Thoughts on Men's Shirts in America, 1750-1900 William L. Brown (III.),1999

Top 10 for Men Russell Ash,2008-05-15 It's a fact that men love lists: with lists, men can find the most interesting information with the least amount of effort. This book contains over 250 lists covering the most important subjects in life - cars, sports, barbecues, gadgets - and answers the most vital questions: Are Ferraris faster than Lamborghinis? What's the most common murder weapon? Who was the fattest Prime Minister? Which city has the highest proportion of women to men? What's the most alcoholic beer in the world?No matter what your chosen subject may be, Top 10 for Men is a must for every pub-trivia king.

Harry Simons Drafting Men's Shirts and Undergarments Harry Simons,2011-11-01

Dressing the Man Alan Flusser,2002-10-01 Dressing the Man is the definitive guide to what men need to know in order to dress well and look stylish without becoming fashion victims. Alan Flusser's name is synonymous with taste and style. With his new book, he combines his encyclopedic knowledge of men's clothes with his signature wit and elegance to address the fundamental paradox of modern men's fashion: Why, after men today have spent more money on clothes than in any other period of history, are there fewer well-dressed men than at any time ever before? According to Flusser, dressing well is not all that difficult, the real challenge lies in being able to acquire the right personalized instruction. Dressing well pivots on two pillars -- proportion and color. Flusser believes that Permanent Fashionability, both his promise and goal for the reader, starts by being accountable to a personal set of physical trademarks and not to any kind of random, seasonally served-up collection of fashion flashes. Unlike fashion, which is obliged to change each season, the face's shape, the neck's height, the shoulder's width, the arm's length, the torso's structure, and the foot's size remain fairly constant over time. Once a man learns how to adapt the fundamentals of permanent fashion to his physique and complexion, he's halfway home. Taking the reader through each major clothing classification step-by-step, this user-friendly guide helps you apply your own specifics to a series of dressing options, from business casual and formalwear to pattern-on-pattern coordination, or how to choose the most flattering clothing silhouette for your body type and shirt collar for your face. A man's physical traits represent his individual road map, and the quickest route toward forging an enduring style of dress is through exposure to the legendary practitioners of this rare masculine art. Flusser has assembled the largest andmost diverse collection of stylishly mantled

men ever found in one book. Many never-before-seen vintage photographs from the era of Cary Grant, Tyrone Power, and Fred Astaire are employed to help illustrate the range and diversity of authentic men's fashion. Dressing the Man's sheer magnitude of options will enable the reader to expand both the grammar and verbiage of his permanent-fashion vocabulary. For those men hoping to find sartorial fulfillment somewhere down the road, tethering their journey to the mind-set of permanent fashion will deliver them earlier rather than later in life.

Top 10 for Men Nick Harper, 2014-06-09 You're a man. You love facts. Facts amuse you. The more trivial the better. The most important things in the world - sport, cars, gadgets, beer, meat - come together in this unbeatable collection of lists to feed your manly desire for knowledge and trivia. Discover vital facts and stats on the world's fastest cars, deadliest weapons, shortest football players and strongest drinks, and then wow everyone you know with your findings.

The Last Men on Top Susan Jacoby, 2013-04-23 A feminist—and the bestselling author of *The Age of American Unreason*—looks back at the last pre-feminist generation of men who supposedly had it all and asks: what exactly did they have? How fabulous was life for men in the 1950s and early 1960s? How real is the world depicted by a television show like *Mad Men*: a world where visibly successful males, so long as they supported their families and contributed to their firms' profitability, could have midday liaisons, impregnate secretaries, and pimp for clients with impunity? In this engaging, witty, and insightful reappraisal, Susan Jacoby challenges both versions of the story—narratives that either romanticize or demonize men's lives back in the good or bad (you choose) old days. She suggests that there were hidden economic and psychological costs that made this Rat Pack reality a fantasy, and she also shows why this illusion still holds sway in the worldview of many (including Republicans and social conservatives such as Mitt Romney) who continue to cherish, long for, and advocate for the days when a family lived on the man's paycheck, and the woman stayed at home where she belonged. Our most unsparing chronicler of unreason and an impassioned social provocateur who is always eager to skewer intellectual laziness and cultural myths, Jacoby comes to the unexpected rescue of the last generation of prefeminist men. An electronic dart of wit and insight.

