**Hyperion** Dan Simmons, 1989-05-26 A stunning tour de force filled with transcendent awe and wonder, *Hyperion* is a masterwork of science fiction that resonates with excitement and invention, the first volume in a remarkable epic by the multiple-award-winning author of *The Hollow Man*. On the world called Hyperion, beyond the reach of galactic law, waits a creature called the Shrike. There are those who worship it. There are those who fear it. And there are those who have vowed to destroy it. In the Valley of the Time Tombs, where huge, brooding structures move backward through time, the Shrike waits for them all. On the eve of Armageddon, with the entire galaxy at war, seven pilgrims set forth on a final voyage to Hyperion seeking the answers to the unsolved riddles of their lives. Each carries a desperate hope—and a terrible secret. And one may hold the fate of humanity in his hands. Praise for Dan Simmons and *Hyperion* “Dan Simmons has brilliantly conceptualized a future 700 years distant. In sheer scope and complexity it matches, and perhaps even surpasses, those of Isaac Asimov and James Blish.”—*The Washington Post Book World* “An unfailingly inventive narrative . . . generously conceived and stylistically sure-handed.”—*The New York Times Book Review* “Simmons’s own genius transforms space opera into a new kind of poetry.”—*The Denver Post* “An essential part of any science fiction collection.”—*Booklist*

**The Hyperion Cantos 4-Book Bundle** Dan Simmons, 2014-08-05 Hailed as “one of the finest achievements of modern science fiction” by *The New York Times Book Review*, *The Hyperion Cantos* is a triumphant odyssey into the heart of space and time. Through four riveting novels, Dan Simmons masterfully weaves such influences as classical mythology, romantic poetry, and far-future philosophy into an ambitiously conceived and unfailingly entertaining epic. Now, for the first time, this entire masterpiece of the imagination is available in one extraordinary eBook bundle: *HYPERION THE FALL OF HYPERION ENDYMION THE RISE OF ENDYMION* On the planet Hyperion, beyond the reach of galactic law, waits a creature called the Shrike. There are those who worship it. There are those who fear it. And there are those who have vowed to destroy it. On the eve of Armageddon, with the known universe at war, seven pilgrims set forth on a final voyage to Hyperion seeking the answers to the unsolved riddles of existence. As the Shrike anticipates their mission, each traveler nurtures a desperate hope—and harbors a terrible secret. And one may hold the fate of humanity in his or her hands. Praise for *The Hyperion Cantos* “For vastness of scope, clarity of detail and seriousness of purpose, Simmons’s epic narrative is on a par with Isaac Asimov’s *Foundation* series, Frank Herbert’s *Dune* books, Gene Wolfe’s multipart *Book of the New Sun* and Brian Aldiss’s

Helliconia trilogy.”—The New York Times Book Review “Dan Simmons has brilliantly conceptualized a future 700 years distant. In sheer scope and complexity it matches, and perhaps even surpasses, those of Isaac Asimov and James Blish.”—The Washington Post Book World “State of the art science fiction . . . This work will be that against which all future works will have to be measured, in the same way, in their time, that Asimov’s Foundation series and Le Guin’s The Left Hand of Darkness set new standards.”—Asimov’s “Simmons’ own genius transforms space opera into a new kind of poetry.”—The Denver Post “A major work . . . Simmons doesn’t just promise; he delivers.”—Science Fiction Chronicle

**Hyperion** Henry Wadsworth Longfellow, 1848 Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. 1st World Library-Literary Society is a non-profit educational organization. Visit us online at [www.1stWorldLibrary.ORG](http://www.1stWorldLibrary.ORG) - - In John Lyly's Endymion, Sir Topas is made to say; Dost thou know what a Poet is? Why, fool, a Poet is as much as one should say, - a Poet! And thou, reader, dost thou know what a hero is? Why, a hero is as much as one should say, - a hero! Some romance-writers, however, say much more than this. Nay, the old Lombard, Matteo Maria Bojardo, set all the church-bells in Scandiano ringing, merely because he had found a name for one of his heroes. Here, also, shall church-bells be rung, but more solemnly. The setting of a great hope is like the setting of the sun. The brightness of our life is gone. Shadows of evening fall around us, and the world seems but a dim reflection, - itself a broader shadow. We look forward into the coming, lonely night. The soul withdraws into itself. Then stars arise, and the night is holy. Paul Flemming had experienced this, though still young. The friend of his youth was dead. The bough had broken under the burden of the unripe fruit. And when, after a season, he looked up again from the blindness of his sorrow, all things seemed unreal. Like the man, whose sight had been restored by miracle, he beheld men, as trees, walking. His household gods were broken. He had no home. His sympathies cried aloud from his desolate soul, and there came no answer from the busy, turbulent world around him. He did not willingly give way to grief. He struggled to be cheerful, - to be strong. But he could no longer look into the familiar faces of his friends. He could no longer live alone, where he had lived with her. He went abroad, that the sea might be between him and the grave. Alas! Between him and his sorrow there could be no sea, but that of time.

**Hyperion and the Hobbyhorse** Arthur Lindley, 1996 This book constructs a paradigm for the operation of subversive comedy - what Arthur Lindley, the author, calls the Augustinian carnivalesque - by examining some of the major texts of Ricardian and Elizabethan literature. By identifying some common characteristics of these works, Lindley argues that they must be seen in terms of a continuous, fundamentally Augustinian, Christian culture that is marked by a pervasive anti-heroic comedy that interrogates the official secular order and the role-based social identities that comprise it. Underlying this is a common attitude of Christian skepticism and a common use of carnivalesque demystification of power. In this pattern of continuity, concern with subjectivity, the mysteries of the self, and the tension between inward consciousness and outward

role long antedates, say, Hamlet. Subjection, in other words, is not an Elizabethan (or Shakespearean) invention, but a constant concern of Augustinian literature going back to Confessions.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

*Hyperion. A romance* Henry Wadsworth Longfellow,1848

Hyperion Henry Wadsworth Longfellow,2022-09-16 DigiCat Publishing presents to you this special edition of Hyperion by Henry Wadsworth Longfellow. Clothing and Fashion [4 volumes] José Blanco F.,Patricia Kay Hunt-Hurst,Heather Vaughan Lee,Mary

Doering,2015-11-23 This unique four-volume encyclopedia examines the historical significance of fashion trends, revealing the social and cultural connections of clothing from the precolonial times to the present day. This sweeping overview of fashion and apparel covers several centuries of American history as seen through the lens of the clothes we wear—from the Native American moccasin to Manolo Blahnik's contribution to stiletto heels. Through four detailed volumes, this work delves into what people wore in various periods in our country's past and why—from hand-crafted family garments in the 1600s, to the rough clothing of slaves, to the sophisticated textile designs of the 21st century. More than 100 fashion experts and clothing historians pay tribute to the most notable garments, accessories, and people comprising design and fashion. The four volumes contain more than 800 alphabetical entries, with each volume representing a different era. Content includes fascinating information such as that beginning in 1619 through 1654, every man in Virginia was required to plant a number of mulberry trees to support the silk industry in England; what is known about the clothing of enslaved African Americans; and that there were regulations placed on clothing design during World War II. The set also includes color inserts that better communicate the visual impact of clothing and fashion across eras.
