Sundressing Melissa Mora, 2016 Featuring 10 women's dresses and 11 dresses for girls, and ranging from toddler to plus-size, each project starts with instructions for a bodice and a skirt, but from there, it's up to you! From the simple and pretty lines of the classic Primrose sundress to the edgy and stylish shape of the city-chic SoCo dress, you'll find the instruction and inspiration you need to make your own unique and custom-fitted dresses. Change the skirt length or style, try different fabrics and prints--make each dress a one-of-a-kind piece!--Page [4] of cover.

Sundressed Lucianne Tonti, 2023-01-19 For conscious consumers, buying clothes has never been more complicated. Even as fashion brands tout their sustainability, the industry is plagued by pollution, waste, and poor working conditions. If our clothes reflect our values, is it possible to be truly well-dressed? Sustainable fashion journalist Lucianne Tonti answers with a resounding yes. Beautiful clothes made from natural fabrics including cotton, wool, flax, and cashmere can support rural communities and regenerate landscapes. They can also reduce waste--but only if we invest in garments that stand the test of time rather than chasing fast fashion trends. Sundressed is an exploration of a revolution taking place in fashion. And it is a love letter to clothing that embodies beauty and value, from farm to closet.

Bukowski in a Sundress Kim Addonizio, 2016-06-21 "Somewhere between Jo Ann Beard's *The Boys of My Youth* and Amy Schumer's stand-up exists Kim Addonizio's style of storytelling . . . at once biting and vulnerable, nostalgic without ever veering off into sentimentality." —Refinery29 "Always vital, clever, and seductive, Addonizio is a secular Anne Lamott, a spiritual aunt to Lena Dunham." —Booklist A dazzling, edgy, laugh-out-loud memoir from the award-winning poet and novelist that reflects on writing, drinking, dating, and more Kim Addonizio is used to being exposed. As a writer of provocative poems and stories, she has encountered success along with snark: one critic dismissed her as "Charles Bukowski in a sundress." ("Why not Walt Whitman in a sparkly tutu?" she muses.) Now, in this utterly original memoir in essays, she opens up to chronicle the joys and indignities in the life of a writer wandering through middle age. Addonizio vividly captures moments of inspiration at the writing desk (or bed) and adventures on the road—from a champagne-and-vodka-fueled one-night stand at a writing conference to sparsely attended readings at remote Midwestern colleges. Her crackling, unfiltered wit brings colorful life to pieces like "What Writers Do All Day," "How to Fall for a Younger Man," and "Necrophilia" (that is, sexual attraction to men who are dead inside). And she turns a tender yet still comic eye to her family: her father, who

sparked her love of poetry; her mother, a former tennis champion who struggled through Parkinson's at the end of her life; and her daughter, who at a young age chanced upon some erotica she had written for Penthouse. At once intimate and outrageous, Addonizio's memoir radiates all the wit and heartbreak and ever-sexy grittiness that her fans have come to love—and that new readers will not soon forget.

Sundress Season Rasheed Latham, Re-Up Latham, 2021-08-31 ABOUT SUNDRESS SEASON Tia, Leah and Kristen are three girl who had enough of the hood and want to make it out by any means necessary even if it meant hurting the people around them.

Mouths of Garden Barbara Fant, 2021-12-15 In *Mouths of Garden*, there is a distinct sense of both suffocation and symphony, as Barbara Fant describes resiliency, especially of Black people continuing to uplift communities ravaged by racism, illness, domestic abuse, police brutality, and toxic omission. A deep spatial awareness presents itself in Fant's work, as bodies mold to the shape of caskets, bullets, fossilized homes, and screams suffocate in the violence often ignored by surrounding eyes. Yet, by tracing the steadfast throats and backbones of Black women working to uproot the paralyzing scenes of missing Black girls and targeted Black boys, Fant's language is a reflective, echoing choir calling to transform the inexcusable stagnation in America's attempts to address longstanding discrimination. As the speaker recalls a long lineage of aunts, sisters, grandmothers, and mothers who have harnessed the power of a church piano or produced the tenderness of newly braided hair, she slowly discovers a potency blooming from the movements of her own body as she writes, I found myself in a braid / crawled out of my own casket / made my way inside a mouth, / and grew another part of my body. Fant's

poetry cultivates a garden where Black voices pry away the stale American soil to reclaim the sprouts of open mouths and honest words buried beneath.

Nightsong Ever Jones, 2020-05-31 Written between the Pulse nightclub shooting and Obama's final day of presidency, Jones explores the underside of the industrial complexes that choke our world. The lyrics in nightsong hum a vigil for trans and queer bodies: animals of feather and fur, teeth and claws, pulling forward into another space. When the world is asleep these poems tenderly dissolve social constructions designed to erase, then sing for their liberation.

