Jim Whiting

Jail Blazers Eggers Kerry, 2018-11-20 In the late '90s and early 2000s, the Portland Trail Blazers were one of the hottest teams in the NBA. For almost a decade, they won 60 percent of their games while making it to the Western Conference Finals twice. However, what happened off-court was just as unforgettable as what they did on the court. When someone asked Blazers general manager Bob Whitsitt about his team's chemistry, he replied that he'd "never studied chemistry in college." And with that, the "Jail Blazers" were born. Built in a similar fashion to a fantasy team, the team had skills, but their issues ended up being their undoing. In fact, many consider it the darkest period in franchise history. While fans across the country were watching the skills of Damon Stoudamire, Rasheed Wallace, and Zach Randolph, those in Portland couldn't have been more disappointed in the players' off-court actions. This, many have mentioned, included a very racial element—which carried over to the players as well. As forward Rasheed Wallace said, "We're not really going to worry about what the hell [the fans] think about us. They really don't matter to us. They can boo us every day, but they're still going to ask for our autographs if they see us on the street. That's why they're fans and we're NBA players." While people think of the Detroit Pistons of the eighties as the elite "Bad Boys," the "Jail Blazers" were actually bad. Author Kerry Eggers, who covered the Trail Blazers during this controversial era, goes back to share the stories from the players, coaches, management, and those in Portland when the players were in the headlines as much for their play as for their legal issues.

The Negro Trail Blazers of California Delilah L. Beasley,2017-09-17 Excerpt from *The Negro Trail Blazers of California: A Compilation of Records From the California Archives in Bancroft Library at the University of California, in Berkeley; And From the Diaries, Old Papers and Conversations of Old Pioneers in the State of California; It Is a True Record of Facts, as They Came After securing sufficient data, the author by chance read to Father David R. Wallace, of Oakland, a short description of My City of Inspiration - San Francisco. It was the original intention of the author to write a series of lectures, and not a history. Father Wallace immediately suggested that she include the Pioneer Negro, and gave her a letter of introduction to a pioneer lady by the name of Mrs. Annie Peters in Oakland. After spending a day in talking over the pioneer*

history of the State with Mrs. Peters, the author decided to write a history, and has spent five additional years in producing this work.
