Cool Copper Cuffs Eva M. Sherman, 2016-07-18 Copper is affordable, plentiful and easy to work with. In her second book Eva M. Sherman explores ways copper, copper wire and sheet metal can be transformed into numerous different styles of cuffs. Off the Cuffs Jackie Sheeler, 2003-03-01 The first collection of poetry that allows us to see police officers not just as brutalizers or heroes but as complicated human beings in a position that is sometimes terrifying, sometimes rewarding and often questionable. On a daily basis police save lives, take lives, and risk their own lives. Existing books on police and policing give us a single point-of-view, a black and white story that portrays cops as either saints or villains. This exploration of the dynamic point of understanding makes *Off The Cuffs* unique. Divided into four sections--Eyewitnesses, Insiders, Victims & Perpetrators, and Dreamers--*Off The Cuffs* gives us a diversity of voices, telling stories of fear, apprehension, love, brutality, death, sorrow, joy, hope and resolve. Out of this multiplicity of voices: convicts, police, bike messengers and established poets such as Charles Simic, Martin Espada, Kevin Young and Colette Inez - emerges a dialogue showing us the infinite shades of blue that surround the profession and the profession's relationship to the society they are sworn to protect. *Off The Cuffs* adds an important and unheard piece to this body of work: the usually disparate voices of cops, prisoners and everyone in between engaging with one another within the pages of one book.

Gun, Badge & Cuffs Dr. Richard S. Rhodes, 2011-04-08 The experience of a young Black police recruit while in the academy was assigned to undercover vice assignments on weekends. He is taken back by its challenges, exciting and adventurous to say the least. Graduating from the academy he is permanently assigned to the Vice Squad. He describes in vivid detail his experiences in various assignments during his thirty year career from vice to uniform patrol, detective and

patrol supervisor. His incidents include two face-to-face gun fights, car crashes, being drugged, and pulled from a three story building, confrontation with a boa constrictor, the riots and many others. His body guarding and managing experiences with the late Redd Foxx, his experiences in show business, etc. The book is exciting, real and most of all, TRUE. Described by one critic as a Real Page Turner!

Kids in Cuffs Ar'Sheill Monsanto, 2021-12-20 Picture it. Twenty years ago you experience exclusionary discipline firsthand. Years later you become a parent and suddenly your kid is pulled aside by the teacher for a supposed offense. Your kid has no idea what he's done wrong. When you pick him up that day, you learn that he was disciplined for a benign, youthful action. Situations like this happen more often than not to students of color. Long-standing discriminatory practices in school discipline, whether intentional or not, have manifested colossal gaps in education. And yes, disproportionate school discipline starts as early as daycare and can persist through high school, leading to the school-to-prison-pipeline. In *Kids in Cuffs: Striving for Empathy and Equity in Education*, author Ar'Sheill Monsanto explores: What happens when students get suspended? Do school police really deter violence like school shootings? Are there alternatives to exclusionary discipline? What is restorative justice? Now is the time for shifts in school discipline policies in order for education to be equitable for all students.

Cuffs Cara Lockwood, 2020-10-01 He's everything she'd ever craved. Everything she'd ever wanted. Everything she hates. Feel the passion in USA TODAY bestselling author Cara Lockwood's latest sizzling DARE novel! Tattoo artist Mags McHenry doesn't believe in love or marriage. But hate? That's something Mags can get behind. Because the second Mr. Tall, Dark and Arrogant walks into her shop and demands the one tattoo she vowed never to ink again, Mags feels rage. Searing and red-hot for this insanely sexy, rich banker who wears privilege and entitlement as comfortably as his expensive custom-made suit. But there's something intelligent and dangerously predatory about Gael Quinn's green eyes. And the power in his gravelly, deep voice makes Mags shiver with desire—and want to submit her body to that commanding, hungry touch. He's a suit. She's a rebel. They're complete opposites. But when it comes to lust at first sight, Mags will break her own rules. Just this

once. Then she can go back to living her life by her rules and keeping control. But with every touch, Gael owns her body. With every kiss, he steals her breath. And with every stolen moment of delicious pleasure, Gael is edging closer to taking the one thing Mags swore she'd never give away... Take control. Feel the rush. Explore your fantasies—Harlequin DARE publishes sexy romances featuring powerful alpha males and bold, fearless heroines exploring their deepest fantasies.

Bill the Blood Pressure Cuff Jill Simpson, 2015-02-18 Bill the blood pressure cuff is a small cuff who never is used. The others cuffs make fun and bully him all the time. They are the main cuffs that the doctor uses. Bill still practices just in case he is needed. The other objects in the treatment room cheer on the bigger cuffs, while they make fun of Bill. Will Bill ever be able to show the doctor he can help, even if he is small? Will the others stop bullying Bill or will they make him quit? Find out.

Cuffed K. Bromberg, 2017-10-20 Grant Malone is not the reason I moved back to Sunnyville--at least that's what I tell myself. Yet, those parting words I said to him back in third grade, ring in my ears every time a townsperson brings up one of the Malone boys. I thought time had healed my wounds. I was wrong. Nothing could have prepared me for how I felt when I finally saw him again. Twenty years does a lot to turn a boy into a man. One who hits all my buttons--sexy, funny, attractive, and a police officer. But Grant is off limits because he knows too much about my past.--Back cover.
