**24** Willie Mays, John Shea, 2020-05-05 The legendary Willie Mays shares the inspirations and influences responsible for guiding him on and off the field in this reflective and inspirational memoir. “It’s because of giants like Willie that someone like me could even think about running for President.” —President Barack Obama Widely regarded as the greatest all-around player in baseball history because of his unparalleled hitting, defense and baserunning, the beloved Willie Mays offers people of all ages his lifetime of experience meeting challenges with positivity, integrity and triumph in 24: Life Stories and Lessons from the Say Hey Kid. Presented in 24 chapters to correspond with his universally recognized uniform number, Willie’s memoir provides more than the story of his role in America’s pastime. This is the story of a man who values family and community, engages in charitable causes especially involving children and follows a philosophy that encourages hope, hard work and the fulfillment of dreams. “I was very lucky when I was a child. My family took care of me and made sure I was in early at night. I didn’t get in trouble. My father made sure that I didn’t do the wrong thing. I’ve always had a special place in my heart for children and their well-being, and John Shea and I got the idea that we should do something for the kids and the fathers and the mothers, and that’s why this book is being published. We want to reach out to all generations and backgrounds. Hopefully, these stories and lessons will inspire people in a positive way.” —Willie Mays

**Hardcore Twenty-Four** Janet Evanovich, 2018-10-02 Janet Evanovich's #1 New York Times bestselling sensation Stephanie Plum returns in her twenty-fourth thriller as mutilated corpses litter the streets of New Jersey... Trouble comes in bunches for Stephanie Plum. First, professional grave robber and semi-professional loon, Simon Diggy, won't let her take him in until she agrees to care for his boa constrictor, Ethel. Stephanie's main qualification for babysitting an extremely large snake is that she owns a stun gun—whether that's for use on the wandering serpent or the petrified neighbors remains to be seen. Events take a dark turn when headless bodies start appearing across town. At first, it's just corpses from a funeral home and the morgue that have had the heads removed. But when a homeless man is murdered and dumped behind a church Stephanie knows that she's the only one with a prayer of catching this killer. If all that's not enough, Diesel's back in town. The 6-foot-tall, blonde-haired hunk is a man who accepts no limits—that includes locked doors, closed windows and underwear. Trenton's hottest cop, Joe Morelli isn't pleased at this unexpected arrival nor is Ranger, the high-powered security consultant who has his own plans for Stephanie. As usual Jersey's favorite bounty hunter is stuck in the middle with more questions than answers. What's the deal with Grandma Mazur's latest online paramour? Who is behind the startling epidemic of mutilated corpses? And is the enigmatic Diesel's sudden appearance a coincidence or the cause of recent deadly events?
