told entirely in messages and texts. With a fresh look and updated cultural references, the notorious list-topping series is ready for the iPhone generation. First published in 2004 (holy moly!), ttyl and its sequels follow the ups and downs of high school for the winsome threesome, three very different but very close friends: wild Maddie (mad maddie), bubbly Angela (SnowAngel), and reserved Zoe (zoegirl). Through teacher crushes, cross-country moves, bossy Queen Bees, incriminating party pics, and other bumps along the way, author Lauren Myracle explores the many potholes of teenagedom with the unflinching honesty and pitch-perfect humor that made this series a staple of young adult literature.

**Turtle Reef** Jennifer Scoullar, 2019-06-26 Can Zoe protect the reef she loves? Or will fighting to save it mean she loses everything? From the bestselling author of *Billabong Bend*, *Brumby's Run* and *Currawong Creek* comes a wonderful novel set against the spectacular beauty of Queensland's far north coast. Unlucky-in-love zoologist Zoe King has had enough of Sydney. Seeking a fresh start, she moves to the small sugar town of Kiawa to take up an exciting new role in marine science. She is charmed by the region's beauty - by its rivers and rainforests. By its vast cane fields, sweeping from the foothills down to the rocky coral coast. And by its people - its farmers and fishermen, unhurried and down to earth, proud of their traditions. Her work at the Reef Centre provides all the passion she needs, and Zoe finds a friend in Bridget, the centre's director. The last thing she expects is to fall for her boss's boyfriend, cane king Quinn Cooper. Zoe focuses on her research and tries to ignore the growing attraction between them. But things aren't quite adding up at the Reef Centre, and when animals on the reef begin to sicken and die, Zoe's personal and professional worlds collide. She faces a terrible choice. Supported by a variety of eclectic characters determined to wreck havoc on their carefully organized lives, each woman is forced to come to terms with her past before she walks down the aisle. Zo must learn how to reveal a vulnerability beneath her bravado before she can finally open her heart. Kate needs to reclaim her identity before she can regain her strut. Nina must heal her own inner child so she can provide for another. Hannah needs to release a ghost in order to recover her spirit. A bottle of booze, a host of laughs, a hankie or two worth of tears, and seventy-two hours among those who know and love them the most is the perfect recipe for four women to *Eat, Drink, and Be Married*.

*Z. Apocalypse* Steve Cole, 2012-10-11 It's the end of the world as we know it . . . The stakes are higher than ever for Adam Adler, and he will be put to the test in a way he never imagined. Taken by a flying reptile with wings as big as a bus to the farthest reaches of Siberia, Adam once again finds himself at the center of a plot to take down the evil organization Geneflow, who plan to create an apocalypse, ending life on earth as we know it, in order to create a world of hyper-evolved beings. Adam will have to join forces with a deadly pterosaur named Keera, and with the help of his old friend Zed, they'll need to risk everything to stop Geneflow once and for all and restore order to the world. This companion to *Z.Rex* and *Z.Raptor* once again brings dinosaurs colliding with modern society in an action-packed thriller perfect for fans of *Alex Rider* or *Jurassic Park*.

Ten years later, however, Kim is tragically widowed. Selling up is the only practical option, so she and her children head to the mountains to organise the sale. The last thing Kim expects is for *Journey's End* to cast its wild spell on them all. The family decides to stay, and Kim forges on with plans to rewild the property, propagating plants and acquiring a menagerie of native animals. But wayward wildlife, hostile farmers and her own lingering grief make the task seem hopeless. That is until she meets the mysterious Taj, a man who has a way with animals. Kim begins to feel that she might find love again. But Taj has his own tragic past - one that could drive a wedge between them that cannot be overcome ... *Wasp Season - Book 6 You'll never see a wasp in the same way again ...* When Beth's marriage ends, she's determined to build a new life in the country for herself and her children. A quiet life lived closer

But when Mark tries to change the rules, Beth's peaceful world is turned upside down. Disturbingly, she also discovers that European wasps have invaded her garden. Beth's obsession with them and their queen holds up a distorted mirror to the human drama. As the chaos in Beth's life gathers momentum, connections between the two worlds come sharply into focus.
