MENS BEST SHORT STORIES FIRST Larry Parr, 2017-02-16 *MEN'S BEST SHORT STORIES* is an anthology of short stories written by some of today's finest male authors. It includes the story, *HE CAME HOME*, by Dan Tomich, the winner of Eaton Literary Agency's 2014 Annual Awards Program for Short Fiction. Other contributors include *DEATH DOTH HOLD NAME* by Brad Braddock, *THE CARD TRICK* and *HONE* by David Burbee, *JOHNNY...!* and *IT'S ABOUT TIME* by Jason Hall, *THROWAWAY CHILD* by Marcus Hunter, *THIS JUST IN* by Michael King, *STITCHIE* by David Palladini, *A MIGHTY TUG* and *THAT'S MY SUPERWEAPON* by Robert Redwine, *NO LUNCH IN NIRVANA* by Robert B. Singer, and *OLLIE'S DOG* by Steven Thomas. This anthology celebrates the diversity found in the short-story and novella forms and brings together these authors for the first time in one book.

Men in Shorts David James Parr, 2020-09-12 Ironically while signing copies of his revealing first novel, a middle-aged author is confronted by the very inspiration for his book; Clay Fitzgerald Miller, of the improbable name and the impossible eyes, still unearthly green after so many years. Back in 1992 Chicago, where the chiseled trunks of Calvin Klein hunks towered over Halsted, love was in the air and Clay was in the intersection between the club Vortex and a 7-11, where sparks were about to fly, virginities were about to be lost, and a whole new world was about to be discovered. *MEN IN SHORTS* is a Roman-a-Clay about first loves, last kisses, and all of the passionate puddles of lust found in between, ricocheting back and forth in the dizzying and dazzling world of a twentysomething romance.

Cut Men Stephen Taylor, 2005

Men Among Men Dennis L. Siluk, 2016-09-07 The book *Men among Men*, the sequel to *In My Time*, consists of sixteen short stories, four in English and Spanish. The stories date from 1916 through 2016 (one hundred years); in chronological form. These are unpublished stories to date, non-fiction in mode, crisscrossing the author's life, all, or most all dealing with men, dealing with men's issues, or situations. Such as the unforgettable Oscar. Also, a story *Winter Houses* out of St. Paul, Minnesota (1957). One on soldiering, as in *Basic Training* at Fort Bragg, North Carolina, in 1969. Two stories between 1970 and 1976 concerns West Germany. There is one story concerning the author's time in Vietnam, 1971. Also, a trip to Bali, in 1999. And the opening story, about his Grandfather's Voyage from Grodno to: Elis Island (1916). You will love the heartwarming story called: 'A Penguin Yarn'. And a more trying story out of Peru, called '...Guadalupe and Little Coyote, '

tells of the hardships of immigrants. Also, there are two stories, one on Chile, and the other one in Argentina. The last climatic tier being in poetic prose, 'A Darkness' concerns men unwilling to open their minds to God's calling. All are remarkably expressed. Within the bulk of these stories, Chick Evens is Dr. Dennis L. Siluk's pseudonym.

Masked Men Steve Cohan,1997-12-22 The fifties marks the moment when a heterosexual/homosexual dualism came to dominate U.S. culture's thinking about masculinity. The films of this era record how gender and sexuality did not easily come together in a normative manhood common to American men. Instead these films demonstrate the widely held perception of a crises of masculinity. *Masked Men* documents how movies of the fifties represented masculinity as a multiple masquerade. Hollywood's star system positioned the male actor as a professional performer and as a body intended to solicit the erotic interest of male and female viewers alike. Drawing on publicity, poster art, fan magazines, and the popular press as a means of following the links between fifties stars, their films, and the social tensions of the period, Cohan juxtaposes Hollywood's narratives of masculinity against the personae of leading men like Cary Grant, Humphrey Bogart, John Wayne, Charlton Heston, Yul Brynner, William Holden, Montgomery Clift, Marlon Brando, and Rock Hudson. *Masked Men* focuses on the gender and sexual masquerades that organized their performances of masculinity on and off screen.

Four Men Albert Bagshot,2017-11-30 From locations as far afield as Norway, Devon, Italy, Sheffield, USA and more. From the First World War to the present day. Seventeen short stories on life, death, murder, love, art, football, spiders, sheep, moustaches and more.

Men Are from Detroit, Women Are from Paris ,1999 Women cartoonists take off after the elusive male of the species, poking fun at all those qualities women love to hate and can't live without.

Middle Men Jim Gavin,2014-02-11 Presents stories featuring men who make doomed forays into middle-class respectability in Southern California, from a high-school basketball player who aspires to a college scholarship, to a game-show production assistant who moonlights as a stand-up comedian.

Stories for Men Bruce L. R. Smith,Charles Grayson,2017-09-20 Can the reading public imagine a less likely but more needed book than *Stories for Men* - a seventy-five-year- old anthology edited by Charles Grayson - written in an age when such a title would scarcely raise an eyebrow! Imagine a book about men in which the featured theme is not rapists, child abusers, or men who never weep, feel little sorrow, or prefer dog fighting to baseball.To say the least, this is a counter-cultural collective portrait necessary in today's politically correct world. The original editor, Charles Grayson, hit the nail on the head in his explicit opening remarks. The only claim we make for this book is that it doesn't pretend to offer the best, or the finest, in the world's foremost short stories by contemporary masters. Simply it is just a bundle of yarns by present day American writers, each dealing with a different phase of the actions and activities of men, designed for good reading. The text fulfills its mission.The work features little known short stories by such major writers as Erskine Caldwell on racial

relations, James M. Cain on murder, James T. Farrell on street life, Dashiell Hammett on men and divorce, Ring W. Lardner on baseball, Damon Runyon on football, William Saroyan on horseracing, Thomas Wolfe on travel, William Faulkner on foreigners, among many others. For readers interested in a slice of America, this will be a book of inestimable value as well as personal pleasure. *Stories for Men* will prove ideal.

