

Tanks Womenmaterial152

Erin Bevan

Lucinda Jones Tank Gunner, 2024-01-22 In June 1950, Lucinda Jones, an aspiring journalist from Paris Junior College, comes to work for Miss Maybelle Winters at the PALOMINO PRESS, as President Truman commits US Forces to repel the invasion of the Republic of Korea. She uncovers secrets, challenges stubbornness, defies injustice, wins trust, discovers her strengths and weaknesses, and delights in the excitement and serenity of true love. This endearing story brings to life once again many of the author's memorable, down-to-earth characters we know and adore from Tank's other novels: The Redeemer, Palomino, and Porky Baycann.

Cage Fighting Nuns & T-34 Tanks Fred Robel, 2013-07-14 Charles and Kazia, separated by half a world, desperate to get back to each other. Watch as they each take their own paths to come back together again, in this strange story of T-34 tanks, cage fighting nuns, and their love for one another.

Tank Erin Bevan, 2017-05-17 Abusers never stop. If anyone's familiar with this it's Tyler Tank Wilde. Tank moves to Black Widow, Texas, to join the Blue Guardians, a group that helps abused women and children. He's intent on starting his life over, but a small piece of his past collides with his present when he runs into the local waitress, Annie Carter. Annie's the girl of his boyhood dreams, and Tank can't wait to get reacquainted with her. Only problem is, Annie's engaged. But what has Tank more troubled than the diamond on her finger is the bruise that graces her arm. Tank is determined to offer Annie a safe haven, but she refuses. The last thing she wants to do is leave one man only to run into the arms of another. But at Tank's persistence, she knows she has two choices: allow him to protect her or die at the hands of her fiancé. Was their past a prelude to their future? If there's anyone in the world Annie would pick to go into hiding with, it's the boy who once held her heart, but how can they hide from the monster who holds the town's law in his hands?

The Lady Bug Paul Telegdi, 2017-04-21 The book relates the experiences of a tank crew, driving a Sherman tank christened the Lady Bug, from the landing in Africa through campaigns in northern Italy. Sgt. Hawkins is in command, Jake is the gunner and Hicks is the loader. They survive combat, POW camp, horrendous losses along the way; the question is can they survive the peace, especially as Hawkins comes home badly wounded.

Discover tales of courage and bravery in Explore Bravery with is empowering ebook, **Tanks Womenmaterial152** . In a downloadable PDF format (Download in PDF: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
