Scarves Nicky Albrechtsen, Fola Solanke, 2011-04-26 The definitive work on scarves in the twentieth century, featuring work by artists and important textile designers and brands. Indispensable accessories and sought-after collectors' items, scarves were an important innovation in twentieth-century fashion. From Art Deco through 1950s Hollywood, the Swinging Sixties, and beyond, scarves have expressed the constant evolutions in style, representing every major decorative arts movement over the past century and into the present one. This marvelously illustrated compendium showcases the work of a wide range of international designers: Paul Poiret, Elsa Schiaparelli, Balenciaga, Mary Quant, Gucci, Christian Lacroix, Yves Saint Laurent, Zandra Rhodes, Nicole Miller, and many more. Here are more than 250 scarves, beautifully reproduced in color, and many never before seen in print. The book includes concise biographies of more than fifty scarf designers, retailers, and manufacturers, and a useful resource guide provides expert advice on dating and conservation, museum collections, vintage fairs, and specialist dealers.

Knitting New Scarves Lynne Barr, 2012-10-30 Illustrated with beautiful color photography, this pattern book offers fun and imaginative scarf designs for knitters of all levels. Scarves are often the first garments beginning knitters try. Then, when they feel ready for a greater creative thrill, they move on to other types of garments. In *Knitting New Scarves*, Lynne Barr beckons all levels of knitters back to their humble beginnings and then wows them with 27 spectacularly modern designs, each created using an innovative new technique or a unique take on a traditional one. This novel approach, which dares knitters to rethink what is possible by simply manipulating knits and purls, leads to a collection of flattering, functional,

and fun-to-make accessories. Imagine a scarf that looks like a strand of black pearls or unfolds like an accordion, one that playfully draws inspiration from the famed Chanel jacket or a twisting futuristic high-rise. Every scarf is shown in its finished form in beautiful still-lives by photographer Tyllie Barbosa, and, when unusual techniques are called for, up-close step-by-step photos are provided as well. This means every scarf in this masterful collection is both captivating and accessible for all levels of knitters.