To Be Men Sirius Metier, 2018-06-15 Tired of stories about men as bumbling idiots? Of fathers as incompetents? Of masculinity as toxic? Tired of misandry? Ready for some real masculine role models? A collection of seventeen stories and two essays, *To Be Men: Stories Celebrating Masculinity* pays homage to men and masculinity.

Shadows of Men Kevin Grauke, 2012 Here are long shadows. Cast as inherited notions of what it means to be a man, Kevin Grauke's *Shadows of Men* is a defining meditation on maleness, masculinity, and manhood. The fathers, sons, husbands, and lovers of this ambitious first collection occupy a suburban terrain where insecurity, uncertainty, and inadequacy all project a disquieting shade. Their floundering may demarcate the thirteen stories humor and poignancy, but a dignified, near-elegiac portrayal of the modern man resonates. The shadows reach is long, and these characters may stumble and lose their way, but Grauke's empathetic clarity sweeps the unsettling land.

The Men's Locker Room Milton Bolzendahl, 2012-03-01 This unusual work of pen-and-ink drawings amusingly lampoons those old, young and middle-aged men who visit the area recreational center (ARC) in Columbia, Missouri, and of necessity use the locker room to change clothes and shower. But it no doubt could apply to any recreational facility. The author is one of such (old) characters. This book depicts some of the behind-the-scenes rhetoric of what those noble beings say and think who come to work-out (exercise) in hopes to shed some flab, tighten-up sagging muscles and generally improve their constitutions.

A Story of Men Zep, 2017-11-07 An original graphic novel from superstar European comics creator Zep, in English of the first time. They were backstage when it happened. Eighteen years later Sandro calls his former bandmates together for a weekend of reconnecting, to find out where life has taken them and how their fortunes have fared, to see if they've learned anything since they were teenagers—but memories can be hard to forget. And unknown secrets even harder to swallow. Join Sandro, Evan, Frank and JB—four friends separated by time, distance and status—as they explore their history, their lives, and their friendship. This is their story—a story of men.

wonder what these people are smoking while they sit at their keyboards. Once again, you're invited to sit back, put your feet up, and take a nice long look at their Boxer Shorts ... Redux.

Enough Shorts for a Wardrobe Chuck Bohatka, Jr., 2001-08 There was a time when the world started to unravel, when it just didn't make much sense, and hair popped out of all sorts of crevasses on your body. New feelings emerged, new sensations, and then all the sudden there you are. Adulthood. This is a collection of stories that showcase the difficult task of what it means to be grown-up.

A Pair of Shorts Bill Stenlake, 2017-07-17 A Pair of Shorts by Bill Stenlake The 1st Leg: I am woken by a noise in the middle of the night. I listen for a few seconds before I definitely hear there is a noise coming from downstairs. There shouldn't be any noise coming from there! I live alone. I get out of bed and stand by the door to hear what is going on. The noise comes towards me and I hear the intruder start to climb the stairs. I hide behind the door and am glad I do so, as when the intruder comes into my bedroom, the first thing I see is the gun he is holding. I leap on him and wrestle him to the floor. As he falls beneath me he hits his head on the frame of the bed. Just as I think I am out of the woods I hear another intruder downstairs. This one also starts to climb the stairs. I expect he has a gun too! Why are these armed men breaking into my house? Why have they broken into the apartment of my employer? Why have they broken into our offices and why have they raided the warehouse and taken away two boxes of stock? The story moves quickly along as it becomes apparent that one of my employers is conducting business other than what we are in business for. Matters aren't helped when we can't get the answers we need to resolve the situation. There is only one thing for it. Anna and I take it upon ourselves to try to find out what is going on and what we can do to get some determined people off our backs. The 2nd Leg I arrive at the airport ready to take the plane back home from Spain, to rejoin my family. Just at the wrong time, before the flight, I get the recurrence of severe stomach pains. I try to ride it out while waiting for the flight to be called, but this time I am not going to get away with that. The pain becomes more severe than it has done ever before. I make my way into the bathrooms and lock myself into one of the cubicles. I sit down and draw my legs up to me as I try to ride out the pains in my stomach. At some point I lose consciousness. I wake up, still in the cubicle. It is 1 o'clock in the morning and I am in pitch black. Do they shut down the lights overnight in the airport? I make my way into the departure lounge. That is in darkness too. There are no people around either, not one! I search the airport but it is all in darkness and totally devoid of people. When I make my way outside there are no lights in the surrounding area. There are no cars moving anywhere. It is obvious to me that something has happened while I have been unconscious. I have been out of it for several days. I locate my car and retrieve it, before making for my villa. I don't come across a single soul while I do so. It is only when I venture to the shops that I hear the first signs of life. 2

helicopters fly to where I am. I get the feeling I have been spotted on CCTV cameras. Rather than wait out in the open, I feel I have to hide. The helicopters land and men come searching for me. I am fortunate to have found the hiding place I did. I realize the need to do something to try to get out of the area, but I need a better vehicle than my small car if I am to evade capture. It is while I am procuring this that I come across another survivor, rather than people who are tidying up after the contamination.