Surgical Wing Kristin Robertson, 2017-05-16 "In Surgical Wing, you will find yourself in phone booths, county fairs, fishing boats, and among ghosts. Strange birds will enter hospital waiting rooms. You will be seduced by knot-makers. You will witness illness, grief, and healing. Finally, the book itself will become the wings that steer you to a greater understanding of yourself and the world." —Anna Silver In Surgical Wing, surrealistic poems visit an experimental hospital ward, manifesting visions of winged angels and medical tests, as we bear witness to a doctor's' meddling and miracles. Robertson's poems challenge the internal and external metamorphoses of the human condition and the juxtaposition between death and life by personifying the soul through images of birds. From "You're About to Fold a Paper Airplane": Build evidence of air. Pull the results of your blood test from the mailbox. Fold in half: you have wings already. Abnormal? Fold again. You can't see the inner-workings of an aircraft. And when you're folding, you can't study much else. Book your tumor markers a flight to Bora Bora. Vector, Victor. Clearance, Clarence. On any scrap of paper write carry. Write heavenward. Write I choose this over you. Replace this. With flying. With peregrination. Or write I can't fear you another morning. And fold. Kristin Robertson is a native of East Tennessee, and she graduated with a PhD in creative writing from Georgia State University in Atlanta. Her poetry has appeared or is forthcoming in Harvard Review, Indiana Review, TriQuarterly, Third Coast, and Verse Daily, among other journals. Kristin lives outside Los Angeles and teaches at the University of California, Riverside.

The Oligarchs David E Hoffman, 2011-09-13 In this saga of brilliant triumphs and magnificent failures, David E. Hoffman, the former Moscow bureau chief for the Washington Post, sheds light on the hidden lives of Russia's most feared power brokers: the oligarchs. Focusing on six of these ruthless men— Alexander Smolensky, Yuri Luzhkov, Anatoly Chubais, Mikhail Khodorkovsky, Boris Berezovsky, and Vladimir Gusinsky—Hoffman shows how a rapacious, unruly capitalism was born out of the ashes of Soviet communism.

What Shall I Wear? Claire McCardell, 2022-08-30 First published in 1956, What Shall I Wear? is revolutionary fashion designer Claire McCardell's collection of fashion wisdom and philosophy, and a vivacious guide to looking effortlessly stylish. This new edition of the sought-after classic features a foreword by iconic designer Tory Burch and a color insert of photos from McCardell's collections. "The testament to great design, Claire McCardell's dresses look fresh, contemporary, and

desirable eight decades after they were made, as the Costume Institute's 2022 exhibit *In America: An Anthology of Fashion* demonstrated." —Nicole Phelps, global director, Vogue Runway and Vogue Business "Among the many surprises and insights I discovered in McCardell's valuable book is that she wanted to call it *Fashion is Fun*. That may also be the secret behind her genius and enduring influence—she refused to take fashion too seriously." —Cathy Horyn, New York Magazine "The first designer to create a cohesive vision rooted in the American lifestyle of ease, McCardell and her contributions as a designer and a woman in business are often overlooked. Tory Burch's new foreword . . . puts this American treasure in her rightful place." —Constance White, fashion editor and author of *How to Slay: Inspiration from the Queens and Kings of Black Style* "Claire McCardell's guiding philosophy of dressing with ease in a functional, fashionable American look was groundbreaking—and feminist—for her times. And it continues to resonate globally on the runways and in closets today." —Booth Moore, executive editor, *Women's Wear Daily*

Lease on Love Falon Ballard, 2022-02-01 Sadie wasn't looking for love until it landed on her doorstep. After getting passed over for an overdue—and much-needed—promotion, Sadie Green is in desperate need of three things: a stiff drink, a new place to live, and a one-night stand. But when an accidental mix-up lands her on the doorstep of Jack Thomas's gorgeous Brooklyn brownstone, it's too bad Sadie is more attracted to the impressive real estate than she is to the man himself. Jack, still grieving the unexpected death of his parents, has learned to find comfort in video games and movie marathons instead of friends. So while he doesn't know just what to make of the vivaciously verbose Sadie, he's willing to offer her his spare bedroom while she gets back on her feet. And with the rent unbeatably low, Sadie can finally pursue her floristry side hustle full-time. The two are polar opposites, but as Sadie's presence begins to turn the brownstone into a home, they both start to realize they may have just made the deal of a lifetime.
