Zero Degree Charu Nivedita, 2018 Translated from the Tamil by Pritham K. Chakravarthy and Rakesh Khanna. With its mad patchwork of phone sex conversations, nightmarish torture scenes, tender love poems, numerology, mythology, and compulsive name-dropping of Latin American intellectuals, Charu Nivedita's novel ZERO DEGREE stands out as a groundbreaking work of Tamil transgressive fiction that unflinchingly probes the deepest psychic wounds of humanity. Hide it in the deep recesses of your clothes cupboard or in the general chaos of your office desk, if you must, but read it--Asha S. Menon, New Sunday Express.

WHAT THE HECK DO I DO WITH MY LIFE? Ravi Venkatesan, 2021-01-15 'As the world grows in complexity, Ravi's guidance to be curious and adaptable has never been more relevant.' -Bill Gates Our world will change more in this century than in all of human history, driven by many factors including technology, climate change, demographics and inequality. Such extreme change is throwing up unprecedented opportunities and creating an 'adaptive challenge' for individuals, organizations and societies. Those who can adapt to a fast-flowing, complex, volatile and uncertain world will flourish. Those who cannot will suffer greatly. There are clear signs everywhere that we need new ways to think about the world and our place in it. Our old ideas about education, lifestyle, success and happiness no longer work. How is work changing? How can you know what skills will be useful when jobs of the future are still being invented? Will 'jobs' even exist or are we moving to a world of projects and gig work? How do you make sense of all this and more? In What the Heck Do I Do With My Life? Ravi Venkatesan makes the case that successful adaptation in the new century requires a 'paradigm shift', a different mindset, new skills and new strategies. Ravi also reflects on how we will need to live life more intentionally, making deliberate choices

about who we are, what we do and how we live rather than simply being carried along like a piece of driftwood.

Method in the Madness Parameswaran Iyer, 2021-01-31 Parameswaran Iyer, former Secretary to the Government of India, is best known for leading the implementation of the Swachh Bharat Mission (SBM) - Prime Minister Narendra Modi's flagship programme, which became the world's largest sanitation revolution. But Iyer is not your typical bureaucrat. With a far-from-usual career combining two distinguished tenures in the government and an eventful stint outside it, he likes to describe himself as an uncommon 'Insider-Outsider-Insider'. In *Method in the Madness*, he reflects on the unique path he chose - from cracking the IAS to becoming a globe-trotting World Bank technocrat, to playing the role of a coach to his professional tennis-playing children, to finally returning to India and implementing the SBM. Written with humour and

wisdom, this is an inspiring read full of key management insights, practical career advice, and valuable life lessons that will resonate with readers across age groups and professions.
