**Creatureton High** Anthony Paolucci, 2017-01-29 Three years have passed since Creatureton Elementary, and Sally Salamander Squibly, non-monster monster, is a 16 y/o student at Rydell High with her best friend Logan. Yet, the world of the magus has been thrown into a state of turmoil. Witches and Warlocks everywhere have come to both praise and curse the imprisoned Warlock, Mad Mulligan, for having successfully created a hybrid-the first ever fusing of a Vampire and a Werewolf. Some wish to create hybrids of their own, while others wish to prevent the creation of such a creature. Miss Glinda has devised a plan for stopping the dissident magic-users from achieving their goal, but to do so Sally would have to become the Hybrid again. Meanwhile, Sally struggles with being a teenager. A young man has caught her attention and ensnared her heart. Phelan is charming and handsome, but is he simply too good to be true? And will Sally survive the betrayal of those closest to her, or succumb to the despair that threatens to destroy her dreams of a happy life?

**Fierce Marriage** Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

**Love Does** Bob Goff, 2012 Now a New York Times Bestseller As a college student he spent 16 days in the Pacific Ocean with five guys and a crate of canned meat. As a father he took his kids on a world tour to eat ice cream with heads of state. He made friends in Uganda, and they liked him so much he became the Ugandan consul. He pursued his wife for three years

before she agreed to date him. His grades weren't good enough to get into law school, so he sat on a bench outside the Dean's office for seven days until they finally let him enroll. Bob Goff has become something of a legend, and his friends consider him the world's best-kept secret. Those same friends have long insisted he write a book. What follows are paradigm shifts, musings, and stories from one of the world's most delightfully engaging and winsome people. What fuels his impact? Love. Endorsements: If this book does not make your heart beat faster, book the next flight to Mayo Clinic --Bill Hybels, Senior Pastor, Willow Creek Community Church, Chairman, Willow Creek Association Bob Goff is a one-man tsunami of grace, a hurricane of love. He doesn't just talk about change, he really is change, as Love Does chronicles in such a vivid way. Yet, Love Does doesn't leave you feeling like you want to celebrate its author, it awakens a sense deep within that you, too, have an outrageous role to play in God's unfolding story or rescue and repair. --Louie Giglio, Passion Conferences/Passion City Church An interesting and compelling story (with Young Life roots) that ends with a practical challenge and punch: 'love does' and God can use you to do it --Denny Rydberg, President, Young Life Every once in a while someone like Bob Goff shows up to remind us that some things matter a lot more than others. Love Does has a kind of 'north star' effect that will push you to refocus your life and energy on what is most significant. It doesn't just invite you to respond with your God-given potential, it invites you to become a part of what God can do beyond your potential. --Reggie Joiner, Founder and CEO of Orange We liked the book a lot. Mostly, the balloons on the cover. The rest was pretty good too. Lots of stories about how God helps us. --Aedan, Asher and Skye Peterson ages 13, 12 and 9 This may look like a book. It's not. It is an invitation to enter into the greatest adventure you have ever known--your life as it was meant to be lived. Hang on --Michael Hyatt, Author, Platform: Get Noticed in a Noisy World, MichaelHyatt.com Bob's ability to love people brings contagious hope and inspiration wherever he goes. See-Through Marriage Ryan Frederick,Selena Frederick,2020-05-05 Marriage is all about sharing: sharing space, sharing joys and sorrows, sharing hopes and dreams. In this new, paradigm-shifting book, they show you how to develop a see-through marriage, one that is marked by full transparency and confident vulnerability. Dancers Among Us Jordan Matter, 2022-07-15 The mystery of the body in motion. The surprise of seeing what seems impossible. And the pure, joyful optimism of it all. *Dancers Among Us* presents one thrilling photograph after another of dancers leaping, spinning, lifting, kicking—but in the midst of daily life: on the beach, at a construction site, in a library, a restaurant, a park. With each image the reader feels buoyed up, eager to see the next bit of magic. Photographer Jordan Matter started his *Dancers Among Us* Project by asking a member of the Paul Taylor Dance Company to dance for him in a place where dance is unexpected. So, dressed in a commuter's suit and tie, the dancer flew across a Times Square subway platform. And in that image Matter found what he'd been searching for: a way to express the feeling of being fully alive in the moment, unself-conscious, present. Organized around themes of work, play, love, exploration, dreaming, and more, *Dancers Among Us* celebrates life in a way that's fresh, surprising, original, universal. There's no photoshopping here, no trampolines, no gimmicks, no tricks. Just a photographer, his vision, and the serendipity of what happens when the shutter clicks.

*In the Medium* Shannon Gill Burnett, 2012-03-07 Susie and Allison were best friends. They planned to grow old together two grumpy old ladies on a crooked front porch but fate had other plans. Allison fell ill with cancer. Although they both knew the prognosis was not good, they pressed forward with treatments and hope. Hope sustained them for a while, but the treatments didn't work. Susie was forced to watch her best friend sicken, suffer, and ultimately, die. After losing Allison, Susie feels as though she's losing her mind. They call it a nervous breakdown, and Susie is happy to believe the doctors and move on except something has changed. Somehow, Susie can hear and communicate with Allison. She suspects she really might have gone mad, but soon the two friends realize they've bridged a miraculous gap between the living and the dead. Together, they travel through the afterlife on either side of the divide. Through Allison's observations, the two brave friends are able to seek out the meaning of their lives, solve the mystery of death, and forge a friendship that will last until eternity. Cancer took Allison away; hope returned her to Susie. Their voyage is one of wonder and self-discovery but most of all, it is a story of devoted and never-ending love.

**Love & War** John Eldredge, Stasi Eldredge, 2010-01-07 'You live in a love story set in the midst of a very real war...' What *Wild at Heart* did for men, and *Captivating* did for women, *LOVE & WAR* will do for married couples everywhere. John and Stasi Eldredge have contributed quintessential works on Christian spirituality for men and women separately but now they turn their focus to the incredible union between those two forces - marriage. With refreshing openness, the Eldredges discuss their own marriage and the insights they've gained from the challenges they've faced. Both speak independently to

the reader about what they've learnt, giving their guidance personal immediacy and balanced male and female perspectives. John and Stasi begin LOVE & WAR with an obvious but necessary acknowledgement: marriage is fabulously hard. For every minute of happy delirium, there are equal amounts of disappointment and frustration and a sense that we've been deluded, that this isn't the marriage we dreamed of. Once we admit this, we are free to accept the great adventure of marriage; working together through strength gained from our own individual relationships with God, rather than looking to each other for happiness.
