Excavate! Tessa Norton, Bob Stanley, 2021-03-30 THE LOUDER THAN WAR #1 BOOK OF THE YEAR A ROUGH TRADE, THE TIMES, MOJO, UNCUT, THE HERALD BOOK OF THE YEAR This is not a book about a rock band. This is not even a book about Mark E Smith. This is a book about The Fall group - or more precisely, their world. 'To 50,000 Fall Fans: please buy this inspired & inspiring, profound & provocative, beautiful & bonkers Book of Revelations.' DAVID PEACE 'Mind blowing . . . there is so much to enjoy in this brilliant book.' TIM BURGESS 'A container sized treasure trove . . . I strongly advise you to buy it.' MAXINE PEAKE 'The most wonderful, unashamedly intellectual, pretentious, ridiculous, exciting hymn to this incredible group.' ANDY MILLER, BACKLISTED Over a prolific forty-year career, the Fall created a world that was influential, idiosyncratic and fiercely original - and defied simple categorisation. Their frontman and lyricist Mark E. Smith spun opaque tales that resisted conventional understanding; the Fall's worldview was an education in its own right. Who wouldn't want to be armed with a working knowledge of M. R. James, shipping-dock procedures, contemporary dance, Manchester City and Can? The group inspired and shaped the lives of those who listened to and tried to make sense of their work. Bringing together previously unseen artwork, rare ephemera and handwritten material, alongside essays by a slate of

fans, EXCAVATE! is a vivid, definitive record - an illumination of the dark corners of the Fall's wonderful and frightening world.

The Merchant of Venice William Shakespeare, 1889

The Atonement Child Francine Rivers, 2012-05-18 From the New York Times bestselling author of *Redeeming Love* and *The Masterpiece*—and “one of [Christian fiction's] most honored and talented writers” (Library Journal)—comes a heart-wrenching but uplifting story about a highly controversial topic. Dynah Carey knew where her life was headed. Engaged to a wonderful man, the daughter of doting parents, a faithful child of God—she has it all. Then the unthinkable happens: Dynah's perfect life is irrevocably changed by a rape that results in an unwanted pregnancy. Her family is torn apart and her seemingly rock-solid faith is pushed to the limits as she faces the most momentous choice of her life: to embrace or to end the life within her. This is ultimately a tale of three women, as Dynah's plight forces both her mother and her grandmother to confront the choices they made. Written with balance and compassion, *The Atonement Child* brings a new perspective to a

widely debated topic.

Her sister, Fliss, thinks Lottie is making a terrible mistake, and will do anything to stop her. But Lottie is determined to say “I do,” for better, or for worse. Missamore, Desirae Negron, Marcus Plumlee, Emily Grace Sarver-Wolf, Lesley Sneed, Cassie Walters, Lucy Weakley, 2011 In the Fall of 2010 I gave an assignment in my Appalachian Literature class at Berea College, telling my students to write their own version of *Where I'm From* poem based on the writing prompt and poem by George Ella Lyon, one of the preeminent Appalachian poets. I was so impressed by the results of the assignment that I felt the poems needed to be preserved in a bound document. Thus, this little book. These students completely captured the complexities of this region and their poems contain all the joys and sorrows of living in Appalachia. I am proud that they were my students and I am very proud that together we produced this record of contemporary Appalachian Life -- Silas House

Launch! Advertising and Promotion in Real Time Michael Solomon, 2009 Launch! Advertising and Promotion is written for advertising and promotion courses taught to students in the business school and journalism & mass communication students. This textbook is the first of its kind to teach advertising concepts by reverse engineering a real advertising campaign from beginning to end. In April 2007, SS+K, an innovative New York City communications agency, launched the first ever branding campaign for msnbc.com with the tag A Fuller Spectrum of News. Launch! follows that campaign from initial agency pitch through roll-out of print and media assets to post-campaign analysis. Throughout, it exposes readers to the theory and concepts of advertising and promotion, and the personalities and decisions that drove this campaign. The book takes a rare look behind the curtain - even letting you see some of the paths not chosen by the agency and client. Students get a realistic sense of how theory plays out in practice, and get a flavor for the exciting field of advertising and promotion. And, they consistently learn the perspectives of both the advertising agency (where many journalism and communications students will work) and the client (where many marketing majors will work). This is a unique book, with a unique perspective, by a unique author team, and you won't find this kind of insight in any other text on the market. We think you're going to love it! This textbook has been used in classes at: Ball State University, Emerson College, Florida Institute of Technology, Grand Valley State University, Johnson County Community College, Manchester Business School, McLennan Community College, Michigan State University, North Hennepin Community College, Pierce College, Rochester Institute of Technology, Saint Louis University, Salem State College, South Dakota State University, Texas State University, Texas Tech University, University of New Hampshire, University of North Carolina, University of Notre Dame, University of South Florida, Virginia Tech, Western Kentucky University.

The Way of Ignorance Wendell Berry, 2010-05 The continuing war in Iraq, Hurricane Katrina, the political sniping engendered by the Supreme Court nominations, Terry Schiavo - contemporary American society is characterized by divisive anger, profound loss, and danger. Wendell Berry, one of the country's foremost cultural critics, addresses the menace, responding with hope and intelligence in a series of essays that tackle the major questions of the day. Whose freedom are we

considering when we speak of the "free market" or "free enterprise?" What is really involved in our National Security? What is the price of ownership without affection? Berry answers in prose that shuns abstraction for clarity, coherence, and passion, giving us essays that may be the finest of his long career.
