**An Introduction to Rag Rugs** Jenni Stuart-Anderson,2021-11-30 Making is good for you. Exploring crafts can be relaxing and therapeutic : the projects in this book are accessible to anyone who is inspired to recycle old clothes and textiles into unique, decorative, useful projects. Our forbears improvised tools to recycle their worn clothes - mostly dark suiting or mill waste if they lived near a mill. Usually they made mats for their cold floors or as draft excluders across doors. Nowadays you can choose from so many more colors and textures - painting with rags! Try one project or more. You will be able to use the techniques to design and make your own one-off items for your home or as hand-made gifts. The techniques here are

traditional and simple - you will be surprised at how drab fabrics become transformed. Simple designs work best and you can even improvise as you work. If a fabric runs out, then use another - I call that organic design! Hooking is the best technique for pictorial detail and different techniques could be combined for original wall art. Historically, rugs were made by several people sitting round a horizontal frame with the children cutting the pieces of rag which were prodded into the hessian (burlap) backing to make a shaggy mat. There is a prodded project (for purists) but you can also achieve the same effect without a frame by prodding, which can be done on table or thigh (carefully). Warning - this craft can be addictive!

**Anybody Here Seen Frenchie?** Leslie Connor, 2022-02-15 A big-hearted, beautiful, and funny novel told from multiple viewpoints about neurodiversity, friendship, and community from the award-winning author of *The Truth as Told by Mason Buttle*, Leslie Connor. Eleven-year-old Aurora Petrequin's best friend has never spoken a word to her. In fact, Frenchie Livernois doesn't talk. Aurora is bouncy, loud and impulsive—"a big old blurter." Making friends has never come easily. When Frenchie, who is autistic, silently chose Aurora as his person back in third grade, she chose him back. They make a good team, sharing their love of the natural world in coastal Maine. In the woods, Aurora and Frenchie encounter a piebald deer, a rare creature with a coat like a patchwork quilt. Whenever it appears, Aurora feels compelled to follow. At school, Aurora looks out for Frenchie, who has been her classmate until this year. One morning, Frenchie doesn't make it to his classroom. Aurora feels she's to blame. The entire town begins to search, and everyone wonders: how is it possible that nobody has seen Frenchie? At the heart of this story is the friendship between hyper-talkative Aurora and nonvocal Frenchie. Conflict arises when Aurora is better able to expand her social abilities and finds new friends. When Frenchie goes missing, Aurora must figure out how to use her voice to help find him, and lift him up when he is found. Featuring a compelling mystery and a memorable voice, this is a natural next-read after Leslie Connor's *The Truth as Told by Mason Buttle*. \* Kids' Indie Next Pick \* New England Book Award Finalists 2022 \* "Leslie Connor brilliantly depicts a genuine and meaningful friendship between a dynamic girl and her nonvocal friend. By showing the ways Aurora and Frenchie communicate, Connor gives us a blueprint for seeing autistic children in a new light. I loved, loved, loved this book!" —Cammie McGovern, author of *Frankie and Amelia* and *Chester and Gus*

**Shadows in the Mind's Eye** Janyre Tromp, 2022-04-19 Tromp weaves a complex historical tale incorporating love, suspense, hurt, and healing--all the elements that keep the pages turning. —Julie Cantrell, *New York Times* and *USA TODAY* bestselling author of *Perennials* Charlotte Anne Mattas longs to turn back the clock. Before her husband, Sam, went to serve his country in the war, he was the man everyone could rely on--responsible, intelligent, and loving. But the person who's come back to their family farm is very different from the protector Annie remembers. Sam's experience in the Pacific theater has left him broken in ways no one can understand--but that everyone is learning to fear. Tongues start wagging after Sam nearly kills his own brother. Now when he claims to have seen men on the mountain when no one else has seen them, Annie isn't the only one questioning his sanity and her safety. If there were criminals haunting the hills, there should be evidence beyond his claims. Is he really seeing what he says, or is his war-tortured mind conjuring ghosts? Annie desperately wants to believe her husband. But between his irrational choices and his nightmares leaking into the daytime, she's terrified he's

going mad. Can she trust God to heal Sam's mental wounds--or will sticking by him mean keeping her marriage at the cost of her own life? Debut novelist Janyre Tromp delivers a deliciously eerie, Hitchcockian story filled with love and suspense. Readers of psychological thrillers and historical fiction by Jaime Jo Wright and Sarah Sundin will add Tromp to their favorite authors list.

