Men's Style Russell Smith, 2009-02-24 *Men's Style* is a personal and knowledgeable compendium of tasteful advice for the thinking man on how to dress and shop for clothes in a world of conflicting fashion imperatives. This sophisticated and witty book by the popular *Globe and Mail* columnist combines nuggets of history and the sociology of masculine attire with a practical and supremely useful guide to achieving an elegant and affordable wardrobe for work and play. In chapters and amusing sidebars on shoes, suits, shirts and ties, formal and casual wear, underwear and swimsuits, cufflinks and watches, coats, hats, and scarves, Russell Smith steers a confident course between the hazards of blandness and vulgarity to articulate a philosophy of dress that can take you anywhere. He tells you what the rules are for looking the part at the office, a formal function, or the hippest party, and when you can toss those rules aside. *Men's Style* is supplemented throughout with fifty black-and-white illustrations and diagrams by illustrator Edwin Fotheringham.
