

Tees Women

Jane Horn

A View from the Red Tees Dorothy Langley, 1997 Humorous and witty, A View From the Red Tees challenges the stereotypes and discrimination that women still face today on the golf course. Celebrating the camaraderie and competition among women who play golf, A View From the Red Tees is an ideal gift for golfers of either sex. Line drawings throughout.

From the Red Tees Celeste Palermo, 2007 For those women who lack experience, getting into the swing of golf no longer needs to be scary or stressful. From the Red Tees is the book currently missing from bookstore shelves, pro shops, and golf stores. It is packed with need-to-know tips, basic golf etiquette, the rules of the game, and humorous stories and golf anecdotes. Aspiring golfers will appreciate the wealth of information written for women by a woman who's been over par and out of bounds on many occasions.

The View from the Ladies Tees Peggy Strachan, 2008-01-01 The View from the Ladies Tees. Tales of Love, Laughter and Tears on the Golf Course. At last, a book for women golfers that tells them everything they really need to know to get the most enjoyment from playing golf. The View from the Ladies Tees describes the author's own journey along the exciting but rocky road to learning the game. How, for example, she came to the game dreaming of sun-drenched golfing holidays with her husband and discovered that first she had to train him to stand still while she hit her shot! But it also tells of the author's growing love affair with this challenging and fascinating sport.

Power Golf for Women Jane Horn, 1999 One of the biggest obstacles women face in their golf game is the belief that they don't have the strength or power to achieve distance. According to expert golfer Jane Horn, the idea that physical strength has anything to do with it is completely untrue. The problem is a misconception about how power is generated.

Strip Tees Kate Flannery, 2023-07-18 "Compelling and brave, Kate's story is a must read for all young women learning how to navigate adulthood and identity." —Lili Reinhart, New York Times bestselling author "Racy...devourable, rendered in efficient, colorful scenes." —New York Times Book Review Strip Tees is a fever dream of a memoir—Hunter S. Thompson meets Gloria Steinem—about a recent college graduate and what happens when her feminist ideals meet the real world. At the turn of the new millennium, LA is the place to be. "Hipster" is a new word on the scene. Lauren Conrad is living her Cinderella story in the "Hills" on millions of television sets across the country. Paris Hilton tells us "That's hot" from behind the biggest sunglasses imaginable, while beautiful teenagers fight and fall in love on The O.C. Into this most glittering of

supposed utopias, Kate Flannery arrives with a Seven Sisters diploma in hand and a new job at an upstart clothing company called American Apparel. Kate throws herself into the work, determined to climb the corporate fashion ladder. Having a job at American Apparel also means being a part of the advertising campaigns themselves, stripping down in the name of feminism. She slowly begins to lose herself in a landscape of rowdy sex-positivity, racy photo shoots, and a cultlike devotion to the unorthodox CEO and founder of the brand. The line between sexual liberation and exploitation quickly grows hazy, leading Kate to question the company's ethics and wrestle with her own. Strip Tees captures a moment in our recent past that's already sepia toned in nostalgia, and also paints a timeless portrait of a young woman who must choose between what business demands and self-respect requires.

Tales from the Empire Peter Schweighofer, 1997

Olivia TE NEUES QUICKNOTES, 2006-01-01 ? 20 long notecards, 4 each of 5 images ? 20 envelopes ? Sturdy, re-usable box, great for storage

Death from the Ladies Tee James Y. Bartlett, 2007-03 When intrepid golf reporter Pete Hacker agrees to cover an LPGA event as a favor to an old friend, he begins to uncover secret dealings, and that's when the trouble starts. Hacker's friend is beaten and the tour commissioner is found dead. As the tournament draws to a close, Hacker must race to put all the pieces together.

Stop Telling Women to Smile Tatyana Fazlalizadeh, 2020-02-04 The debut book from a celebrated artist on the urgent topic of street harassment Every day, all over the world, women are catcalled and denigrated simply for walking down the street. Boys will be boys, women have been told for generations, ignore it, shrug it off, take it as a compliment. But the harassment has real consequences for women: in the fear it instills and the shame they are made to feel. In *Stop Telling Women to Smile*, Tatyana Fazlalizadeh uses her arresting street art portraits to explore how women experience hostility in communities that are supposed to be homes. She addresses the pervasiveness of street harassment, its effects, and the kinds of activism that can serve to counter it. The result is a cathartic reckoning with the aggression women endure, and an examination of what equality truly entails.

Annapurna Arlene Blum, 2015-09-15 In August 1978, thirteen women left San Francisco for the Nepal Himalaya to make history as the first Americans—and the first women—to scale the treacherous slopes of Annapurna I, the world's tenth highest peak. Expedition leader Arlene Blum here tells their dramatic story: the logistical problems, storms, and hazardous ice climbing; the conflicts and reconciliations within the team; the terror of avalanches that threatened to sweep away camps and climbers. On October 15, two women and two Sherpas at last stood on the summit—but the celebration was cut short, for two days later, the two women of the second summit team fell to their deaths. Never before has such an account of mountaineering triumph and tragedy been told from a woman's point of view. By proving that women had the skill, strength,

and courage necessary to make this difficult and dangerous climb, the 1978 Women's Himalayan Expedition's accomplishment had a positive impact around the world, changing perceptions about women's abilities in sports and other arenas. And Annapurna: A Woman's Place has become an acknowledged classic in the annals of women's achievements—a story of challenge and commitment told with passion, humor, and unflinching honesty.

