Black Man Garland B. Johnson,2022-08-01 This title is a hard-nosed critique of black men living in America. It's an analytical observation of black men's revolving incarceration rate and obsessive fixation with wearing saggy pants, exposing their underwear. The book will take you on a journey showcasing the author's own detrimental behavior that deservedly leads to his inevitable arrest. The writer dissects the causes and effects of the penal system, black men's indifference to it, and the harmful message it sends to future generations of young black men. You'll read about extraordinary black women and their unapologetic loyalty to black men. In the end, you will witness a family nearly destroyed, then reunited to overcome betrayal and travel down the road of forgiveness and redemption. This work is a powerful insight into the ongoing struggle to combat ignorance and crime while paying tribute to mothers. You will be mesmerized by a comprehensive plan to uplift a population. This page turner is a must-read for all families darkened by the shadows of illegal vices, violence, and violations of the dress code.

Dead Men's Trousers Irvine Welsh,2019-02-26 The International Bestseller from the author The New York Times called blisteringly funny — it's the wild and wooly crew from Trainspotting back for one last adventure You don't need to have seen

the blockbuster movie—nor read the earlier mega-bestselling books—to get what's going on in *Dead Men's Trousers*: Four no-longer-young men who constantly think back to their bawdy, drug-filled youth together on the streets of Edinburgh, decide they want to join forces for one last caper. Careful what you wish for... Manages a sort of ragged glory, a life-affirming comic energy . . . A whooping last hurrah for the *Trainspotting* gang. —The Guardian Crackles with idiomatic energy and brio. —Publishers Weekly Mark Renton is finally a success. He now makes significant money managing DJs, but the constant travel, airport lounges, soulless hotel rooms, and broken relationships have left him dissatisfied with life. Then he runs into his old partner in crime, Frank Begbie, from whom he'd been hiding for years. But the psychotic Begbie appears to have reinvented himself as a celebrated artist in Los Angeles, and doesn't seem interested in revenge. Meanwhile, back in Edinburgh, Sick Boy and Spud are intrigued to learn that their old friends are back in town, and concoct a new scheme for them all . . . Which is when things start to go horribly wrong. The four men, driven by their personal histories and addictions, circle each other, confused, angry, and desperate. One of these four will not survive . . . Which one is wearing *Dead Men's Trousers*? Fast and furious, scabrously funny, and weirdly moving, this is a spectacular return of the crew from *Trainspotting*.

Her Penis Is Bigger Than Yours Mike Love,2013-09-18 Usually when people think about the topic of who has the most control in a relationship the majority of the time they would concede that it is the man because it is the societal norm. They feel that “enough is enough” and realize that not only did they commit the huge mistake of allowing the woman to wear the pants in the relationship, but they also enabled her to grow a penis A penis that has grown bigger than theirs. In his book entitled *Her Penis Is Bigger Than Yours: When A Woman Wears The Pants in The Relationship* world renown relationship expert Mike Love examines in detail the dynamics of this type of relationship and how to move to a more healthier alternative by shrinking her penis or getting rid of it altogether.