The Clothing Man Charles Henry Tharp, 2012-03-20 This informative men's clothing book teaches men how to dress themselves and teaches others how to dress men. With encouraging words from some of the most successful men's retailers in the industry, such as Blake W. Nordstrom, President Nordstrom, Inc.; Jay Stein, CEO of Steinmart; Gerooge Zimmer, founder and CEO, Men's Wearhouse; John Esposito, Assistant to Calvin Klein; and Charles Fagan, Chief of Staff to Ralph Lauren, this eBook is 140 pages of original drawings and men's fashion knowledge that everyone can learn from.

Top 10 for Men Russell Ash, 2010-05-12 Men like lists. No, not the shopping lists that women make. Men like lists that tell them what they want to know: What are the highest mountains ever climbed? The most venomous snakes? The most valuable comic books? The most common first names of Playboy Playmates? The countries with the highest (male) life expectancy?

This entertaining follow-up to the best-selling Top 10 of Everything presents over 250 top-ten lists whose themes run the gamut from the speediest cars, to the hottest chilies, to the bestselling beers on the planet. Some lists are totally off the wall: the most popular pizza toppings, the mammals with the highest sperm counts, the female celebrities most often Googled. Films, crime, food, drink, music, babes, war: Top 10 for Men gives you the info you need to be the most interesting and entertaining guy around.

Bulletin of the United States Bureau of Labor Statistics ,1968

How to Date Men Janis Spindel,2007-08-28 Entertaining and empowering, What Men Really Want is the next best thing to a private appointment with the nation's premier matchmaker. The hardest part about dating is understanding the mysterious inner workings of a man's brain. How can women know what men are really looking for if men don't tell them? They can ask Janis. With over twenty years of experience as a professional matchmaker, Janis Spindel has a unique insider's perspective on contemporary dating culture. Her male clients tell her exactly what they want in a relationship, and here Janis offers women a step-by-step plan for winning a man's heart, such as: • It's okay to ask a guy for his number, as long as you do it with confidence. • Don't wear your work clothes on a date, ever! Freshen up before meeting a guy. • Pay him a compliment! He's human. He'll love it. janisspindelmatchmaker.com

Top Five Regrets of the Dying Bronnie Ware,2019-08-13 Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

The World's Most Traveled Man's Top 60 Travel Tips Ian Boudreault, 2021-09-01 To all future globetrotters! Learn the secrets of traveling the world through this spoon-fed, all-you-can-eat collection of the best travel tips and hacks compiled by the world's most traveled man, Ian Boudreault. Bonus in this limited edition: build your own itinerary with my map guides! Includes seven in-depth destination analyses with maps comparing every country of the world on different aspects, including best digital nomad destinations, best food destinations, most historically rich destinations, most friendly nations, most beautiful regions in the world, and the most challenging countries to reach. An invaluable resource to start planning your next destinations right away!

Men's and Boy's Shirts, Not Knit United States Tariff Commission, 1971

Tales from the Empire Peter Schweighofer, 1997

AFROSURF Mami Wata, 2021-06-15 Discover the untold story of African surf culture in this glorious and colorful collection of profiles, essays, photographs, and illustrations. AFROSURF is the first book to capture and celebrate the surfing culture of Africa. This unprecedented collection is compiled by Mami Wata, a Cape Town surf company that fiercely believes in the power of African surf. Mami Wata brings together its co-founder Selema Masekela and some of Africa's finest photographers, thinkers, writers, and surfers to explore the unique culture of eighteen coastal countries, from Morocco to Somalia, Mozambique, South Africa, and beyond. Packed with over fifty essays, AFROSURF features surfer and skater profiles, thought pieces, poems, photos, illustrations, ephemera, recipes, and a mini comic, all wrapped in an astounding design that captures the diversity and character of Africa. A creative force of good in their continent, Mami Wata sources and manufactures all their wares in Africa and works with communities to strengthen local economies through surf tourism. With this mission in mind, Mami Wata is donating 100% of their proceeds to support two African surf therapy organizations, Waves for Change and Surfers Not Street Children.