Murakami T Haruki Murakami, 2021-11-23 The international literary icon opens his eclectic closet: Here are photographs of Murakami's extensive and personal T-shirt collection, accompanied by essays that reveal a side of the writer rarely seen by the public. Many of Haruki Murakami's fans know about his massive vinyl record collection (10,000 albums!) and his obsession with running, but few have heard about a more intimate passion: his T-shirt collecting. In *Murakami T*, the famously reclusive novelist shows us his T-shirts—from concert shirts to never-worn whiskey-themed Ts, and from beloved bookstore swag to the shirt that inspired the iconic short story *Tony Takitani*. These photographs are paired with short, frank essays that include Murakami's musings on the joy of drinking Guinness in local pubs across Ireland, the pleasure of eating a burger upon arrival in the United States, and Hawaiian surf culture in the 1980s. Together, these photographs and reflections reveal much about Murakami's multifaceted and wonderfully eccentric persona.

The Mad Farmer Poems (Large Print 16pt) Wendell Berry, 2010-05 Wendell Baerry has become "mad" at contemporary society. Gleaned from various collections of this amazing American voice, the poems take the shape of manifestos, insults, and Whitmanic ravings that are often funny in spite of themselves. The whole is a wonderful testimony to the power of humor to bring even the most terrible consequences into an otherwise unobtainable focus.

Math with Bad Drawings Ben Orlin, 2018-09-18 A hilarious reeducation in mathematics—full of joy, jokes, and stick figures—that sheds light on the countless practical and wonderful ways that math structures and shapes our world. In *Math With Bad Drawings*, Ben Orlin reveals to us what math actually is; its myriad uses, its strange symbols, and the wild leaps of logic and faith that define the usually impenetrable work of the mathematician. Truth and knowledge come in multiple forms: colorful drawings, encouraging jokes, and the stories and insights of an empathetic teacher who believes that math should belong to everyone. Orlin shows us how to think like a mathematician by teaching us a brand-new game of tic-tac-toe, how to understand an economic crises by rolling a pair of dice, and the mathematical headache that ensues when attempting to build a spherical Death Star. Every discussion in the book is illustrated with Orlin's trademark bad drawings, which convey his message and insights with perfect pitch and clarity. With 24 chapters covering topics from the electoral college to human genetics to the reasons not to trust statistics, *Math with Bad Drawings* is a life-changing book for the math-estranged and math-enamored alike.

Al Capone Does My Shirts Gennifer Choldenko, 2006-04-20 The Newbery Honor Book and New York Times Bestseller that is historical fiction with a hint of mystery about living at Alcatraz not as a prisoner, but as a kid meeting some of the most

famous criminals in our history. *Al Capone Does My Shirts* has become an instant classic for all kids to read! Today I moved to Alcatraz, a twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There are twenty-three other kids who live on the island because their dads work as guards or cooks or doctors or electricians for the prison, like my dad does. And then there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnappers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. A Newbery Honor Book A New York Times Bestseller A People magazine Best kid's Book An ALA Book for Young Adults An ALA Notable Book A School Library Journal Best Book of the Year A Kirkus Reviews Editor's Choice A San Francisco Chronicle Best Book of the Year A Publishers Weekly Best Book of the Year A Parents' Choice Silver Honor Book A New York Public Library 100 Titles for Reading and Sharing Selection A New York Public Library Best Book for the Teen Age *Choldenko's pacing is exquisite. . . . [A] great read.—Kirkus Reviews, starred review *Exceptionally atmospheric, fast-paced and memorable!—Publishers Weekly, starred review *The story, told with humor and skill, will fascinate readers.—School Library Journal, starred review *Al* is the perfect novel for a young guy or moll who digs books by Gordon Korman, or Louis Sachar.—Time Out New York for Kids Funny situations and plot twists abound!—People magazine Heartstopping in some places, heartrending in others, and most of all, it is heartwarming.—San Francisco Chronicle

Women's Size Medium White Tee Chronicle Books, 2003-08-12 Chronicle Gear Think fun, stylish, hip. Think Chronicle Books...clothing and accessories? Flocked logo on front, embroidered logo label on reverse - Machine Wash. Made in Canada. - Size: M - Color: White

Advanced Rockcraft Royal Robbins, 1973

From Green to Tee Shirley Spork, 2017-07-14 This is the story of a little red-haired girl from Michigan, who grew up to be one of the most beloved women in the history of golf. She is not just a storied Tour player: Shirley Spork is golf's finest mentor teacher. Shirley enjoyed the relationships she had with other women who were a part of the early days of the Ladies Professional Golf Association...the LPGA. As one of the 13 Founders, she teed off with the likes of Babe Zaharias, Patty Berg, and Marilynn Smith, but she was also a leader in golf education. Though it was the Tour that initially brought these women together, it was their love of the game that sealed lifelong friendships. Sharing their knowledge of golf with the masses became a passion that would keep their lives intertwined for years to come. -- page (4) of cover.

Alice's Adventures in Wonderland Lewis Carroll, 1899

The Doubtful Guest Edward Gorey, 1998 Being a tale--perhaps an allegory--of deceptive simplicity, with universal

meaning for all civilized men and women, Gorey's The Doubtful Guest is republished here in a deluxe hardcover edition at an eerily low price.

The Gashlycrumb Tinies Edward Gorey, 1963