Sophia Fitzroy knows that most horsemen don't take her seriously because she's a woman, but she can't pass up the opportunity to get away from the tumultuous world of travel and performing. As she fights for the right to do the work she was hired for, she learns the fight for Aaron's guarded heart might be an even more worthwhile challenge. As secrets come to light and past vulnerabilities are confronted, will Aaron and Sophia sacrifice their former dreams and forge a new one together--against all odds?

Front Page Murder Joyce St. Anthony, 2023-07-11 In this World War II-era historical mystery series debut by Joyce St. Anthony, small-town editor Irene Ingram has a nose for news and an eye for clues. Irene Ingram has written for her father's newspaper, the Progress Herald, ever since she could grasp a pencil. Now she's editor in chief, which doesn't sit well with the men in the newsroom. But proving her journalistic bona fides is the least of Irene's worries when crime reporter Moe Bauer, on the heels of a hot tip, turns up dead at the foot of his cellar stairs. An accident? That's what Police Chief Walt Turner thinks, and Irene is inclined to agree until she finds the note Moe discreetly left on her desk. He was on to a big story, he wrote. The robbery she'd assigned him to cover at Markowicz Hardware turned out to be something far more devious. A Jewish store owner in a small, provincial town, Sam Markowicz received a terrifying message from a stranger. Moe suspected that Sam is being threatened not only for who he is...but for what he knows. Tenacious Irene senses there's more to the Markowicz story, which she is all but certain led to Moe's murder. When she's not filling up column inches with the usual small-town fare—locals in uniform, victory gardens, and scrap drives—she and her best friend, scrappy secretary Peggy Reardon, search for clues. If they can find the killer, it'll be a scoop to stop the presses. But if they can't, Irene and Peggy may face an all-too-literal deadline.

**Not Our Summer** Casie Bazay, 2021-05-11 Two estranged cousins struggle to overcome a family feud as they travel together on five vacation trips that will change their lives forever. It's bad enough that estranged cousins Becka and KJ see each other at their grandfather's funeral, but when he leaves them a bucket list of places to visit together over the summer, so they can earn their inheritance, it seems like things are about to get much worse. However, with each trip the cousins complete—like riding mules into the Grand Canyon or encountering a bear and a hot tour guide at Yellowstone—they steadily

learn about and begin to trust one another. That is until the truth behind Grandpa's bucket list, and their family feud, is revealed, testing Becka and KJ far beyond their limits. Will they find a way to accept each other or will their grandpa's wish to mend his divided family end up buried alongside him inside his grasshopper green casket?

*Stuck Together (Trouble in Texas Book #3)* Mary Connealy, 2014-05-27 When a lawman who values order gets stuck with a feisty crusader who likes to stir things up, there's going to be trouble in Texas! Now that she's settled in town, Tina Cahill is determined to get Broken Wheel's saloon closed for good. To that end, she pickets outside the place every afternoon. Unfortunately, so far no one has paid any attention. Vince Yates earned the nickname Invincible Vince because of his reputation for letting absolutely nothing stop him. But Vince is about to face his biggest challenge yet: his past has just caught up with him. His father, mother, and the sister he didn't know he had show up in Broken Wheel without warning. His father is still a schemer. His mother is showing signs of dementia. And his surprise sister quickly falls for one of Vince's best friends. Vince suddenly has a lot of people depending on him, and Tina doesn't approve of how he's handling any of them. With nearly every other man in town married off, Vince finds himself stuck with strong-willed Tina over and over again. Of course, Tina is the prettiest woman he's ever seen, so if he could just get her to give up her crazy causes, he might go ahead and propose. But he's got one more surprise coming his way: Tina's picketing at the saloon has revealed a dark secret that could put everyone Vince loves in danger.
