Storms Inside Us : A Small-Town Western MM Romance Greta Rose West,2022-12-01 Welcome to Wisper, Wyoming, where the people dream big and love hard. From internationally bestselling small-town romance author, Greta Rose West, Storms Inside Us is a steamy MM romance about finding the right man at the wrong time. For fans of Lucy Lennox and Riley Hart. Brady Douglas is the good guy, the cute guy—the proverbial gay best friend. When he moved home after his dad's ALS diagnosis, he traded a cushy life of big-city law for settling petty disputes between neighbors. Romance is an afterthought. But when he meets Theodore Burroughs Jr., the sexy CEO of an international finance company, lightning sparks. Too bad he's a client. Broken down and beaten up, Theo Burroughs may be a billionaire, but he's also a mess. His dream of opening a community center in downtown Wisper, Wyoming, is within his grasp, but an incident three years earlier changed him, and drinking the pain away hasn't done him one bit of good. Now, all anyone sees is an entitled pretty boy whose money should make him happy. But it can't. As Brady and Theo deal with their own tempestuous lives, intense attraction pushes them together and tears them apart. Love may be the only thing to heal them both—if they can learn to accept it. The second book in the Wisper Dreams series has themes of alcoholism, medical homecare, parental loss, and PTSD, but there is always a guaranteed HEA and lots of heartwarming small-town love.

**Speaking in Styles** Jason Cranford Teague,2009-06-30 Speaking in Styles aims to help Web designers learn the language that will be used to take their vision from the static comp to the live Internet. Many designers think that CSS is code, and that it's too hard to learn. Jason takes an approach to CSS that breaks it down around common design tasks and helps the reader learn that they already think in styles--they just need to learn to speak the language. Jason helps Web designers find their voice, walks them through the grammar of CSS, shows them how to write their design specs in CSS, and how to prepare it for screen, printer or handheld devices. Along the way designers will learn to optimize their code, make it accessible, optimize for search engines, mix it up with Flash, and more.

Escape into this breathtaking tale of two passionate young men who have lived their lives for everyone but themselves. Pesha and Fen have shouldered the grief, pain, and fear for the people they love for as long as they can remember. Fen as his sister's protector and handler, and Pesha as his brother's trusted right hand. Neither has given thought to their own happiness, because a life of crisis only allows for chaos. Contentment is an affliction neither can afford. When Pesha embarks on a desperate, risky journey to a homeland he's never been to, in a final attempt to save his dying sister, Fen doesn't hesitate to come along to help the man he's been slowly falling in love with. But Pesha's bewildering, escalating hostility on the road leaves him rejected and confused. Making matters far worse, their "welcome" to the Territory of Asgill is far from warm. They are both descendants of the Forsaken, a faction who waged a violent uprising against their Medvedev leader almost three decades earlier. Though neither have any knowledge of those days, they're branded as seditionists and stripped of freedoms. Pesha's sister is taken away for healing, but if her treatment isn't successful, the end for her is death. To save her, and themselves, they will need to learn to do the impossible: accept they need as much help as they have always offered others. Fen and Pesha will either break this chain... Or die trying. \_\_\_\_ The Hand and the Heart is a friends to lovers romance set in the Kingdom of the White Sea universe, featuring characters first introduced in The Melody and the Master.
