A Kitchen in France Mimi Thorisson,2014-10-28 With beguiling recipes and sumptuous photography, A Kitchen in France transports you to the French countryside and marks the debut of a captivating new voice in cooking. This is real food: delicious, honest recipes that celebrate the beauty of picking what is ripe and in season, and capture the essence of life in rural France. —Alice Waters When Mimi Thorisson and her family moved from Paris to a small town in out-of-the-way Médoc, she did not quite know what was in store for them. She found wonderful ingredients—from local farmers and the neighboring woods—and, most important, time to cook. Her cookbook chronicles the family's seasonal meals and life in an old farmhouse, all photographed by her husband, Oddur. Mimi's convivial recipes—such as Roast Chicken with Herbs and Crème Fraîche, Cèpe and Parsley Tartlets, Winter Vegetable Cocotte, Apple Tart with Orange Flower Water, and Salted Butter Crème Caramel—will bring the warmth of rural France into your home.

Full Cicada Moon Marilyn Hilton,2015 In 1969 twelve-year-old Mimi and her family move to an all-white town in Vermont, where Mimi's mixed-race background and interest in boyish topics like astronomy make her feel like an outsider.

Mimi's Garden of Reflections Shamimi Shamsuddin,2016-01-08 This is about the beautiful journey I had throughout my teaching year in 2015. In the span of one year, I have gone beyond my official portfolio as a mathematics teacher to become an accountant, a financial advisor, an English motivator, a Thinking Skills course instructor, as well as a science projects advisor. Some would call this versatility. Is it? You tell me. This is about my exploration into the heart of Borneo, to the rural and to the urban territories, for work and for pleasure. It is by no way a suffice travelogue, but you can count on it taking you somewhere unfamiliar from your comfy chair. This is a diary. It was shared with only a handful of people I trust with my thoughts. Now I'm trusting you. There were some pressing issues I cared to share but couldn't do much with. Who knows? Maybe you can. This is my garden of reflections. Reflecting on anything I felt strongly connected to. Reflected and translated in the form of free-flow writings, poems, as well as selected book and film review related to education in general.

CRIES IN THE NIGHT: Mimi's Travail ,

Cold Case 369 David Osborn,2022-09-20 When two women detectives in the CID division of a large city police force, one a forty-year veteran, the other a rookie, are forcibly teamed together in an unfriendly partnership, the rookie follows the many-years-old cold case of a painting found in a stolen deposit box. As she traces its path from obscurity to potential world fame at auction, the older detective, disdaining the efforts of her younger partner, investigates the more recent and seemingly unrelated violent homicide of an important city councilman. The paths of both widely different investigations merge, however, united by evidence in the cold case, and the two detectives become as one to successfully hunt down those guilty of the homicide.

Software Architectures and Tools for Computer Aided Process Engineering Bertrand Braunschweig,Rafiqul Gani,2002-10-30 The idea of editing a book on modern software architectures and tools for CAPE (Computer Aided Process Engineering) came about when the editors of this volume realized that existing titles relating to CAPE did not include references to the design and development of CAPE software. Scientific software is needed to solve CAPE related problems by industry/academia for research and development, for education and training and much more. There are increasing demands for CAPE software to be versatile, flexible, efficient, and reliable. This means that the role of software architecture is also gaining increasing importance. Software architecture needs to reconcile the objectives of the software; the framework defined by the CAPE methods; the computational algorithms; and the user needs and tools (other software) that help to develop the CAPE software. The object of this book is to bring to the reader, the software side of the story with respect to computer aided process engineering.

Man in Disorder Grace Russo Bullaro, 2006 Despite the phenomenal international success that Italian director Lina Wertmüller attained in the 1970s with films such as *Swept Away* and *Seven Beauties*, there has been no full length in-depth study of her four major films. This book fills that inexplicable void in the scholarship of Italian cinema.

ready to put an end to things. A Last Chance for Love But severing ties with her taciturn suitor isn't as straightforward as Sophie envisioned. Her parents are outraged. And then there's Charles Darwin, Prince Albert, and that dratted gaslight. What's a girl to do except invite Mr. Sharpe to Appersett House for Christmas and give him one last chance to win her? Only this time there'll be no false formality. This time they'll get to know each other for who they really are.

Hooked on You Kathleen Fuller,2021-05-11 She never wanted to come back. He never wants to leave. The town of Maple Falls has plans for them both. Riley McAllister is living the dream in New York City -- if the dream means being a struggling mixed-media artist, part-time food delivery driver, and having a carefully curated social media to hide all of the above. She refuses to admit defeat and move back to small-town Maple Falls, but when her grandmother breaks her leg sliding into third base during a softball game (she was safe, by the way), Riley reluctantly agrees to go home and help the woman who raised her—while secretly hoping she can convince Mimi to sell her house and yarn shop and move in with a good friend. Then Riley can return to her new life in NYC, on her own and for good. But Mimi has her own plans, which include setting Riley up with local baseball star Hayden Price, who returned to Maple Falls after an injury ended his major league career. Now he works at his father's hardware store, coaches the church softball team, and worries about the declining town. It's not the life he dreamed of having. With a little meddling and a lot of kindness from the town, Hayden and Riley find themselves unexpectedly falling for each other as they discover the true meaning of home.
